(R)

HOUSE _____ **AMENDMENT NO.** _____

OFFERED BY

REP. By of 6

Amend HCS SCS Senate Bill No. 84 Page 6 Section 348.432 Line 48

by inserting after the word "dollars" the following:

In any fiscal year in which the payments or grants authorized by Section 142.028, RSMo, are not made or fully funded, any new generation cooperative incentive tax credits redeemed after the end of such fiscal year by any producer members investing in a renewable fuel production facility prior to the end of such fiscal year, including, but not limited to, producer members investing in renewable fuel production facilities not approved by the authority as an eligible new generation cooperative or eligible new generation processing entity by the end of such fiscal year, and the payments or grants authorized by section 142.028, RSMo, shall be increased in a percentage equal to the Consumer Price Index as reported by the United States Department of Labor or three percent, whichever is greater.
