HOUSE AMENDMENT NUMBER 1251L06.03F

Johnson of District 90

Amend HS HCS HB number 321 page 7 Section [redacted]

Line 20

by inserting immediately after said line the following:

"287.062. Disease of the lungs or respiratory tract or disease of the heart or cardiovascular system, including carcinoma, shall be recognized as occupational diseases for the purposes of this chapter, are defined to be disability due to exposure to smoke, gases, or inadequate oxygen, for peace officers certified pursuant to chapter 590, RSMo."

Further amend said title, enacting clause and intersectional references accordingly.
