AN ACT

To amend chapter 301, RSMo, by adding thereto one new section relating to special license plates for Rotary International members.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 301, RSMo, is amended by adding thereto one new section, to be known as section 301.3080, to read as follows:

301.3080. 1. Any member of Rotary International may receive special license plates as prescribed by this section, for any motor vehicle such person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight, after an annual payment of an emblem-use authorization fee to Rotary International of which the person is a member. Rotary International hereby authorizes the use of its official emblem to be affixed on multiyear personalized license plates as provided in this section. Any contribution to Rotary International derived from this section, except reasonable administrative costs, shall be used solely for the purposes of Rotary International. Any member of Rotary International may annually apply for the use of the emblem.

2. Upon annual application and payment of a twenty-five dollar emblem-use contribution to Rotary International, the organization shall issue to the vehicle owner, without further charge, an emblem-use authorization statement, which shall be presented

14 by the owner to the department of revenue at the time of registration of a motor vehicle.
15 Upon presentation of the annual statement, payment of a fifteen dollar fee in addition to
16 the registration fee and documents which may be required by law, the department of
17 revenue shall issue to the vehicle owner a personalized license plate which shall bear the
18 emblem of Rotary International. Such license plates shall be made with fully reflective
19 material with a common color scheme and design, shall be clearly visible at night, and shall
20 be aesthetically attractive, as prescribed by section 301.130.

21 3. A vehicle owner, who was previously issued a plate with the Rotary International
22 emblem authorized by this section but who does not provide an emblem-use authorization
23 statement at a subsequent time of registration, shall be issued a new plate which does not
24 bear the Rotary International emblem, as otherwise provided by law. The director of
25 revenue shall make necessary rules and regulations for the administration of this section,
26 and shall design all necessary forms required by this section. No rule or portion of a rule
27 promulgated pursuant to the authority of this section shall become effective unless it has
28 been promulgated pursuant to the provisions of chapter 536, RSMo.
