

House Resolution No. 1369

Whereas, the members of the Missouri House of Representatives always welcome the opportunity to acknowledge crowning achievements attained by local educational institutions which are devoted to excellence across a wide range of endeavor; and

Whereas, Liberty Public Schools have garnered distinction through the school districts's receipt of a Meritorious Budget Award from the Association of School Business Officials International; and

Whereas, the criteria for the Meritorious Budget Award was created by school business management professionals around the world to enable school business administrators to achieve the highest level of excellence in budget presentation and to encourage school systems to build a solid foundation in the skills of developing, analyzing, and presenting budgets; and

Whereas, Liberty Public Schools staff were recognized on February 24, 2003, at the Liberty Board of Education business meeting for their individual roles in obtaining the prestigious Meritorious Budget Award; and

Whereas, with only one percent of school districts around the world earning a Meritorious Budget Award, Liberty Public Schools make up the only school district in Missouri to receive this recognition within the last two years; and

Whereas, deserving special note is Assistant Superintendent of Schools Phil Wright and those staffers who played a prominent function in preparing the award winning budget document, including Business Operations Supervisor Jeanne Deimund, project manager; District Financial Systems Analyst Bob Citro; District Accountant Molly Johnson; and Business Operation Administrative Secretary Heddie Leger:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join unanimously to applaud the well-deserved selection of Liberty Public Schools for a Meritorious Budget Award from the Association of School Business Officials International and to express this legislative body's heartiest commendation of the stellar work in which school officials clearly and effectively convey important financial information to the area's citizenry; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Liberty Public Schools.
