

HB 470 -- Methamphetamine Materials

Co-Sponsors: Mayer, Parker, Wallace, Bivins, Stevenson, Lipke (157), Lembke (85), Jolly

This bill prohibits the sale of more than six grams of any over-the-counter drug having a sole active ingredient of ephedrine, pseudoephedrine, or phenylpropanolamine. These drugs must be kept behind the counter or within six feet of a register located on a checkout counter, unless the store utilizes an anti-theft system that specifically prevents the theft of these drugs. Violation of the bill is a class A misdemeanor.
