

HB 705 -- Child Pornography

Co-Sponsors: Smith (14), Wood, Davis (19), Bivins, Portwood, Bough, Parker, Corcoran, Bruns, Deeken, Wildberger

This bill grants authority to the Attorney General to seek the removal of child pornography from a web site. If the web site operator fails to remove the child pornography promptly, the Attorney General may seek a court order requiring its removal within 30 days. The court may find the web site operator in contempt if the operator fails to comply with the court order.
