

House Resolution No. 3176

Whereas, as the 2003-2004 school year draws to a close, the members of the Missouri House of Representatives pause to applaud the career achievements of those individuals who are retiring from the field of education; and

Whereas, the Ozark R-VI School District is losing a valuable member of its faculty on July 31, 2004, with the retirement of Sandra Kay Cline who has devoted several years of her life to the education of this state's young citizens through tireless endeavors as an elementary school teacher; and

Whereas, Sandra Cline has taught for twenty-seven years at Ozark R-VI, where she is held in high esteem as an educator who demonstrates considerable competence and remarkable degrees of compassion and understanding; and

Whereas, deeply committed to the great cause of learning, Sandra Cline has touched the lives of countless youngsters by helping them form a solid educational foundation upon which to build in the future; and

Whereas, Sandra Cline has watched her pupils grow, develop, and mature through the knowledge she has imparted to them both as a teacher and as a friend; and

Whereas, Sandra Cline has also enjoyed recognition as a Young Authors and Science Fair sponsor and as Director of the After Hours program; and

Whereas, Sandra Cline has been blessed with the love and support of a wonderful family whose members include her children, Steve Swanson, Richie Cline, and Crystal Cline; and seven grandchildren:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join the Ozark R-VI School District in expressing appreciation for the unparalleled service that she has rendered to Missouri's children and in wishing her the long, fruitful, and enjoyable retirement that she so justly deserves; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Sandra Kay Cline, as a measure of our esteem for her.
