

HCS HB 1179 -- CRIMINAL CASE SURCHARGES (Corcoran)

Under current law, a \$2 surcharge is collected in certain criminal cases to be used to develop biometric verification systems for identifying and tracking inmates within local jail systems. This substitute allows the funds to also be used for other expenses related to housing prisoners after the installation of the biometric verification system.

FISCAL NOTE: No impact on state funds in FY 2005, FY 2006, and FY 2007.
