

House Resolution No.

Whereas, William H. T. Bush of Saint Louis, Missouri, has attained considerable distinction as an entrepreneur who founded the investment firm of Bush-O'Donnell & Company in 1986 after serving as President and CEO of Boatman's National Bank of Saint Louis and as a Commercial and International Banking employee of Hartford National Bank and Trust Company in Connecticut; and

Whereas, a 1960 graduate of Yale University, William Bush subsequently answered the call to patriotic national service as an officer in the United States Army Corps of Engineers; and

Whereas, noted for longstanding community service through a wide selection of venues, William Bush also is justifiably proud to be known as the beloved husband of the former Patricia Redfearn since 1959, the loving father of Scott and Louisa, and the devoted grandfather of Katherine, Alexander, Henry, and William:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to applaud the significant accomplishments garnered thus far in the life of William Bush and to convey to him this legislative body's most heartfelt best wishes for continued success for many more years to come; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of William H.T. Bush of Saint Louis, Missouri.
