

House Resolution No. 2061

Whereas, it is with special pleasure that the members of the Missouri House of Representatives pause to recognize Kingdom Christian Academy in Fulton, Missouri, which is commemorating the resplendent occasion of its Tenth Anniversary in 2005; and

Whereas, more than twenty years ago, a local Christian farmer named Paul Bastian envisioned a Christian school in Fulton, Missouri, and worked with other local families to make that dream a reality; and

Whereas, in November 1995, approximately one hundred individuals gathered at the Richland Baptist Church near Kingdom City to listen to Mr. Nile Abele, who had helped open a Christian school in his hometown, and Mr. Gilbert Huerta, who was the principal of Christian Chapel Academy in Columbia; and

Whereas, Kingdom Christian Academy opened its doors for the first time to students on September 5, 1995, since which time the student body has increased in size to from 42 students to 80 students today; and

Whereas, Kingdom Christian Academy continues to maintain its stellar reputation as a school that prepares its children for the real world through an interdenominational Christian education taught in the A Beka Book curriculum, which has proven quality education methods:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, unanimously join in extending our most hearty and robust congratulations to the students, teachers, and staff at Kingdom Christian Academy upon this very special anniversary event, and in wishing them only the very best as they continue to serve the Christian mission; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Kingdom Christian Academy in Fulton, Missouri.
