

House Resolution No. 2197

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State educators who admirably dedicate an untold amount of time and energy to helping today's students garner the knowledge, skills, and experiences necessary to become lifelong learners and future societal leaders; and

Whereas, Mona Garrison has attained considerable distinction as an Adult Education and Literacy teacher at the Missouri Career Center of Saint Charles County while serving with Saint Charles Community College for the past eight years; and

Whereas, on May 3, 2005, Mona Garrison will enhance her already impressive record of achievement when she is presented a Golden Apple Award by the Saint Peters Chamber of Commerce at its annual membership meeting; and

Whereas, known for her support and encouragement of students, Mona Garrison will receive a Golden Apple Award in the "special education" category; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse legislative endeavors in order to acknowledge momentous occasions in the lives and careers of exemplary citizens who work for the greater good of society as educators:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to applaud the well-deserved selection of Mona Garrison for a Saint Peters Chamber of Commerce Golden Apple Award and to convey to her this legislative body's most heartfelt best wishes for continued personal and professional success for many more years to come; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Mona Garrison of Saint Charles Community College.
