

House Resolution No. 3608

Whereas, the members of the Missouri House of Representatives always welcome the opportunity to acknowledge milestone events in the lives and careers of Show-Me State residents who admirably have answered the patriotic call to national service through their enlistment in the various branches of the United States military; and

Whereas, Henderson Mayers of Dixon, Missouri, has attained considerable distinction as a Sergeant First Class in the United States Army, an endeavor which he will bring to a close on August 12, 2005, in well-deserved retirement; and

Whereas, a war veteran and member of the military adjunct faculty, Sergeant First Class Henderson Mayers had devoted more than twenty years of service to the Army; and

Whereas, Sergeant First Class Henderson Mayers is the beloved husband of Venetia Mayers and the loving father of Jerry Mayers and Karen Johnson; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse daily activities in order to recognize such outstanding citizens as Henderson Mayers at momentous times in their lives:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to salute Sergeant First Class Henderson Mayers of the United States Army and to convey to him this legislative body's most heartfelt best wishes as he partakes of the special opportunities and pleasures traditionally associated with the golden years of retirement; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Henderson Mayers of Dixon, Missouri.

Offered by _____
Representative David Day
District No. 148

I, Rod Jetton, Speaker of the House of Representatives,
Ninety-third General Assembly, First Regular Session, do
certify that the above is a true and correct copy of House
Resolution No. 3608, adopted May 31, 2005.

Rod Jetton, Speaker
