

HB 1687 -- DONATION OF PRESCRIPTION DRUGS (Wright, 137)

COMMITTEE OF ORIGIN: Health Care Policy

This bill allows drugs donated to the Prescription Drug Repository Program that are not used or accepted by any pharmacy, hospital, or non-profit clinic in this state to be distributed to out-of-state charitable repositories for use outside of the state.

FISCAL NOTE: No impact on state funds in FY 2007, FY 2008, and FY 2009.
