

House Resolution No. 3638

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State Army Reserve units that have proven down through the years to be exceptional components of the United States armed forces; and

Whereas, Independence, Missouri, is home to the 325th Field Hospital located at the Charles R. Long Army Reserve Training Center; and

Whereas, the Reserve officers and soldiers of the 325th Field Hospital have once again been activated for duty, this time as part of the United States military force stationed in Iraq; and

Whereas, the 325th Field Hospital was first constituted in July 1923, since which time it has deployed in support of military units during World War II in northern France, the Rhineland, and Ardennes-Alsace and earned a Meritorious Unit Commendation and a streamer embroidered with European Theater; and

Whereas, during 2004 and 2005 the 325th Field Hospital deployed to Afghanistan for Operation Enduring Freedom as part of America's Global War on Terrorism; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse legislative endeavors in order to acknowledge milestone events in the histories of such outstanding Missouri Army Reserves units as the 325th Field Hospital:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the history, goals, and accomplishments, associated with the Army Reserve 325th Field Hospital and to convey to its officers and soldiers this legislative body's most heartfelt best wishes for a highly successful active duty tour in Iraq; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for presentation to the 325th Field Hospital of Independence, Missouri.
