

House Resolution No. 3784

Whereas, the members of the Missouri House of Representatives always welcome the opportunity to acknowledge milestone events in the histories of Show-Me State educational institutions which admirably provide exceptional opportunities for students to obtain the knowledge, skills, and experiences necessary to become lifelong learners and future societal leaders; and

Whereas, Logan College of Chiropractic in Chesterfield, Missouri, is an institution with a vision to the future whether it is physical growth and building programs or institutional strengths of soundness and stability; and

Whereas, the mission of Logan College of Chiropractic is to set the standard of teaching and learning excellence by serving its students and the chiropractic profession; and

Whereas, Logan College of Chiropractic has expanded the scope of chiropractic care in the patient and health care communities through the development of the Biofreeze Sports and Rehabilitation Center on the Logan Campus; and

Whereas, Logan College of Chiropractic has expanded its curriculum to remain at the forefront of chiropractic education and care; and

Whereas, Logan College of Chiropractic has constructed the William D. Purser, DC Center as part of a new infrastructure that promotes integrative, progressive learning for its students, health care professionals, and the community alike:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the history, goals, and accomplishments associated with Logan College of Chiropractic and to convey to all of those involved this legislative body's most heartfelt best wishes for continued success; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Logan College of Chiropractic.
