

JOURNAL OF THE HOUSE

First Regular Session, 94th GENERAL ASSEMBLY

THIRTY-SECOND DAY, WEDNESDAY, FEBRUARY 28, 2007

The House met pursuant to adjournment.

Representative Cooper (120) in the Chair.

Prayer by Reverend James Earl Jackson.

O God, You are wise and powerful! We praise You for ever and ever. You control the times and the seasons; You make and unmake authorities.

It is You who give us wisdom and understanding; You who reveal things that are deep and secret. You know what is hidden in darkness and You Yourself are surrounded by light.

We praise and honor You, God of all creation. You have given us wisdom and strength; You have answered our prayer and shown us how to execute Your plan on behalf of this state.

Now may the grace of our Lord rest and abide with us all as we navigate the multiple responsibilities we encounter this week.

For it's in the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jennifer Thomas, Michael P. Klussman, Lauren Pollock, Laura Close, Kyle Bush, Trey Marlette, Brian Pohl, Phoebe Harris, Holland Windsor, Wyatt Ross, Chelsea Penfield, Alyssa Simmons, Faith Smith, Amanda McCollum, Cheyenne Miller, Nicholle Hinkle, Lori Cruse, Chelsea Pense, Michelle Wisdom, Jason Burris, Josh Miller, Curt White, Michelle Stanley and Tiffany Young.

The Journal of the thirty-first day was approved as printed.

Representative Cooper (120) requested a parliamentary ruling.

The Parliamentary Committee ruled the point of order well taken.

Representative Flook offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Bill No. 269, Page 2, Section 172.360, Line 13, by inserting after all of said line the following:

"173.1200. 1. A student with permanent residency status may be admitted at any public institution of higher education in this state, provided the student meets the entrance standards of such institution. Students who satisfy the institution's requirements for establishing state residency shall be eligible for in-state tuition.

2. An immigrant who resides in Missouri and has a pending application for permanent residency status may be admitted at a public institution of higher education on a provisional basis and attend classes so long as the person otherwise meets the entrance requirements of such institution. Such provisional student shall be eligible for in-state tuition so long as the student otherwise meets the institution's requirements for establishing state residency. If a student's application for authorized status is denied or dismissed, and the student's status is unauthorized, the student shall be required to terminate attendance at the close of that semester."; and

Further amend said title, enacting clause and intersectional references accordingly.

HOUSE CONCURRENT RESOLUTION NO. 24

WHEREAS, the federal No Child Left Behind (NCLB) Act requires states to assess all students in their state's assessment program; and

WHEREAS, the Act provides for a limited number of students with disabilities to be assessed with an alternate assessment, but only 1% of a school district's tested population may be counted as proficient or above using the alternate assessment; and

WHEREAS, this limitation results in some special needs students being included in the regular state assessment system when, in fact, their cognitive disabilities are such that they should not be assessed with their age or grade-level peers; and

WHEREAS, a more appropriate assessment for them might be a test that was developed for use in some grade-level below the grade in which they are classified, but the United States Department of Education regulations governing the implementation of the NCLB Act prohibit this "out of grade-level" testing; and

WHEREAS, the United States Department of Education has recently allowed for the inclusion of an additional 2% of students with disabilities to be assessed with a modified grade-level assessment, but this additional flexibility still prohibits "out of grade-level" testing; and

WHEREAS, the Individuals with Disabilities Education Improvement Act (IDEA), which predates the NCLB Act, contains requirements for assessment that must be included in the student's individualized educational program (IEP), which may not meet the requirements of the NCLB Act for assessment and thus may place the IEP team at odds with the overall NCLB assessment process and may create confusion for parents; and

WHEREAS, certain accommodations written into an IEP, such as reading out loud or paraphrasing, are currently not acceptable for certain assessments under NCLB procedures, thus making the student's performance on the assessment not count for NCLB purposes and denying the student an accommodation that the IEP team has documented as necessary to the child's best chances for a proficient performance; and

WHEREAS, Secretary Margaret Spellings has shown an admirable flexibility in permitting experimentation with alternative approaches to the NCLB Act while keeping the focus on accountability:

NOW, THEREFORE, BE IT RESOLVED by the members of the House of Representatives of the Ninety-fourth General Assembly, First Regular Session, the Senate concurring therein, that the interests of the special needs students of the state would best be served by reviewing the assessment provisions of IDEA and the NCLB Act together to eliminate contradictory objectives, so that accommodations that are appropriate to a student with an IEP do not invalidate the student's assessment results for the purposes of No Child Left Behind assessments; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for Margaret Spellings, Secretary of the United States Department of Education and each member of the Missouri Congressional delegation.

Mr. Speaker: Your Special Committee on Student Achievement, to which was referred **HB 771**, begs leave to report it has examined the same and recommends that the **House Committee Substitute Do Pass**, and pursuant to Rule 25(21)(f) be referred to the Committee on Rules.

Mr. Speaker: Your Special Committee on Student Achievement, to which was referred **HB 827**, begs leave to report it has examined the same and recommends that the **House Committee Substitute Do Pass**, and pursuant to Rule 25(21)(f) be referred to the Committee on Rules.

Special Committee on Tourism, Chairman Marsh reporting:

Mr. Speaker: Your Special Committee on Tourism, to which was referred **HB 910**, begs leave to report it has examined the same and recommends that it **Do Pass by Consent**, and pursuant to Rule 25(21)(f) be referred to the Committee on Rules.

Committee on Transportation, Chairman St. Onge reporting:

Mr. Speaker: Your Committee on Transportation, to which was referred **HB 744**, begs leave to report it has examined the same and recommends that it **Do Pass - Federal Mandate**, and pursuant to Rule 25(21)(f) be referred to the Committee on Rules.

Committee on Ways and Means, Chairman Sutherland reporting:

Mr. Speaker: Your Committee on Ways and Means, to which was referred **HB 364**, begs leave to report it has examined the same and recommends that the **House Committee Substitute Do Pass**, and pursuant to Rule 25(21)(f) be referred to the Committee on Rules.

Committee on Rules, Chairman Cooper (120) reporting:

Mr. Speaker: Your Committee on Rules, to which was referred **HR 433**, begs leave to report it has examined the same and recommends that it **Do Pass**.

HOUSE RESOLUTION NO. 433

WHEREAS, American eighth grade students rank 15th in an international study of math achievement. By the time they graduate high school, they score near the bottom of all industrialized nations; and

WHEREAS, while American students are falling behind, students in countries like China and India are excelling. In just five years, it is estimated that 90% of the world's engineers and scientists will come from Asia; and

WHEREAS, over the past 30 years the math and science scores of American students have remained flat while the scores of students in other industrialized countries have soared; and

WHEREAS, many jobs are leaving the United States, not simply because the workforce is cheaper, but also because countries like China and India have employees better educated in math and science; and

WHEREAS, the United States Department of Labor predicts that over the ten-year period ending in 2008, jobs requiring science, engineering, and technical training will increase by 51%, a rate four times faster than overall job growth. Yet only 5% of the college students in the United States today major in engineering, a trend that has gone down over the past 15 years. By the end of 2008, it is predicted that some 6 million jobs requiring math and science skills will go unfilled simply because American youth won't be qualified to hold them; and

WHEREAS, in 2006, Governor Matt Blunt hosted a math and science summit that brought together leaders from education, business, government, and communities across the state. The purpose was to raise awareness and to recognize the challenges that Missouri will face in the coming years if more students are not fully prepared for careers that require knowledge and skills in mathematics, engineering, technology, and science (the METS fields); and

WHEREAS, at the 2006 summit, Governor Blunt stated his commitment to enhancing Missouri's success in global competition by expanding the METS skills of the State's current and future workforce, increasing public awareness of this critical issue, supporting initiatives that will move Missouri forward, and increasing Missouri's involvement in developing new knowledge and translating it into world-class products and services; and

WHEREAS, Governor Blunt declared October 3, 2006, "Science Day" in Missouri along with a number of mayors throughout the State. Science Day is important because American innovation depends upon a strong foundation in the sciences. Science day aims to bring attention to this problem and encourage action among parents, teachers, and community members:

NOW, THEREFORE, BE IT RESOLVED that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, hereby recognize October 3, 2007, as "Science Day" in Missouri and recommend that it be observed by the citizens of the State of Missouri with appropriate activities in the public schools and otherwise to promote public awareness of the importance of a strong foundation in the sciences.

Mr. Speaker: Your Committee on Rules, to which was referred **HCR 30**, begs leave to report it has examined the same and recommends that it **Do Pass**.

HOUSE CONCURRENT RESOLUTION NO. 30

WHEREAS, there are 45 global or U.S. headquarters and over 120 companies involved in the animal health industry including four of the 10 largest global animal health companies and one of the five largest animal nutrition companies located in Missouri and Kansas; and

WHEREAS, leading veterinary colleges and animal research centers are located in Missouri and Kansas including the University of Missouri College of Veterinary Medicine, the University of Missouri's \$60 million Life Sciences Center and Swine Research Center, the Kansas State University College of Veterinary Medicine, and the Kansas State University's \$54 million Biosecurity Research Institute; and

WHEREAS, Missouri is 7th and Kansas is 2nd in cattle and calf inventory in the United States; and

WHEREAS, there are nationally-recognized publishers within the animal health industry located in Missouri and Kansas; and

WHEREAS, Missouri and Kansas have historical roots in the livestock industry and are home to many prominent national and international associations within the animal health industry; and

WHEREAS, retaining and growing existing animal health companies, attracting new animal health companies, increasing animal health research capacity, and developing commercialization infrastructure will create quality jobs and wealth for the states of Missouri and Kansas:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri House of Representatives, Ninety-Fourth General Assembly, First Regular Session, the Senate concurring therein, hereby recognize the region from Manhattan, Kansas, to Columbia, Missouri, including the metropolitan Kansas City area and St. Joseph, Missouri, as the "KC Animal Health Corridor"; and

BE IT FURTHER RESOLVED that the Missouri General Assembly recognizes the KC Animal Health Corridor as the national center of the animal health industry based on the unmatched concentration of animal health and nutrition businesses, and educational, and research assets; and

BE IT FURTHER RESOLVED that the Missouri General Assembly resolves to establish a favorable business environment and support animal health research to foster the continued growth of the animal health industry for the benefit of the economy, universities, businesses, and young people hoping to pursue an animal health career in the KC Animal Health Corridor; and

BE IT FURTHER RESOLVED that the chief clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the Governors of Missouri and Kansas.

Mr. Speaker: Your Committee on Rules, to which was referred **HB 125**, begs leave to report it has examined the same and recommends that it **Do Pass**.

Mr. Speaker: Your Committee on Rules, to which was referred **HCS HB 131**, begs leave to report it has examined the same and recommends that it **Do Pass**.

Mr. Speaker: Your Committee on Rules, to which was referred **HB 155**, begs leave to report it has examined the same and recommends that it **Do Pass**.

Mr. Speaker: Your Committee on Rules, to which was referred **HB 166**, begs leave to report it has examined the same and recommends that it **Do Pass**.

Mr. Speaker: Your Committee on Rules, to which was referred **HCS HB 215**, begs leave to report it has examined the same and recommends that it **Be Returned to Committee of Origin**.
