(1) **"Disabled"**, the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months;

(2) **"Homestead"**, the dwelling in Missouri owned for twenty or more years by the taxpayer and not to exceed five acres of land surrounding it as is reasonably necessary for use of the dwelling as a home. It may consist of part of a multidwelling or multipurpose building and part of the land upon which it is built. **"Owned"** includes a vendee in possession under a land contract and one or more tenants by the entireties, joint tenants, or tenants in common and includes a taxpayer actually in possession if the taxpayer was the immediate former owner of record, if a lineal descendant is presently the owner of record, and if the taxpayer actually pays all taxes upon the property. It may include a mobile home;

(3) **"Income"**, Missouri adjusted gross income as defined in section 143.121, RSMo, and increased, where necessary, to reflect the following:

(a) **Social Security, railroad retirement, and veterans payments and benefits;**

(b) **The total amount of all other public and private pensions and annuities;**

(c) **Public relief, public assistance, and unemployment benefits received in cash, other than benefits received under this chapter;**

- (d) No deduction being allowed for losses not incurred in a trade or business;
- (e) Interest on the obligations of the United States, any state, or any of their subdivisions and instrumentalities;
- (4) "Property taxes accrued", property taxes paid, exclusive of special assessments, penalties, interest, and charges for service levied on a taxpayer's homestead in any calendar year. Property taxes shall qualify for the tax credit only if actually paid before the date a return is filed. The director of revenue shall require a tax receipt or other proof of property tax payment. If a homestead is owned only partially by a taxpayer, then "property taxes accrued" is that part of property taxes levied on the homestead which was actually paid by the taxpayer. For purposes of this subdivision, property taxes are "levied" when the tax roll is delivered to the director of revenue for collection. If a homestead is an integral part of a larger unit such as a farm, or multipurpose or multidwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For purposes of this subdivision "unit" refers to the parcel of property covered by a single tax statement of which the homestead is a part;
- (5) "Tax credit", a credit against the tax otherwise due under chapter 143, RSMo, excluding withholding tax imposed by sections 143.191 to 143.265, RSMo;
- (6) "Taxpayer", a Missouri resident or the resident's spouse who:
 - (a) Has been a resident of Missouri for twenty years, and has lived in their homestead for at least twenty years. The residency requirement shall be deemed to have been fulfilled for the purpose of determining the eligibility of a taxpayer or spouse who would have otherwise met the requirements for a tax credit but who dies before the last day of the calendar year;
 - (b) Has paid more than ten percent of the taxpayer's total household income in real property tax on the taxpayer's homestead; and
 - (c) Meets any one of the following requirements:
 - a. Has attained the age of sixty-five on or before the last day of the calendar year;
 - b. Is a veteran of any branch of the armed forces of the United States or this state who became one hundred percent disabled as a result of such service; or
 - c. Is disabled, and provides proof of such disability in such form and manner, and at such times, as the director of revenue may require.

If the taxpayers are eligible to file a joint federal income tax return and reside at the same address at any time during the taxable year, then the credit shall only be allowed if claimed on a combined Missouri income tax return reporting their combined incomes and property taxes.

2. For all taxable years beginning on or after January 1, 2008, a taxpayer shall be allowed a tax credit for property taxes accrued in the taxable year for which an income tax return is filed. The tax credit amount shall be equal to fifty percent of the property taxes accrued. The tax credit shall be applied against the taxpayer's income tax liability after all other credits provided by law have been applied.
