

House Resolution No. 231

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State businesses that have proven down through the years to be exemplary components of local, thriving economies throughout the state; and

Whereas, Nanova, Incorporated, of Columbia in collaboration with the University of Missouri is developing a dental technology that will help minimize patient anxiety toward dental procedures; and

Whereas, Nanova in collaboration with the University of Missouri will incorporate plasma to trigger a low-temperature chemical reaction that eliminates thermal damage and waste from traditional fillings; and

Whereas, Nanova in collaboration with the University of Missouri will develop a device that has the capability to help treat tooth disease, one of the most chronic health problems in children; and

Whereas, thanks in considerable measure to the Missouri Small Business Development Centers program, Nanova has successfully navigated the federal government grant application process; and

Whereas, Nanova will be recognized as a highly esteemed entrepreneurial representative at the 2008 Client Showcase sponsored by the Missouri Small Business Development Centers and the Missouri Procurement Technical Assistance Centers on Wednesday, January 30, 2008, in the state capitol rotunda in Jefferson City:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the significant history of accomplishments garnered by Nanova since its inception and to convey to it this legislative body's most heartfelt congratulations upon the company's special recognition by the Missouri Small Business Development Centers; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Nanova, Incorporated, of Columbia, Missouri.
