

House Resolution No. 2382

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens, particularly its service organizations; and

Whereas, the members now pause to recognize Lions Clubs of Missouri, which are holding their 86th state-wide convention in Jefferson City, Missouri, this year; and

Whereas, attending this year's convention will be Clement Kusiak, of Linthicum, Maryland, a past president of Lion's International; and

Whereas, Lions are an international network of 1.3 million men and women in 202 countries and geographic areas who work together to answer the needs that challenge communities around the world; and

Whereas, known for working to end preventable blindness, Lions participate in a vast variety of projects important to their communities, and these projects range from cleaning up local parks to providing supplies to victims of natural disasters; and

Whereas, beginning in 1917, the association of Lions Clubs has provided millions of people with the opportunity to give something back to their communities; and

Whereas, the Lions motto, "we serve", guides Lions and Lions Clubs everywhere:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our most sincere best wishes to Lions Clubs of Missouri on the occasion of their convention; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Lions Clubs of Missouri.
