

House Resolution No. 2431

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State educational institutions that admirably provide today's students with the knowledge, skills, and experiences necessary to become lifelong learners, involved citizens, and future societal leaders; and

Whereas, Stanberry High School has attained considerable distinction in the Stanberry R-II School District of Gentry County, which educates more than three hundred sixty students through the expertise of approximately forty-five certificated staff; and

Whereas, Stanberry High School will enhance its already impressive record of achievement when it is publically lauded by the Missouri Department of Elementary and Secondary Education at the Gold Star Schools reception on Tuesday, May 6, 2008, in Jefferson City; and

Whereas, one of fifteen Gold Star Schools selected for the 2007-2008 school year, Stanberry High School has developed and maintained an exceptional record of exemplary performance and achievement under the leadership of Principal Greg Dias; and

Whereas, established in 1991 by the Missouri Department of Elementary and Secondary Education, the Gold Star Schools program utilizes the same criteria as the No Child Left Behind--Blue Ribbon program; and

Whereas, Gold Star Schools are selected on the basis of their "high level" achievement or "significant improvement" results on the MAP communication arts and mathematics exams for each of the past three years, for their meeting federal Adequate Yearly Progress requirements, and for their using research-based strategies and practices to improve student achievement:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the well-deserved selection of Stanberry High School as a Gold Star School by the Missouri Department of Elementary and Secondary Education and to convey to all of those involved this legislative body's most heartfelt best wishes for continued personal and professional success for many more years to come; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Stanberry High School in the Stanberry R-II School District.
