

House Resolution No. 2891

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens; and

Whereas, the members are pleased and proud to pause to recognize Gary and Donna Hall, of Joplin, Missouri, for their extraordinary altruism; and

Whereas, the Freeman Health System has received their single largest philanthropic gift to date due to the benevolence of Gary and Donna Hall; and

Whereas, usually shy of taking credit for their many magnanimous acts that benefit their community, Gary and Donna Hall have given permission to Freeman Health Center to name a new tower after the benefactors, the Gary and Donna Hall Tower; and

Whereas, Gary and Donna Hall are business owners and investors and pillars of the Joplin community; and

Whereas, Gary and Donna Hall are also noted contributors to the Joplin Humane Society, the Children's Center of Southwest Missouri, Turnaround Ranch, and the Ozark Center for Autism; and

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our most sincere gratitude to Gary and Donna Hall for their seemingly limitless generosity to their community and to their state; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Gary and Donna Hall, as a measure of our esteem and respect.
