

## House Resolution No. 3099

**Whereas**, Missouri Department of Transportation maintenance crews are made up of talented and dedicated men and women whose goal is to serve Missourians by making sure motorists get where they're going safely; and

**Whereas**, when winter weather and storms hit Missouri, MoDOT's more than 2,800 maintenance workers and 1,800 vehicles are ready to respond to snow removal duties on the Department's 32,000-mile highway system; and

**Whereas**, Mother Nature's demand on MoDOT snowballed this winter, with the Department spending more than \$46 million to remove snow and ice; and

**Whereas**, the approximately 400 workers on maintenance crews in MoDOT's Southeast District put in approximately 41,000 working hours and used 180 trucks; 90,000 gallons of fuel; 19,371 tons of salt; and 940,829 gallons of salt brine and other deicing materials to keep approximately 8,994 miles of Missouri roads clear this past winter; and

**Whereas**, MoDOT Southeast District maintenance crews did a tremendous job of clearing the roadways as quickly as possible whenever Missouri was hit with a snow or ice storm; and

**Whereas**, clearing roadways is dangerous work and often requires Southeast District crews to work around the clock; and

**Whereas**, MoDOT maintenance crews sacrifice time spent with loved ones on weekends and holidays; and

**Whereas**, MoDOT Southeast District maintenance crews barely had a break from the winter snow and ice before they were again called into action to contribute 18,000 hours of work during the recent flooding:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to commend the Missouri Department of Transportation Southeast District maintenance crews for outstanding service to the state of Missouri; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Missouri Department of Transportation Southeast District maintenance crews.

Offered by \_\_\_\_\_  
Representative Tom Todd  
District No. 163

I, Rod Jetton, Speaker of the House of Representatives,  
Ninety-fourth General Assembly, Second Regular Session,  
do certify that the above is a true and correct copy of House  
Resolution No. 3099, adopted May 15, 2008.
