

House Resolution No. 3357

Whereas, the members of the Missouri House of Representatives hold in high esteem Show-Me State businesses that admirably broaden and deepen the economic foundations of local communities and neighborhoods by providing employment opportunities to those individuals who often are found on the outskirts of society; and

Whereas, Gateway Industries of Eldon, Missouri, will hold a reception on June 19, 2008, in light of its ten years of service to the city of Eldon, its citizens, and its environs; and

Whereas, Gateway Industries of Eldon has assisted mentally and physically disabled individuals in finding meaningful employment through the dedication and devotion of dozens of community and family volunteers, a conscientious Board of Directors, and a committed staff; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse daily activities in order to acknowledge milestone events in the histories of such outstanding Missouri businesses as Gateway Industries of Eldon:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the history, goals, and accomplishments associated with Gateway Industries of Eldon and to convey to all of those involved this legislative body's most heartfelt best wishes as they celebrate the Tenth Anniversary of the establishment of their extended employment workshop for the mentally and physically handicapped; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Gateway Industries of Eldon, Missouri.
