

JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

FORTY-EIGHTH DAY, MONDAY, APRIL 7, 2008

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, who is like You in all the earth: Glorious in holiness, awesome in splendor, performing great wonders?

These words are eternally recorded, "Give instruction to a wise man, and he will be still wiser; teach a righteous man, and he will increase in learning."

We acknowledge that wisdom is worth much more than precious jewels or anything else we could possibly desire. So we ask of You, this week, wisdom without boundaries, knowledge without interruption and understanding beyond normal scholarship.

And now, may You show us the incomparable riches of Your grace, that we might know that we are Your workmanship to do good works which You have prepared in advance for us to do.

We ask these things in the name of Your Son. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Nathan Bowen.

The Journal of the forty-seventh day was approved as corrected.

PERFECTION OF HOUSE BILL

HB 1716, relating to the Federal Real ID Act of 2005, was taken up by Representative Guest.

Representative Bringer offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 1716, Section A, Page 1, Line 2, by inserting after all of said section the following:

"302.171. 1. Beginning July 1, 2005, the director shall verify that an applicant for a driver's license is lawfully present in the United States before accepting the application. The director shall not issue a driver's license for a period that exceeds an applicant's lawful presence in the United States. The director may establish procedures to verify the lawful presence of the applicant and establish the duration of any driver's license issued under this section. An application for a license shall be made upon an approved form furnished by the director. Every application shall state the full name, Social Security number, age, height, weight, color of eyes, sex, residence, mailing address of the applicant, and the classification for which the applicant has been licensed, and, if so, when and by what state, and whether or not such license has ever been suspended, revoked, or disqualified, and, if revoked, suspended or disqualified, the date and reason for such suspension, revocation or disqualification and whether the applicant is making a one dollar donation to promote an organ donation program as prescribed in subsection 2 of this section. A driver's license, nondriver's license, or instruction permit issued under this chapter shall contain the applicant's legal name as it appears on a birth certificate or as legally changed through marriage or court order. No name change by common usage based on common law shall be permitted. The application shall also contain such information as the director may require to enable the director to determine the applicant's qualification for driving a motor vehicle; and shall state whether or not the applicant has been convicted in this or any other state for violating the laws of this or any other state or any ordinance of any municipality, relating to driving without a license, careless driving, or driving while intoxicated, or failing to stop after an accident and disclosing the applicant's identity, or driving a motor vehicle without the owner's consent. The application shall contain a certification by the applicant as to the truth of the facts stated therein. Every person who applies for a license to operate a motor vehicle who is less than twenty-one years of age shall be provided with educational materials relating to the hazards of driving while intoxicated, including information on penalties imposed by law for violation of the

intoxication-related offenses of the state. Beginning January 1, 2001, if the applicant is less than eighteen years of age, the applicant must comply with all requirements for the issuance of an intermediate driver's license pursuant to section 302.178. For persons mobilized and deployed with the United States Armed Forces, an application under this subsection shall be considered satisfactory by the department of revenue if it is signed by a person who holds general power of attorney executed by the person deployed, provided the applicant meets all other requirements set by the director.

2. An applicant for a license may make a donation of one dollar to promote an organ donor program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the organ donor program fund established in sections 194.297 to 194.304, RSMo. Moneys in the organ donor program fund shall be used solely for the purposes established in sections 194.297 to 194.304, RSMo, except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant for the license at the time of issuance or renewal of the license. The director shall make available an informational booklet or other informational sources on the importance of organ donations to applicants for licensure as designed by the organ donation advisory committee established in sections 194.297 to 194.304, RSMo. The director shall inquire of each applicant at the time the licensee presents the completed application to the director whether the applicant is interested in making the one dollar donation prescribed in this subsection and whether the applicant is interested in inclusion in the organ donor registry and shall also specifically inform the licensee of the ability to consent to organ donation by completing the form on the reverse of the license that the applicant will receive in the manner prescribed by subsection 6 of section 194.240, RSMo. The director shall notify the department of health and senior services of information obtained from applicants who indicate to the director that they are interested in registry participation, and the department of health and senior services shall enter the complete name, address, date of birth, race, gender and a unique personal identifier in the registry established in subsection 1 of section 194.304, RSMo.

3. An applicant for a license may make a donation of one dollar to promote a blindness education, screening and treatment program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the blindness education, screening and treatment program fund established in section 192.935, RSMo. Moneys in the blindness education, screening and treatment program fund shall be used solely for the purposes established in section 192.935, RSMo, except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant for the license at the time of issuance or renewal of the license. The director shall inquire of each applicant at the time the licensee presents the completed application to the director whether the applicant is interested in making the one dollar donation prescribed in this subsection.

4. Beginning July 1, 2005, the director shall deny the driving privilege of any person who commits fraud or deception during the examination process or who makes application for an instruction permit, driver's license, or nondriver's license which contains or is substantiated with false or fraudulent information or documentation, or who knowingly conceals a material fact or otherwise commits a fraud in any such application. The period of denial shall be one year from the effective date of the denial notice sent by the director. The denial shall become effective ten days after the date the denial notice is mailed to the person. The notice shall be mailed to the person at the last known address shown on the person's driving record. The notice shall be deemed received three days after mailing unless returned by the postal authorities. No such individual shall reapply for a driver's examination, instruction permit, driver's license, or nondriver's license until the period of denial is completed. No individual who is denied the driving privilege under this section shall be eligible for a limited driving privilege issued under section 302.309.

5. All appeals of denials under this section shall be made as required by section 302.311.

6. The period of limitation for criminal prosecution under this section shall be extended under subdivision (1) of subsection 3 of section 556.036, RSMo.

7. The director may promulgate rules and regulations necessary to administer and enforce this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536, RSMo.

8. Notwithstanding any provisions of this chapter that requires an applicant to provide proof of lawful presence for renewal of a noncommercial driver's license, noncommercial instruction permit, or nondriver's license, an applicant who is sixty-five years and older and who was previously issued a Missouri noncommercial driver's license, noncommercial instruction permit, or Missouri nondriver's license is exempt from showing proof of lawful presence.

9. **Notwithstanding any provision of this chapter, for the renewal of a noncommercial driver's license, noncommercial instruction permit, or nondriver's license, a photocopy of an applicant's birth certificate along with another form of identification approved by the department of revenue, including, but not limited to, military identification or military discharge papers, shall constitute sufficient proof of lawful presence.**

10. Notwithstanding any other provision of this chapter, if an applicant does not meet the requirements of subsection 8 or 9 of this section and does not have the required documents to prove lawful presence, the department may issue a one-year driver's license renewal. This one-time renewal shall only be issued to an applicant who previously has held a Missouri noncommercial driver's license, noncommercial instruction permit, or nondriver's license for a period of fifteen years or more and who does not have the required documents to prove lawful presence. After the expiration of the one-year period, no further renewal shall be provided without the applicant producing proof of lawful presence."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Funderburk raised a point of order that **House Amendment No. 1** goes beyond the scope of the bill.

Representative Nieves requested a parliamentary ruling.

COMMUNICATION

April 7, 2008

Mr. D. Adam Crumbliss, Chief Clerk
Missouri House of Representatives
State Capitol - Room 306C
Jefferson City, MO 65101

RE: Possible Personal Interest in Legislation

Dear Chief Clerk Crumbliss,

Pursuant to Section 105.461, RSMo, I am hereby filing a written letter of a possible interest in legislation that may be voted on during this legislative session.

As an employee on the administrative side of Lindenwood University, I deal with processing government grants, scholarships, and the majority of student loans for my assigned students from Lindenwood University. One of the main requirements of my job is to make sure that the students receive the best possible grants, scholarships, or student loans they qualify for. Possible legislation regarding grants, scholarships and student loans could impact certain aspects of my employment that could come to the Missouri House of Representatives.

In compliance with Section 105.461, RSMo, would you please publish this letter in the Missouri House of Representatives Journal? If you have any questions, please call my office and I will be more than happy to answer them for you. Thank you for your time and help in this matter.

Respectfully yours,

/s/ Rep. Joe Smith
