

HB 1466 -- PROPERTY TAX STATEMENTS

SPONSOR: Nolte

COMMITTEE ACTION: Voted "do pass by consent" by the Special Committee on Government Affairs by a vote of 8 to 0.

Currently, property tax statements are required to be mailed to all resident taxpayers at least 30 days before the delinquent date. This bill changes the requirement to at least 45 days before the delinquent date.

FISCAL NOTE: No impact on state funds in FY 2009, FY 2010, and FY 2011.

PROponents: Supporters say that people often felt they didn't have enough time to budget for the tax, especially around the Christmas holiday. The bill will give people more time to save up and put aside the needed money.

Testifying for the bill was Representative Nolte.

OPponents: Those who oppose the bill say that it will be counterproductive if the bill doesn't also change the time frames or deadlines for the other county officers involved in the assessment and collection process.

Testifying against the bill was David Erwin, Missouri County Collectors Association.
