This bill authorizes Missouri to enter into the Interstate Compact on Educational Opportunity for Military Children and establishes the Interstate Commission on Educational Opportunity for Military Children. The compact becomes effective upon its adoption by 10 states. Military children include the kindergarten through twelfth-grade children of active duty members of the armed services including the National Guard and the reserve, as well as the children of members who die while on active duty, retire, or are medically discharged, for a period of one year afterward. The compact covers issues including facilitation of enrollment, both in classes and extracurricular activities; placement; graduation; and information-sharing. The commission is made up of one voting member from each participating state. The duties of the commission include dispute resolution between member states, enforcing the rules of the commission, and providing training and other administrative functions. The bill contains provisions for the formation of the commission's executive committee and other aspects such as its budget, liability, and legal status.
