67 8. A redevelopment project approved for downtown revitalization preservation financing
68 shall not thereafter elect to receive tax increment financing under the real property tax increment
69 allocation redevelopment act, sections 99.800 to 99.865, and continue to receive downtown
70 revitalization financing under sections 99.1080 to 99.1092.

71 9. The department of economic development may establish the procedures and standards
72 for the determination and approval of applications by the promulgation of rules and publish
73 forms to implement the provisions of this section and section 99.1092.

74 10. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that
75 is created under the authority delegated in this section and section 99.1092 shall become
76 effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo,
77 and, if applicable, section 536.028, RSMo. This section, section 99.1092, and chapter 536,
78 RSMo, are nonseverable and if any of the powers vested with the general assembly under chapter
79 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are
80 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed
81 or adopted after August 28, 2005, shall be invalid and void.

2 revenue-producing enterprise **other than headquarters as defined in subsection 10 of section**
3 **135.110** shall receive the incentives set forth in sections 135.100 to 135.150 for facilities
4 commencing operations on or after January 1, 2005. **No headquarters shall receive the**

5 **incentives set forth in subsections 9 to 14 of section 135.110 for facilities commencing or**
6 **expanding operations on or after January 1, 2020.**

7 **2. Notwithstanding subsection 9 of section 135.110 to the contrary, expansions at**
8 **headquarters facilities shall each be considered a separate new business facility and each**
9 **be entitled to the credits as set forth in subsections 9 to 14 of section 135.110 if the number**
10 **of new business facility employees attributed to each such expansion is at least twenty-five**
11 **and the amount of new business facility investment attributed to each such expansion is at**
12 **least one million dollars. In any year in which a new business facility is not created, the**
13 **jobs and investment for that year shall be included in calculating the credits for the most**
14 **recent new business facility and not an earlier created new business facility.**

15 **3. Notwithstanding any provision of law to the contrary, for headquarters,**
16 **buildings on multiple noncontiguous real properties shall be considered one facility if the**
17 **buildings are located within the same county or within the same municipality.**

135.535. 1. A corporation, limited liability corporation, partnership or sole
2 proprietorship, which moves its operations from outside Missouri or outside a distressed
3 community into a distressed community, or which commences operations in a distressed
4 community on or after January 1, 1999, and in either case has more than seventy-five percent of

11 withheld pursuant to sections 143.191 to 143.265, RSMo, for each of the three years after such
12 move, if approved by the department of economic development, which shall issue a certificate
13 of eligibility if the department determines that the taxpayer is eligible for such credit. The
14 maximum amount of credits per taxpayer set forth in this subsection shall not exceed one
15 hundred twenty-five thousand dollars for each of the three years for which the credit is claimed.
16 The department of economic development, by means of rule or regulation promulgated pursuant
17 to the provisions of chapter 536, RSMo, shall assign appropriate North American Industry
18 Classification System numbers to the companies which are eligible for the tax credits provided
19 for in this section. Such three-year credits shall be awarded only one time to any company which
20 moves its operations from outside of Missouri or outside of a distressed community into a
21 distressed community or to a company which commences operations within a distressed
22 community. A taxpayer shall file an application for certification of the tax credits for the first

23 year in which credits are claimed and for each of the two succeeding taxable years for which
24 credits are claimed.

25 2. Employees of such facilities physically working and earning wages for that work
26 within a distressed community whose employers have been approved for tax credits pursuant to
27 subsection 1 of this section by the department of economic development for whom payroll taxes
28 are paid shall also be eligible to receive a tax credit against individual income tax, imposed
29 pursuant to chapter 143, RSMo, equal to one and one-half percent of their gross salary paid at
30 such facility earned for each of the three years that the facility receives the tax credit provided
31 by this section, so long as they were qualified employees of such entity. The employer shall
32 calculate the amount of such credit and shall report the amount to the employee and the
33 department of revenue.

34 3. A tax credit against income taxes owed pursuant to chapter 143, 147 or 148, RSMo,
35 other than the taxes withheld pursuant to sections 143.191 to 143.265, RSMo, in lieu of the
36 credit against income taxes as provided in subsection 1 of this section, may be taken by such an
37 entity in a distressed community in an amount of forty percent of the amount of funds expended
38 for computer equipment and its maintenance, medical laboratories and equipment, research
39 laboratory equipment, manufacturing equipment, fiber optic equipment, high speed
40 telecommunications, wiring or software development expense up to a maximum of seventy-five
41 thousand dollars in tax credits for such equipment or expense per year per entity and for each of
42 three years after commencement in or moving operations into a distressed community.

43 4. A corporation, partnership or sole partnership, which has no more than one hundred
44 employees for whom payroll taxes are paid, which is already located in a distressed community
45 and which expends funds for such equipment pursuant to subsection 3 of this section in an
46 amount exceeding its average of the prior two years for such equipment, shall be eligible to
47 receive a tax credit against income taxes owed pursuant to chapters 143, 147 and 148, RSMo,
48 in an amount equal to the lesser of seventy-five thousand dollars or twenty-five percent of the
49 funds expended for such additional equipment per such entity. Tax credits allowed pursuant to

51 years and carried forward to any of the **next** five tax years.

52 5. An existing corporation, partnership or sole proprietorship that is located within a
53 distressed community and that relocates employees from another facility outside of the distressed
54 community to its facility within the distressed community, and an existing business located
55 within a distressed community that hires new employees for that facility may both be eligible for
56 the tax credits allowed by subsections 1 and 3 of this section. To be eligible for such tax credits,
57 such a business, during one of its tax years, shall employ within a distressed community at least
58 twice as many employees as were employed at the beginning of that tax year. A business hiring

59 employees shall have no more than one hundred employees before the addition of the new
60 employees. This subsection shall only apply to a business which is a manufacturing, biomedical,
61 medical devices, scientific research, animal research, computer software design or development,
62 computer programming or telecommunications business, or a professional firm.

63 6. Tax credits shall be approved for applicants meeting the requirements of this section
64 in the order that such applications are received. Certificates of tax credits issued in accordance
65 with this section may be transferred, sold or assigned by notarized endorsement which names the
66 transferee.

67 7. The tax credits allowed pursuant to subsections 1, 2, 3, 4 and 5 of this section shall
68 be for an amount of no more than ten million dollars for each year beginning in 1999. To the
69 extent there are available tax credits remaining under the ten million dollar cap provided in this
70 section, [up to one hundred thousand dollars in the] **such** remaining credits shall first be used for
71 tax credits authorized under section 135.562. The total maximum credit for all entities already
72 located in distressed communities and claiming credits pursuant to subsection 4 of this section
73 shall be seven hundred and fifty thousand dollars. The department of economic development in
74 approving taxpayers for the credit as provided for in subsection 6 of this section shall use
75 information provided by the department of revenue regarding taxes paid in the previous year, or
76 projected taxes for those entities newly established in the state, as the method of determining
77 when this maximum will be reached and shall maintain a record of the order of approval. Any
78 tax credit not used in the period for which the credit was approved may be carried over until the
79 full credit has been allowed.

80 8. A Missouri employer relocating into a distressed community and having employees
81 covered by a collective bargaining agreement at the facility from which it is relocating shall not
82 be eligible for the credits in subsection 1, 3, 4 or 5 of this section, and its employees shall not be
83 eligible for the credit in subsection 2 of this section if the relocation violates or terminates a
84 collective bargaining agreement covering employees at the facility, unless the affected collective
85 bargaining unit concurs with the move.

86 9. Notwithstanding any provision of law to the contrary, no taxpayer shall earn the tax
87 credits allowed in this section and the tax credits otherwise allowed in section 135.110, or the
88 tax credits, exemptions, and refund otherwise allowed in sections 135.200, 135.220, 135.225 and
89 135.245, respectively, for the same business for the same tax period.

4 **after January 1, 2009;**

5 (2) "Tax credit", a credit against the tax otherwise due under chapter 143, RSMo,
6 excluding withholding tax imposed by sections 143.191 to 143.265, RSMo, or otherwise due

11 2. For all taxable years beginning on or after January 1, 2009, a taxpayer shall be
12 allowed a tax credit for the purchase of a qualifying motor vehicle. The tax credit amount
13 shall be equal to the amount of state sales tax paid on such qualifying motor vehicle. If the
14 amount of the tax credit issued exceeds the amount of the taxpayer's state tax liability for
15 the tax year for which the credit is claimed, the difference shall be refundable. No tax
16 credit granted under this section shall be transferred, sold, or assigned.

17 3. This section shall not be construed to prohibit the levy of any local sales tax, as
18 defined in section 32.085, RSMo, on any sales of new motor vehicles assembled and sold
19 in the state on or after January 1, 2009. In the event that any political subdivision has
20 enacted a local sales tax on such sales, the political subdivision may, by order or ordinance,
21 exempt such sales from the local sales tax law.

22 4. The department of revenue may promulgate rules to implement the provisions
23 of this section. Any rule or portion of a rule, as that term is defined in section 536.010,
24 RSMo, that is created under the authority delegated in this section shall become effective
25 only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and,
26 if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are
27 nonseverable and if any of the powers vested with the general assembly pursuant to
28 chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule

30 rule proposed or adopted after August 28, 2009, shall be invalid and void.

31 5. Under section 23.253, RSMo, of the Missouri Sunset Act:

32 (1) The provisions of the new program authorized under this section shall
33 automatically sunset on December thirty-first six years after the effective date of this
34 section unless reauthorized by an act of the general assembly; and

35 (2) If such program is reauthorized, the program authorized under this section
36 shall automatically sunset on December thirty-first twelve years after the effective date of
37 the reauthorization of this section; and

38 (3) This section shall terminate on September first of the calendar year immediately
39 following the calendar year in which the program authorized under this section is sunset.

135.562. 1. If any taxpayer with a federal adjusted gross income of thirty thousand
2 dollars or less incurs costs for the purpose of making all or any portion of such taxpayer's
3 principal dwelling accessible to [an individual with a disability] **a disabled individual or a**
4 **senior** who permanently resides with the taxpayer, such taxpayer shall receive a tax credit
5 against such taxpayer's Missouri income tax liability in an amount equal to the lesser of one

14 **to ambulate or walk as follows:**
15 (a) **The person is unable to ambulate or walk less than fifty feet without stopping**
16 **to rest due to a severe and disabling arthritic, neurological, orthopedic, or other severe and**
17 **disabling condition; or**

19 **a brace, cane, crutch, prosthetic device, wheelchair, other assistive device, or another**
20 **person.**

21 2. Any taxpayer with a federal adjusted gross income greater than thirty thousand dollars
22 but less than sixty thousand dollars who incurs costs for the purpose of making all or any portion
23 of such taxpayer's principal dwelling accessible to [an individual with a disability] **a disabled**
24 **individual or senior** who permanently resides with the taxpayer shall receive a tax credit against
25 such taxpayer's Missouri income tax liability in an amount equal to the lesser of fifty percent of
26 such costs or two thousand five hundred dollars per taxpayer per tax year. No taxpayer shall be
27 eligible to receive tax credits under this section in any tax year immediately following a tax year
28 in which such taxpayer received tax credits under the provisions of this section.

29 3. Tax credits issued pursuant to this section may be refundable in an amount not to
30 exceed two thousand five hundred dollars per tax year.

31 4. Eligible costs for which the credit may be claimed include:

42 **for the purpose of accommodating the senior or disabled person.**

43 5. The tax credits allowed, including the maximum amount that may be claimed,
44 pursuant to this section shall be reduced by an amount sufficient to offset any amount of such
45 costs a taxpayer has already deducted from such taxpayer's federal adjusted gross income or to
46 the extent such taxpayer has applied any other state or federal income tax credit to such costs.
47

48 6. A taxpayer shall claim a credit allowed by this section in the same taxable year as the
49 credit is issued, and at the time such taxpayer files his or her Missouri income tax return;
50 provided that such return is timely filed.

51 7. The department may, in consultation with the department of social services,
52 promulgate such rules or regulations as are necessary to administer the provisions of this section.
53 Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created
54 under the authority delegated in this section shall become effective only if it complies with and
55 is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028,
56 RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested
57 with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date
58 or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of
59 rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid
60 and void.

61 8. The provisions of this section shall apply to all tax years beginning on or after January

64 10. In no event shall the aggregate amount of all tax credits allowed pursuant to this
65 section exceed [one hundred thousand dollars] **the amount of tax credits remaining unused**
66 **under the program authorized under section 135.535** in any given fiscal year. The tax credits
67 issued pursuant to this section shall be on a first-come, first-served filing basis.

3 (a) The amount paid to the issuer of a qualified equity investment for such qualified
4 equity investment; and

5 (b) The following fraction:

- 9 b. The denominator shall be the total dollar amount of qualified low-income community
10 investments held by the issuer in all states as of the credit allowance date during the applicable
11 tax year;

15 capital returned to or recovered by the issuer from the original investment, exclusive of any
16 profits realized, in another qualified low-income community investment within twelve months
17 of the receipt of such capital. An issuer shall not be required to reinvest capital returned from

32 interest features related to the profitability of the qualified community development entity or the
33 performance of the qualified community development entity's investment portfolio. The
34 foregoing shall in no way limit the holder's ability to accelerate payments on the debt instrument

36 section or Section 45D of the Internal Revenue Code of 1986, as amended;

59 hands of a prior holder;

60 (8) "Qualified low-income community investment", any capital or equity investment in,
61 or loan to, any qualified active low-income community business. With respect to any one
62 qualified active low-income community business, the maximum amount of qualified low-income
63 community investments made in such business, on a collective basis with all of its affiliates, that
64 may be used from the calculation of any numerator described in subparagraph a. of paragraph
65 (b) of subdivision (1) of this subsection shall be ten million dollars whether issued to one or
66 several qualified community development entities;

67 (9) "Tax credit", a credit against the tax otherwise due under chapter 143, RSMo,
68 excluding withholding tax imposed in sections 143.191 to 143.265, RSMo, or otherwise due
69 under section 375.916, RSMo, or chapter 147, 148, or 153, RSMo;

70 (10) "Taxpayer", any individual or entity subject to the tax imposed in chapter 143,

72 imposed in section 375.916, RSMo, or chapter 147, 148, or 153, RSMo.

73 2. A taxpayer that makes a qualified equity investment earns a vested right to tax credits
74 under this section. On each credit allowance date of such qualified equity investment the
75 taxpayer, or subsequent holder of the qualified equity investment, shall be entitled to a tax credit
76 during the taxable year including such credit allowance date. The tax credit amount shall be
77 equal to the applicable percentage of the adjusted purchase price paid to the issuer of such

78 qualified equity investment. The amount of the tax credit claimed shall not exceed the amount
79 of the taxpayer's state tax liability for the tax year for which the tax credit is claimed. No tax
80 credit claimed under this section shall be refundable or transferable. Tax credits earned by a
81 partnership, limited liability company, S-corporation, or other pass-through entity may be
82 allocated to the partners, members, or shareholders of such entity for their direct use in
83 accordance with the provisions of any agreement among such partners, members, or
84 shareholders. Any amount of tax credit that the taxpayer is prohibited by this section from
85 claiming in a taxable year may be carried forward to any of the taxpayer's five subsequent taxable
86 years. The department of economic development shall limit the monetary amount of qualified
87 equity investments permitted under this section to a level necessary to limit tax credit utilization
88 at no more than [fifteen] **twenty-seven million five hundred thousand** dollars of tax credits in
89 any fiscal year. Such limitation on qualified equity investments shall be based on the anticipated
90 utilization of credits without regard to the potential for taxpayers to carry forward tax credits to
91 later tax years.

92 3. The issuer of the qualified equity investment shall certify to the department of
93 economic development the anticipated dollar amount of such investments to be made in this state
94 during the first twelve-month period following the initial credit allowance date. If on the second
95 credit allowance date, the actual dollar amount of such investments is different than the amount
96 estimated, the department of economic development shall adjust the credits arising on the second
97 allowance date to account for such difference.

98 4. The department of economic development shall recapture the tax credit allowed under
99 this section with respect to such qualified equity investment under this section if:

100 (1) Any amount of the federal tax credit available with respect to a qualified equity
101 investment that is eligible for a tax credit under this section is recaptured under Section 45D of
102 the Internal Revenue Code of 1986, as amended; or

103 (2) The issuer redeems or makes principal repayment with respect to a qualified equity
104 investment prior to the seventh anniversary of the issuance of such qualified equity investment.
105 Any tax credit that is subject to recapture shall be recaptured from the taxpayer that claimed the
106 tax credit on a return.

107 5. The department of economic development shall promulgate rules to implement the
108 provisions of this section, including recapture provisions on a scaled proportional basis, and to
109 administer the allocation of tax credits issued for qualified equity investments, which shall be
110 conducted on a first-come, first-serve basis. Any rule or portion of a rule, as that term is defined
111 in section 536.010, RSMo, that is created under the authority delegated in this section shall
112 become effective only if it complies with and is subject to all of the provisions of chapter 536,
113 RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are

114 nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536,
115 RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently
116 held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted
117 after September 4, 2007, shall be invalid and void.

118 6. For fiscal years following fiscal year [2010] **2012**, qualified equity investments shall
119 not be made under this section unless reauthorization is made pursuant to this subsection. For
120 all fiscal years following fiscal year [2010] **2012**, unless the general assembly adopts a
121 concurrent resolution granting authority to the department of economic development to approve
122 qualified equity investments for the Missouri new markets development program and clearly
123 describing the amount of tax credits available for the next fiscal year, or otherwise complies with
124 the provisions of this subsection, no qualified equity investments may be permitted to be made
125 under this section. The amount of available tax credits contained in such a resolution shall not
126 exceed the limitation provided under subsection 2 of this section. In any year in which the
127 provisions of this section shall sunset pursuant to subsection 7 of this section, reauthorization
128 shall be made by general law and not by concurrent resolution. Nothing in this subsection shall
129 preclude a taxpayer who makes a qualified equity investment prior to the expiration of authority
130 to make qualified equity investments from claiming tax credits relating to such qualified equity
131 investment for each applicable credit allowance date.

132 7. Under section 23.253, RSMo, of the Missouri sunset act:

133 (1) The provisions of the new program authorized under this section shall automatically
134 sunset six years after September 4, 2007, unless reauthorized by an act of the general assembly;
135 and

136 (2) If such program is reauthorized, the program authorized under this section shall
137 automatically sunset twelve years after the effective date of the reauthorization of this section;
138 and

139 (3) This section shall terminate on September first of the calendar year immediately
140 following the calendar year in which the program authorized under this section is sunset.
141 However, nothing in this subsection shall preclude a taxpayer who makes a qualified equity
142 investment prior to sunset of this section under the provisions of section 23.253, RSMo, from
143 claiming tax credits relating to such qualified equity investment for each credit allowance date.

66 occurred.

67 5. Notwithstanding any provision of law to the contrary, any taxpayer may sell, assign,
68 exchange, convey or otherwise transfer tax credits allowed in subsection 2 of this section. The
69 taxpayer acquiring the tax credits may use the acquired credits to offset the tax liabilities

71 143.191 to 143.265, RSMo, or chapter 148, RSMo. Unused acquired credits may be carried
72 forward for up to five tax periods, provided all such credits shall be claimed within ten tax
73 periods following the tax period in which the film production or production-related activities for
74 which the credits are certified by the department occurred.

75 6. Under section 23.253, RSMo, of the Missouri sunset act:

101 charitable organization which is exempt from federal income tax and whose Missouri unrelated
102 business taxable income, if any, would be subject to the state income tax imposed under chapter

113 years. The aggregate of all tax credits authorized under this section shall not exceed [five
114 hundred thousand] **one million** dollars in any taxable year.

116 sell, assign, exchange, convey or otherwise transfer tax credits allowed in subsection 11 of this
117 section under the terms and conditions prescribed in subdivisions (1) and (2) of this subsection.
118 Such taxpayer, hereinafter the assignor for the purpose of this subsection, may sell, assign,

130 information as may be required by the department of economic development to administer and
131 carry out the provisions of this section. The director of the department of economic development
132 shall prescribe the method for submitting applications for claiming the tax credit allowed under

620.1039. 1. As used in this section, the term "taxpayer" means an individual, a
2 partnership, or any charitable organization which is exempt from federal income tax and whose

15 withheld pursuant to sections 143.191 to 143.265, RSMo, in an amount up to six and one-half
16 percent of the excess of the taxpayer's qualified research expenses, as certified by the director
17 of the department of economic development, within this state during the taxable year over the
18 average of the taxpayer's qualified research expenses within this state over the immediately
19 preceding three taxable years; except that, no tax credit shall be allowed on that portion of the
20 taxpayer's qualified research expenses incurred within this state during the taxable year in which
21 the credit is being claimed, to the extent such expenses exceed two hundred percent of the

22 taxpayer's average qualified research expenses incurred during the immediately preceding three
23 taxable years.

24 3. The director of economic development shall prescribe the manner in which the tax
25 credit may be applied for. The tax credit authorized by this section may be claimed by the
26 taxpayer to offset the tax liability imposed by chapter 143, RSMo, or chapter 148, RSMo, that
27 becomes due in the tax year during which such qualified research expenses were incurred.
28 Where the amount of the credit exceeds the tax liability, the difference between the credit and
29 the tax liability may only be carried forward for the next five succeeding taxable years or until
30 the full credit has been claimed, whichever first occurs. The application for tax credits
31 authorized by the director pursuant to subsection 2 of this section shall be made **no earlier than**

36 **of each year for applications filed in that calendar year.**

39 transferee and the amount of tax credit transferred. The director of economic development may
40 allow a taxpayer to transfer, sell or assign up to forty percent of the amount of the certificates of
41 tax credit issued to and not claimed by such taxpayer pursuant to this section during any tax year
42 commencing on or after January 1, [1996] **2010**, and ending not later than December 31, [1999]
43 **2016**. Such taxpayer shall file, by December 31, [2001] **2018**, an application with the
44 department which names the transferee, the amount of tax credit desired to be transferred, and
45 a certification that the funds received by the applicant as a result of the transfer, sale or
46 assignment of the tax credit shall be expended within three years at the state university for the
47 sole purpose of conducting research activities agreed upon by the department, the taxpayer and
48 the state university. Failure to expend such funds in the manner prescribed pursuant to this
49 section shall cause the applicant to be subject to the provisions of section 620.017.

50 5. No rule or portion of a rule promulgated under the authority of this section shall
51 become effective unless it has been promulgated pursuant to the provisions of chapter 536,
52 RSMo. All rulemaking authority delegated prior to June 27, 1997, is of no force and effect and
53 repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of
54 any rule filed or adopted prior to June 27, 1997, if such rule complied with the provisions of
55 chapter 536, RSMo. The provisions of this section and chapter 536, RSMo, are nonseverable
56 and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo,
57 including the ability to review, to delay the effective date, or to disapprove and annul a rule or

58 portion of a rule, are subsequently held unconstitutional, then the purported grant of rulemaking
59 authority and any rule so proposed and contained in the order of rulemaking shall be invalid and
60 void.

61 6. The aggregate of all tax credits authorized pursuant to this section shall not exceed
62 [nine] **ten** million [seven hundred thousand] dollars in any **calendar** year. **In the event that**
63 **total eligible claims for credits received in a calendar year exceed the annual cap, each**
64 **eligible claimant shall be issued credits based upon the following formula: the eligible**
65 **credits if the annual cap had not been exceeded multiplied by the ratio of the annual cap**
66 **divided by the total of all eligible claims for credits filed in that calendar year.**

67 7. [For all tax years beginning on or after January 1, 2005, no tax credits shall be
68 approved, awarded, or issued to any person or entity claiming any tax credit under this section]
69 **No one taxpayer shall be issued more than thirty percent of the aggregate of all tax credits**
70 **authorized under this section in any calendar year.**

12 department shall publish the county average wage for each county at least annually.
13 Notwithstanding the provisions of this subdivision to the contrary, for any qualified company
14 that in conjunction with their project is relocating employees from a Missouri county with a
15 higher county average wage, the company shall obtain the endorsement of the governing body

620.1881. 1. The department of economic development shall respond within thirty days

3 of intent. The department shall give preference to qualified companies and projects targeted at
4 an area of the state which has recently been classified as a disaster area by the federal
5 government. Failure to respond on behalf of the department of economic development shall
6 result in the notice of intent being deemed [an approval] **a disapproval** for the purposes of this
7 section. A qualified company who is provided an approval for a project shall be allowed a
8 benefit as provided in this program in the amount and duration provided in this section. A
9 qualified company may receive additional periods for subsequent new jobs [at the same facility
10 after the full initial period] **in the same county** if the minimum thresholds are met as set forth
11 in sections 620.1875 to 620.1890. There is no limit on the number **of approvals or** of periods
12 a qualified company may participate in the program, as long as the minimum thresholds are
13 achieved and the qualified company provides the department with the required reporting and is
14 in proper compliance for this program or other state programs. A qualified company may elect
15 to file a notice of intent to start a new project period concurrent with an existing project period
16 if the minimum thresholds are achieved and the qualified company provides the department with
17 the required reporting and is in proper compliance for this program and other state programs;
18 however, [the qualified company may not receive any further benefit under the original approval
19 for jobs created after the date of the new notice of intent, and] any jobs created before the new
20 notice of intent may not be included as new jobs for the purpose of benefit calculation in relation
21 to the new approval. **Notwithstanding anything contained herein to the contrary, when a**
22 **company has filed and received approval of a notice of intent and then subsequently files**
23 **another notice of intent, the department shall apply the definition of project facility under**
24 **the current version of subdivision (19) of section 620.1878 on a consistent basis to the new**
25 **notice of intent as well as all previously filed and approved notices of intent and shall**
26 **determine the application of the definitions of new job, new payroll, project facility base**
27 **employment, and project facility base payroll accordingly.**

28 2. Notwithstanding any provision of law to the contrary, any qualified company that is
29 awarded benefits under this program may not simultaneously receive tax credits or exemptions
30 under sections 135.100 to 135.150, sections 135.200 to 135.286, section 135.535, or sections
31 135.900 to 135.906, RSMo, at the same project facility. The benefits available to the company
32 under any other state programs for which the company is eligible and which utilize withholding
33 tax from the new jobs of the company must first be credited to the other state program before the

34 withholding retention level applicable under the Missouri quality jobs act will begin to accrue.
35 These other state programs include, but are not limited to, the new jobs training program under
36 sections 178.892 to 178.896, RSMo, the job retention program under sections 178.760 to
37 178.764, RSMo, the real property tax increment allocation redevelopment act, sections 99.800
38 to 99.865, RSMo, or the Missouri downtown and rural economic stimulus act under sections
39 99.915 to 99.980, RSMo. If any qualified company also participates in the new jobs training
40 program in sections 178.892 to 178.896, RSMo, the company shall retain no withholding tax,
41 but the department shall issue a refundable tax credit for the full amount of benefit allowed under
42 this subdivision. The calendar year annual maximum amount of tax credits which may be issued
43 to a qualifying company that also participates in the new job training program shall be increased
44 by an amount equivalent to the withholding tax retained by that company under the new jobs
45 training program. However, if the combined benefits of the quality jobs program and the new
46 jobs training program exceed the projected state benefit of the project, as determined by the
47 department of economic development through a cost-benefit analysis, the increase in the
48 maximum tax credits shall be limited to the amount that would not cause the combined benefits
49 to exceed the projected state benefit. Any taxpayer who is awarded benefits under this program
50 who knowingly hires individuals who are not allowed to work legally in the United States shall
51 immediately forfeit such benefits and shall repay the state an amount equal to any state tax
52 credits already redeemed and any withholding taxes already retained.

53 3. The types of projects and the amount of benefits to be provided are:

54 (1) Small and expanding business projects: in exchange for the consideration provided
55 by the new tax revenues and other economic stimuli that will be generated by the new jobs
56 created by the program, a qualified company may retain an amount equal to the withholding tax
57 as calculated under subdivision (33) of section 620.1878 from the new jobs that would otherwise
58 be withheld and remitted by the qualified company under the provisions of sections 143.191 to
59 143.265, RSMo, for a period of three years from the date the required number of new jobs were
60 created if the average wage of the new payroll equals or exceeds the county average wage or for
61 a period of five years from the date the required number of new jobs were created if the average
62 wage of the new payroll equals or exceeds one hundred twenty percent of the county average
63 wage;

64 (2) Technology business projects: in exchange for the consideration provided by the new
65 tax revenues and other economic stimuli that will be generated by the new jobs created by the
66 program, a qualified company may retain an amount equal to a maximum of five percent of new
67 payroll for a period of five years from the date the required number of jobs were created from
68 the withholding tax of the new jobs that would otherwise be withheld and remitted by the
69 qualified company under the provisions of sections 143.191 to 143.265, RSMo, if the average

70 wage of the new payroll equals or exceeds the county average wage. An additional one-half
71 percent of new payroll may be added to the five percent maximum if the average wage of the
72 new payroll in any year exceeds one hundred twenty percent of the county average wage in the
73 county in which the project facility is located, plus an additional one-half percent of new payroll
74 may be added if the average wage of the new payroll in any year exceeds one hundred forty
75 percent of the average wage in the county in which the project facility is located. The department
76 shall issue a refundable tax credit for any difference between the amount of benefit allowed
77 under this subdivision and the amount of withholding tax retained by the company, in the event
78 the withholding tax is not sufficient to provide the entire amount of benefit due to the qualified
79 company under this subdivision[. The calendar year annual maximum amount of tax credits that
80 may be issued to any qualified company for a project or combination of projects is five hundred
81 thousand dollars];

82 (3) High impact projects: in exchange for the consideration provided by the new tax
83 revenues and other economic stimuli that will be generated by the new jobs created by the
84 program, a qualified company may retain an amount from the withholding tax of the new jobs
85 that would otherwise be withheld and remitted by the qualified company under the provisions
86 of sections 143.191 to 143.265, RSMo, equal to three percent of new payroll for a period of five
87 years from the date the required number of jobs were created if the average wage of the new
88 payroll equals or exceeds the county average wage of the county in which the project facility is
89 located. The percentage of payroll allowed under this subdivision shall be three and one-half
90 percent of new payroll if the average wage of the new payroll in any year exceeds one hundred
91 twenty percent of the county average wage in the county in which the project facility is located.
92 The percentage of payroll allowed under this subdivision shall be four percent of new payroll if
93 the average wage of the new payroll in any year exceeds one hundred forty percent of the county
94 average wage in the county in which the project facility is located. An additional one percent
95 of new payroll may be added to these percentages if local incentives equal between ten percent
96 and twenty-four percent of the new direct local revenue; an additional two percent of new payroll
97 is added to these percentages if the local incentives equal between twenty-five percent and
98 forty-nine percent of the new direct local revenue; or an additional three percent of payroll is
99 added to these percentages if the local incentives equal fifty percent or more of the new direct
100 local revenue. The department shall issue a refundable tax credit for any difference between the
101 amount of benefit allowed under this subdivision and the amount of withholding tax retained by
102 the company, in the event the withholding tax is not sufficient to provide the entire amount of
103 benefit due to the qualified company under this subdivision[. The calendar year annual
104 maximum amount of tax credits that may be issued to any qualified company for a project or
105 combination of projects is seven hundred fifty thousand dollars. The calendar year annual

106 maximum amount of tax credit that may be issued to any qualified company for a project or
107 combination of projects may be increased up to one million dollars if the number of new jobs
108 will exceed five hundred and if such action is proposed by the department and approved by the
109 quality jobs advisory task force established in section 620.1887; provided, however, until such
110 time as the initial at-large members of the quality jobs advisory task force are appointed, this
111 determination shall be made by the director of the department of economic development. In
112 considering such a request, the task force shall rely on economic modeling and other information
113 supplied by the department when requesting the increased limit on behalf of the project];

114 (4) Job retention projects: a qualified company may receive a tax credit for the retention
115 of jobs in this state, provided [the qualified company and the project meets all of the following
116 conditions:

117 (a)] for each of the twenty-four months preceding the year in which application for the
118 program is made the qualified company must have maintained **the lesser of one percent of the**
119 **average number of total employees in the county in which the project is located during the**
120 **previous twelve months or seven hundred fifty** [at least one thousand] full-time employees
121 at the employer's site [in the state] at which the jobs are based, **the company agrees to maintain**
122 **at least the number of full-time employees at the time of application during the period for**
123 **which benefits are received**, and the average wage of such employees must meet or exceed the
124 county average wage[;] **and the project meets one of the following conditions:**

125 [(b) The qualified company retained at the project facility the level of full-time
126 employees that existed in the taxable year immediately preceding the year in which application
127 for the program is made;

128 (c)] (a) The qualified company is considered to have a significant statewide effect on the
129 economy, and has been determined to represent a substantial risk of relocation from the state by
130 the quality jobs advisory task force established in section 620.1887; provided, however, until
131 such time as the initial at-large members of the quality jobs advisory task force are appointed,
132 this determination shall be made by the director of the department of economic development; **or**

133 [(d)] (b) The qualified company in the project facility will cause to be invested a
134 minimum of seventy million dollars in new investment prior to the end of two years or will cause
135 to be invested a minimum of thirty million dollars in new investment prior to the end of two
136 years and maintain an annual payroll of at least seventy million dollars during each of the years
137 for which a credit is claimed[;] and

138 [(e)] the local taxing entities shall provide local incentives of at least fifty percent of the
139 new direct local revenues created by the project over a ten-year period. The quality jobs advisory
140 task force may recommend to the department of economic development that appropriate
141 penalties be applied to the company for violating the agreement. The amount of the job retention

142 credit granted may be equal to up to fifty percent of the amount of withholding tax generated by
143 the full-time jobs at the project facility for a period of five years. The calendar year annual
144 maximum amount of tax credit that may be issued to any qualified company for a job retention
145 project or combination of job retention projects shall be seven hundred fifty thousand dollars per
146 year, but the maximum amount may be increased up to one million dollars if such action is
147 proposed by the department and approved by the quality jobs advisory task force established in
148 section 620.1887; provided, however, until such time as the initial at-large members of the
149 quality jobs advisory task force are appointed, this determination shall be made by the director
150 of the department of economic development. In considering such a request, the task force shall
151 rely on economic modeling and other information supplied by the department when requesting
152 the increased limit on behalf of the job retention project. In no event shall the total amount of
153 all tax credits issued for the entire job retention program under this subdivision exceed [three]
154 **thirty** million dollars annually. Notwithstanding the above, no tax credits shall be issued for job
155 retention projects approved by the department after August 30, [2013] **2015**;

156 (5) Small business job retention and flood survivor relief: a qualified company may
157 receive a tax credit under sections 620.1875 to 620.1890 for the retention of jobs and flood
158 survivor relief in this state for each job retained over a three-year period, provided that:

159 (a) The qualified company did not receive any state or federal benefits, incentives, or tax
160 relief or abatement in locating its facility in a flood plain;

161 (b) The qualified company and related companies have fewer than one hundred
162 employees at the time application for the program is made;

163 (c) The average wage of the qualified company's and related companies' employees must
164 meet or exceed the county average wage;

165 (d) All of the qualified company's and related companies' facilities are located in this
166 state;

167 (e) The facilities at the primary business site in this state have been directly damaged by
168 floodwater rising above the level of a five hundred year flood at least two years, but fewer than
169 eight years, prior to the time application is made;

170 (f) The qualified company made significant efforts to protect the facilities prior to any
171 impending danger from rising floodwaters;

172 (g) For each year it receives tax credits under sections 620.1875 to 620.1890, the
173 qualified company and related companies retained, at the company's facilities in this state, at
174 least the level of full-time, year-round employees that existed in the taxable year immediately
175 preceding the year in which application for the program is made; and

176 (h) In the years it receives tax credits under sections 620.1875 to 620.1890, the company
177 cumulatively invests at least two million dollars in capital improvements in facilities and

178 equipment located at such facilities that are not located within a five hundred year flood plain
179 as designated by the Federal Emergency Management Agency, and amended from time to time.
180 The amount of the small business job retention and flood survivor relief credit granted may be
181 equal to up to one hundred percent of the amount of withholding tax generated by the full-time
182 jobs at the project facility for a period of three years. The calendar year annual maximum
183 amount of tax credit that may be issued to any qualified company for a small business job
184 retention and survivor relief project shall be two hundred fifty thousand dollars per year, but the
185 maximum amount may be increased up to five hundred thousand dollars if such action is
186 proposed by the department and approved by the quality jobs advisory task force established in
187 section 620.1887. In considering such a request, the task force shall rely on economic modeling
188 and other information supplied by the department when requesting an increase in the limit on
189 behalf of the small business job retention and flood survivor relief project. In no event shall the
190 total amount of all tax credits issued for the entire small business job retention and flood survivor
191 relief program under this subdivision exceed five hundred thousand dollars annually.
192 Notwithstanding the provisions of this subdivision to the contrary, no tax credits shall be issued
193 for small business job retention and flood survivor relief projects approved by the department
194 after August 30, 2010.

195 4. The qualified company shall provide an annual report of the number of jobs and such
196 other information as may be required by the department to document the basis for the benefits
197 of this program. The department may withhold the approval of any benefits until it is satisfied
198 that proper documentation has been provided, and shall reduce the benefits to reflect any
199 reduction in full-time employees or new payroll. Upon approval by the department, the qualified
200 company may begin the retention of the withholding taxes when it reaches the minimum number
201 of new jobs and the average wage exceeds the county average wage. Tax credits, if any, may be
202 issued upon satisfaction by the department that the qualified company has exceeded the county
203 average wage and the minimum number of new jobs. In such annual report, if the average wage
204 is below the county average wage, the qualified company has not maintained the employee
205 insurance as required, or if the number of new jobs is below the minimum, the qualified
206 company shall not receive tax credits or retain the withholding tax for the balance of the benefit
207 period. In the case of a qualified company that initially filed a notice of intent and received an
208 approval from the department for high impact benefits and the minimum number of new jobs in
209 an annual report is below the minimum for high impact projects, the company shall not receive
210 tax credits for the balance of the benefit period but may continue to retain the withholding taxes
211 if it otherwise meets the requirements of a small and expanding business under this program.

212 5. [The maximum calendar year annual tax credits issued for the entire program shall not
213 exceed sixty million dollars.] Notwithstanding any provision of law to the contrary, the

214 maximum annual tax credits authorized under section 135.535, RSMo, are hereby reduced from
215 ten million dollars to eight million dollars, with the balance of two million dollars transferred
216 to this program. There shall be no limit on the amount of withholding taxes that may be retained
217 by approved companies under this program.

218 6. The department shall allocate the annual tax credits based on the date of the approval,
219 reserving such tax credits based on the department's best estimate of new jobs and new payroll
220 of the project, and the other factors in the determination of benefits of this program. However,
221 the annual issuance of tax credits is subject to the annual verification of the actual new payroll.
222 The allocation of tax credits for the period assigned to a project shall expire if, within two years
223 from the date of commencement of operations, or approval if applicable, the minimum
224 thresholds have not been achieved. The qualified company may retain authorized amounts from
225 the withholding tax under this section once the minimum new jobs thresholds are met for the
226 duration of the project period. No benefits shall be provided under this program until the
227 qualified company meets the minimum new jobs thresholds. In the event the qualified company
228 does not meet the minimum new job threshold, the qualified company may submit a new notice
229 of intent or the department may provide a new approval for a new project of the qualified
230 company at the project facility or other facilities.

231 7. For a qualified company with flow-through tax treatment to its members, partners, or
232 shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion
233 to their share of ownership on the last day of the qualified company's tax period.

234 8. Tax credits may be claimed against taxes otherwise imposed by chapters 143 and 148,
235 RSMo, and may not be carried forward but shall be claimed within one year of the close of the
236 taxable year for which they were issued, except as provided under subdivision (4) of subsection
237 3 of this section.

238 9. Tax credits authorized by this section may be transferred, sold, or assigned by filing
239 a notarized endorsement thereof with the department that names the transferee, the amount of
240 tax credit transferred, and the value received for the credit, as well as any other information
241 reasonably requested by the department.

242 10. Prior to the issuance of tax credits, the department shall verify through the
243 department of revenue, or any other state department, that the tax credit applicant does not owe
244 any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent
245 fees or assessments levied by any state department and through the department of insurance,
246 financial institutions and professional registration that the applicant does not owe any delinquent
247 insurance taxes. Such delinquency shall not affect the authorization of the application for such
248 tax credits, except that at issuance credits shall be first applied to the delinquency and any
249 amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue

250 or the department of insurance, financial institutions and professional registration, or any other
251 state department, concludes that a taxpayer is delinquent after June fifteenth but before July first
252 of any year and the application of tax credits to such delinquency causes a tax deficiency on
253 behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the
254 deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all
255 available credits toward a tax delinquency, the administering agency shall notify the appropriate
256 department and that department shall update the amount of outstanding delinquent tax owed by
257 the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax
258 delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions
259 of other provisions of law.

260 11. Except as provided under subdivision (4) of subsection 3 of this section, the director
261 of revenue shall issue a refund to the qualified company to the extent that the amount of credits
262 allowed in this section exceeds the amount of the qualified company's income tax.

263 12. An employee of a qualified company will receive full credit for the amount of tax
264 withheld as provided in section 143.211, RSMo.

265 13. If any provision of sections 620.1875 to 620.1890 or application thereof to any
266 person or circumstance is held invalid, the invalidity shall not affect other provisions or
267 application of these sections which can be given effect without the invalid provisions or
268 application, and to this end, the provisions of sections 620.1875 to 620.1890 are hereby declared

150 **revenues", as defined in subsection 8 of this section, estimated for the businesses within the**
151 **BEST district and identified by the municipality in the BEST plan adopted by the**
152 **municipality, shall be available for appropriation by the general assembly from the general**
153 **revenue fund to the department of economic development for distribution to the treasurer**
154 **or other designated financial officer of the municipality.**

155 **7. The treasurer or other designated financial officer of the municipality shall**
156 **deposit BEST revenues received from the department of economic development in a**
157 **segregated fund known as a "BEST Projects Financing Fund". The state treasurer shall**
158 **be custodian of the fund. In accordance with sections 30.170 and 30.180, RSMo, the state**

168 **constitutionally dedicated, taxes deposited to the school district trust fund in accordance**
169 **with section 144.701, RSMo, sales and use taxes on motor vehicles, trailers, boats and**
170 **outboard motors and future sales taxes earmarked by law. In no event shall the**
171 **incremental increase include any amounts attributable to retail sales unless the**
172 **municipality or authority has proven to the Missouri development finance board and the**
173 **department of economic development and such entities have made a finding that the sales**
174 **tax increment attributable to retail sales is from new sources which did not exist in the**

175 state during the baseline year. The incremental increase in the general revenue portion of
176 state sales tax revenues for an existing or relocated facility shall be the amount that current
177 state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the
178 BEST plan; and

179 (2) The state income tax withheld on behalf of new employees by the employers
180 under section 143.221, RSMo, at the businesses located within the project as identified in

187 revenues prior to an appropriation being made for particular BEST projects.

188 10. The initial appropriation of BEST revenues authorized under subsections 6 and

190 development to a municipality until the director of the department of economic
191 development or his or her designee have approved a BEST plan and projects that have
192 been approved by a municipality under subsection 1 of this section, and that call for
193 capture of BEST revenues for the benefit of the BEST plan and projects. The director of
194 economic development or his or her designee shall approve a BEST plan and projects if
195 they find that:

196 (1) The estimated dates, which shall not be more than twenty-five years from the
197 adoption of the municipal ordinance approving a BEST project within a BEST district, of
198 completion of any BEST project and retirement of obligations incurred to finance BEST
199 project costs have been stated, provided that no ordinance approving a BEST project shall
200 be adopted later than ten years from the adoption of the ordinance approving the BEST
201 plan under which such project is authorized. No BEST district shall have the power to
202 acquire any real property by eminent domain;

203 (2) BEST revenues do not exceed fifty percent of the total BEST project costs;

204 (3) Municipal funding, including funding from entities affiliated with the
205 municipality, such as economic development corporations, will provide funds for the BEST
206 project that constitute at least ten percent of the BEST eligible project costs and will be
207 available to the BEST project within ten years following establishment of the BEST
208 district;

209 (4) At least one higher education institution, including, but not limited to
210 universities, colleges, and community colleges, has committed to having a significant

211 **physical presence in the BEST district, and plans to offer educational resources in the**
212 **BEST district such as classrooms, curriculum, dedicated faculty, graduate students, and**
213 **defined partnerships with target industry clusters; and**

214 **(5) The BEST plan and projects are financially feasible and would result in a net**
215 **benefit to the state.**

216 **11. BEST revenues deposited in the BEST projects financing fund established by**
217 **the municipality under subsection 7 of this section shall be used to directly pay for BEST**
218 **eligible project costs or to provide reimbursement for BEST eligible project costs incurred**
219 **either prior to or after the BEST district is established under this section, and shall include**
220 **costs related to:**

221 **(1) Formation of a BEST district, drafting a BEST plan, and designing BEST**
222 **projects, including but not limited to reasonable fees of architects, engineers, attorneys,**
223 **and consultants, and any other reasonably related costs;**

224 **(2) Acquisition of land within the boundaries of the BEST district, including but**
225 **not limited to associated surveyor costs, title related fees, legal fees, brokers' fees, feasibility**
226 **studies, and other due diligence;**

227 **(3) Extension, expansion, and construction of all infrastructure serving the BEST**
228 **district, including, but not limited to, water services, storm and sanitary sewers, electrical**
229 **services, roads, sidewalks, and any public amenities;**

231 **construction; and**

232 **(5) Any other costs related to attracting private investment and creating new jobs**
233 **within the BEST district.**

234 **12. Following the initial appropriation of BEST revenues under subsections 6 and**
235 **7 of this section and continuing until termination of the BEST district, the municipality**
236 **shall annually submit a report to the department of economic development which shall**
237 **provide an update of the BEST projects' timetables, status of municipal funding and other**
238 **funding sources, including, but not limited to, the number of jobs created, the annual**
239 **payroll, and the public and private capital investment in the BEST district.**

240 **13. This section shall not preclude the implementation of any other type of public**
241 **incentives, including tax increment financing under sections 99.800 to 99.865, RSMo,**
242 **community improvement districts under sections 67.1401 to 67.1571, RSMo, and**
243 **transportation development districts under sections 238.200 to 238.280, RSMo.**

244 **14. The development of any BEST project, appropriations of BEST revenues under**
245 **this section for such BEST project, and the retirement of obligations incurred to finance**
246 **such BEST project shall not continue more than twenty-five years after a municipality's**

247 **adoption of such BEST project by ordinance under subsection 1 of this section; provided**
248 **that, no ordinance approving a BEST project shall be adopted later than ten years from**
249 **the adoption of the ordinance approving the BEST plan under which such project is**
250 **authorized. No BEST district shall have the power to acquire any real property by**

253 **BEST project receives all necessary municipal and state approvals under this section,**
254 **including an appropriation by the general assembly, may include any real property located**
255 **within the BEST district, regardless of what improvements, if any, are planned for such**
256 **real property as part of the BEST project, as long as the inclusion of such real property is**
257 **reasonably expected to contribute to the success of the BEST plan.**

258 **16. To expand a BEST district after the district has been established under**
259 **subsection 1 of this section, the governing body of the municipality shall establish the**
260 **expanded BEST district under the requirements in this section for establishing a BEST**
261 **district and, to receive BEST revenues associated with the expanded portion of the BEST**
