

HB 283 -- NONPROFIT SEWER COMPANIES (Wood)

COMMITTEE OF ORIGIN: Committee on Rural Community Development

This bill authorizes a nonprofit sewer company to provide the same services as provided by a nonprofit water company in areas not within the boundaries of a public water supply district or within the certificated area of a water corporation.

FISCAL NOTE: No impact on state funds in FY 2010, FY 2011, and FY 2012.
