

HB 490 -- A+ Schools Program

Sponsor: Schad

Currently, two-year private vocational schools that provide services for A+ students must be accredited by the Higher Learning Commission and a member of the North Central Association of Colleges and Schools, must be designated as nonprofit organizations, and are prohibited from receiving reimbursements in excess of the rate charged by a public community college. This bill clarifies that these requirements are applicable to private schools only and not to public vocational or technical schools.
