

HB 528 -- Income Tax Credit for Home Remodeling for the Disabled and the Elderly

Sponsor: Grisamore

Currently, up to \$100,000 in tax credits remaining unused under the Rebuilding Communities Tax Credit Program are allocated for use by taxpayers who modify their homes for a disabled person residing with them. This bill removes the \$100,000 cap and adds taxpayers who modify their homes for a senior citizen residing with them to those eligible for the tax credit.
