

HB 593 -- Police and Firemen's Pension System Investments

Sponsor: Viebrock

Currently, investments made by boards of trustees of police and firemen's pension systems are subject to all terms, conditions, limitations, and restrictions imposed upon life insurance or casualty companies in making their investments. This bill removes those terms, conditions, limitations, and restrictions and requires the boards to invest the funds of the system as permitted in Sections 105.687 - 105.690, RSMo, regarding the duties of investment fiduciaries.
