

HB 709 -- VOTER IDENTIFICATION CARDS (Dusenberg)

COMMITTEE OF ORIGIN: Committee on Elections

Currently, election authorities are required to issue voter notification cards to voters no later than 90 days prior to a primary or general election with certain exceptions. This bill changes the reference from notification to identification cards and specifies that individuals registering to vote by postcard and who have not previously voted will not receive an identification card.

FISCAL NOTE: No impact on state funds in FY 2010, FY 2011, and FY 2012.
