

HB 1138 -- Missouri Information Analysis Center

Sponsor: Guest

This bill establishes an oversight committee in the Missouri Information Analysis Center within the Department of Public Safety, comprised of five majority party and four minority party members of the House of Representatives, appointed by the Speaker with the concurrence of the Minority Floor Leader, to provide legislative oversight over intelligence activities and assure that the activities are constitutional. The committee must oversee and make continuing studies of the intelligence activities and programs and submit a report to the House of Representatives.
