All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the city of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory

8 interests in real property at the percent of its true value in money set in subsection 5 of this
9 section. The true value in money of any possessory interest in real property in subclass (3),
10 where such real property is on or lies within the ultimate airport boundary as shown by a federal
11 airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139
12 certification and owned by a political subdivision, shall be the otherwise applicable true value
13 in money of any such possessory interest in real property, less the total dollar amount of costs
14 paid by a party, other than the political subdivision, towards any new construction or
15 improvements on such real property completed after January 1, 2008, and which are included in
16 the above-mentioned possessory interest, regardless of the year in which such costs were incurred
17 or whether such costs were considered in any prior year. The assessor shall annually assess all
18 real property in the following manner: new assessed values shall be determined as of January
19 first of each odd-numbered year and shall be entered in the assessor's books; those same assessed
20 values shall apply in the following even-numbered year, except for new construction and
21 property improvements which shall be valued as though they had been completed as of January
22 first of the preceding odd-numbered year. The assessor may call at the office, place of doing
23 business, or residence of each person required by this chapter to list property, and require the
24 person to make a correct statement of all taxable tangible personal property owned by the person
25 or under his or her care, charge or management, taxable in the county. On or before January first
26 of each even-numbered year, the assessor shall prepare and submit a two-year assessment
27 maintenance plan to the county governing body and the state tax commission for their respective
28 approval or modification. The county governing body shall approve and forward such plan or
29 its alternative to the plan to the state tax commission by February first. If the county governing
30 body fails to forward the plan or its alternative to the plan to the state tax commission by
31 February first, the assessor's plan shall be considered approved by the county governing body.
32 If the state tax commission fails to approve a plan and if the state tax commission and the
33 assessor and the governing body of the county involved are unable to resolve the differences, in
34 order to receive state cost-share funds outlined in section 137.750, the county or the assessor
35 shall petition the administrative hearing commission, by May first, to decide all matters in
36 dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter
37 may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by
38 the parties. The final decision of the administrative hearing commission shall be subject to
39 judicial review in the circuit court of the county involved. In the event a valuation of subclass
40 (1) real property within any county with a charter form of government, or within a city not within
41 a county, is made by a computer, computer-assisted method or a computer program, the burden
42 of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be
43 on the assessor at any hearing or appeal. In any such county, unless the assessor proves

44 otherwise, there shall be a presumption that the assessment was made by a computer,
45 computer-assisted method or a computer program. Such evidence shall include, but shall not be
46 limited to, the following:

47 (1) The findings of the assessor based on an appraisal of the property by generally
48 accepted appraisal techniques; and

49 (2) The purchase prices from sales of at least three comparable properties and the address
50 or location thereof. As used in this subdivision, the word "comparable" means that:

51 (a) Such sale was closed at a date relevant to the property valuation; and

52 (b) Such properties are not more than one mile from the site of the disputed property,
53 except where no similar properties exist within one mile of the disputed property, the nearest
54 comparable property shall be used. Such property shall be within five hundred square feet in size
55 of the disputed property, and resemble the disputed property in age, floor plan, number of rooms,
56 and other relevant characteristics.

57 2. Assessors in each county of this state and the city of St. Louis may send personal
58 property assessment forms through the mail.

59 3. The following items of personal property shall each constitute separate subclasses of
60 tangible personal property and shall be assessed and valued for the purposes of taxation at the
61 following percentages of their true value in money:

62 (1) Grain and other agricultural crops in an unmanufactured condition, one-half of one
63 percent;

64 (2) Livestock, twelve percent;

65 (3) Farm machinery, twelve percent;

66 (4) Motor vehicles which are eligible for registration as and are registered as historic
67 motor vehicles pursuant to section 301.131, RSMo, and aircraft which are at least twenty-five
68 years old and which are used solely for noncommercial purposes and are operated less than fifty
69 hours per year or aircraft that are home built from a kit, five percent;

70 (5) Poultry, twelve percent; and

71 (6) Tools and equipment used for pollution control and tools and equipment used in
72 retooling for the purpose of introducing new product lines or used for making improvements to
73 existing products by any company which is located in a state enterprise zone and which is
74 identified by any standard industrial classification number cited in subdivision (6) of section
75 135.200, RSMo, twenty-five percent.

76 4. The person listing the property shall enter a true and correct statement of the property,
77 in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed
78 and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered
79 to the assessor.

80 5. All subclasses of real property, as such subclasses are established in section 4(b) of
81 article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the
82 following percentages of true value:

- 83 (1) For real property in subclass (1), nineteen percent;
84 (2) For real property in subclass (2), twelve percent; and
85 (3) For real property in subclass (3), thirty-two percent.

86 6. Manufactured homes, as defined in section 700.010, RSMo, which are actually used
87 as dwelling units shall be assessed at the same percentage of true value as residential real
88 property for the purpose of taxation. The percentage of assessment of true value for such
89 manufactured homes shall be the same as for residential real property. If the county collector
90 cannot identify or find the manufactured home when attempting to attach the manufactured home
91 for payment of taxes owed by the manufactured home owner, the county collector may request
92 the county commission to have the manufactured home removed from the tax books, and such
93 request shall be granted within thirty days after the request is made; however, the removal from
94 the tax books does not remove the tax lien on the manufactured home if it is later identified or
95 found. **For purposes of this section,** a manufactured home located in a manufactured home
96 rental park, rental community or on real estate not owned by the manufactured home owner shall
97 be considered personal property. **For purposes of this section,** a manufactured home located
98 on real estate owned by the manufactured home owner may be considered real property.

99 7. Each manufactured home assessed shall be considered a parcel for the purpose of
100 reimbursement pursuant to section 137.750, unless the manufactured home [has been converted
101 to] **is real [property in compliance with section 700.111, RSMo] estate as defined in subsection**
102 **7 of section 442.015** and assessed as a realty improvement to the existing real estate parcel.

103 8. Any amount of tax due and owing based on the assessment of a manufactured home
104 shall be included on the personal property tax statement of the manufactured home owner unless
105 the manufactured home [has been converted to] **is real [property in compliance with section**
106 **700.111, RSMo] estate as defined in subsection 7 of section 442.015,** in which case the amount
107 of tax due and owing on the assessment of the manufactured home as a realty improvement to
108 the existing real estate parcel shall be included on the real property tax statement of the real
109 estate owner.

110 9. The assessor of each county and each city not within a county shall use the trade-in
111 value published in the October issue of the National Automobile Dealers' Association Official
112 Used Car Guide, or its successor publication, as the recommended guide of information for
113 determining the true value of motor vehicles described in such publication. In the absence of a
114 listing for a particular motor vehicle in such publication, the assessor shall use such information

115 or publications which in the assessor's judgment will fairly estimate the true value in money of
116 the motor vehicle.

117 10. Before the assessor may increase the assessed valuation of any parcel of subclass (1)
118 real property by more than fifteen percent since the last assessment, excluding increases due to
119 new construction or improvements, the assessor shall conduct a physical inspection of such
120 property.

121 11. If a physical inspection is required, pursuant to subsection 10 of this section, the
122 assessor shall notify the property owner of that fact in writing and shall provide the owner clear
123 written notice of the owner's rights relating to the physical inspection. If a physical inspection
124 is required, the property owner may request that an interior inspection be performed during the
125 physical inspection. The owner shall have no less than thirty days to notify the assessor of a
126 request for an interior physical inspection.

127 12. A physical inspection, as required by subsection 10 of this section, shall include, but
128 not be limited to, an on-site personal observation and review of all exterior portions of the land
129 and any buildings and improvements to which the inspector has or may reasonably and lawfully
130 gain external access, and shall include an observation and review of the interior of any buildings
131 or improvements on the property upon the timely request of the owner pursuant to subsection 11
132 of this section. Mere observation of the property via a drive-by inspection or the like shall not
133 be considered sufficient to constitute a physical inspection as required by this section.

134 13. The provisions of subsections 11 and 12 of this section shall only apply in any county
135 with a charter form of government with more than one million inhabitants.

136 14. A county or city collector may accept credit cards as proper form of payment of
137 outstanding property tax or license due. No county or city collector may charge surcharge for
138 payment by credit card which exceeds the fee or surcharge charged by the credit card bank,
139 processor, or issuer for its service. A county or city collector may accept payment by electronic
140 transfers of funds in payment of any tax or license and charge the person making such payment
141 a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic
142 payment.

143 15. Any county or city not within a county in this state may, by an affirmative vote of
144 the governing body of such county, opt out of the provisions of this section and sections 137.073,
145 138.060, and 138.100, RSMo, as enacted by house bill no. 1150 of the ninety-first general
146 assembly, second regular session and section 137.073 as modified by house committee substitute
147 for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general
148 assembly, second regular session, for the next year of the general reassessment, prior to January
149 first of any year. No county or city not within a county shall exercise this opt-out provision after
150 implementing the provisions of this section and sections 137.073, 138.060, and 138.100, RSMo,

151 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and
152 section 137.073 as modified by house committee substitute for senate substitute for senate
153 committee substitute for senate bill no. 960, ninety-second general assembly, second regular
154 session, in a year of general reassessment. For the purposes of applying the provisions of this
155 subsection, a political subdivision contained within two or more counties where at least one of
156 such counties has opted out and at least one of such counties has not opted out shall calculate a
157 single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general
158 assembly, second regular session. A governing body of a city not within a county or a county
159 that has opted out under the provisions of this subsection may choose to implement the
160 provisions of this section and sections 137.073, 138.060, and 138.100, RSMo, as enacted by

164 next year of general reassessment, by an affirmative vote of the governing body prior to
165 December thirty-first of any year.

166 16. The governing body of any city of the third classification with more than twenty-six
167 thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located
168 in any county that has exercised its authority to opt out under subsection 15 of this section may
169 levy separate and differing tax rates for real and personal property only if such city bills and
170 collects its own property taxes or satisfies the entire cost of the billing and collection of such
171 separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax
172 rate ceiling.

110 manufacturer's certificate of origin or a certificate of title, or that is covered by a
111 manufacturer's certificate of origin or a certificate of title which the owner of the
112 manufactured home, after diligent search and inquiry, is unable to produce, and that is
113 permanently affixed to real estate in accordance with subsection 1 of section 442.015, or

114 which the owner intends to permanently affix to real estate as defined in subsection 1 of
115 section 442.015, may apply to the director of revenue by filing with the director of revenue
116 an application for confirmation of conversion containing or accompanied by:

117 (a) The name, residence, and mailing address of the owner;

118 (b) A description of the manufactured home including the name of the
119 manufacturer, the make, the model name, the model year, the dimensions, and the
120 manufacturer's serial number of the manufactured home and whether it is new or used
121 and any other information the director of revenue requires;

122 (c) The date of purchase by the owner of the manufactured home, the name and
123 address of the person from whom the home was acquired and the names and addresses of
124 any security interest holders and lienholders in the order of their apparent priority;

125 (d) A statement signed by the owner, stating either:

126 a. Any facts or information known to the owner that could affect the validity of the
127 title to the manufactured home or the existence or nonexistence of a security interest in or
128 lien on it; or

129 b. That no such facts or information are known to the owner;

130 (e) A certified copy of the affidavit of affixation as provided in accordance with
131 subsection 5 of section 442.015;

132 (f) A declaration by an attorney-at-law, duly admitted to practice in the courts of
133 the state of Missouri, or an agent of a title insurance company duly licensed to issue policies
134 of title insurance in the state of Missouri, that the manufactured home is free and clear of,
135 or has been released from, all recorded security interests, liens and encumbrances; and

136 a. Any facts or information known to him or her that could affect the validity of the
137 title of the manufactured home or the existence or nonexistence of any security interest in
138 or lien on it; or

139 b. That no such facts or information are known to him or her;

140 (g) The name and mailing address of each person wishing written acknowledgment
141 of surrender from the director of revenue;

142 (h) The applicable fee for filing the application for surrender; and

143 (i) Any other information and documents the director of revenue reasonably
144 requires to identify the owner of the manufactured home and to enable the director to
145 determine whether the owner satisfied the requirements of subsection 6 of section 442.015,
146 and the existence or nonexistence of security interests in or liens on the manufactured
147 home.

148 (2) When satisfied of the genuineness and regularity of the application for
149 confirmation of conversion of a manufactured home and upon satisfaction of the
150 requirements of subdivision (1) of this subsection, the director of revenue shall:

151 (a) Update the department's records in accordance with the provisions of section
152 700.320; and

153 (b) Provide written acknowledgment of compliance with the provisions of this
154 subsection to each person identified on the application for confirmation of conversion
155 under paragraph (g) of subdivision (1) of this subsection.

156 (3) Upon satisfaction of the requirements of this subsection, a manufactured home
157 shall be conveyed and encumbered as provided in chapter 442. If the application for
158 confirmation of conversion of a manufactured home is delivered to the director of revenue
159 within sixty days of recording the related affidavit of affixation with the recorder of deeds
160 in the county in which the real estate to which the manufactured home is or shall be affixed
161 and the application is thereafter accepted by the director of revenue, the requirements of
162 this subsection shall be deemed satisfied as of the date the affidavit of affixation was
163 recorded.

164 (4) Upon written request, the director of revenue shall provide written
165 acknowledgment of compliance with the provisions of this subsection.

166 4. (1) Notwithstanding any other provision of law, where a manufactured home has
167 been permanently affixed to real estate and an affidavit of affixation has been recorded in
168 the real estate records in the county in which the manufactured home is located in
169 accordance with section 442.015, and where the manufactured home subsequently is
170 detached or severed from the real estate, the owner or owners of the manufactured home
171 may apply for a new certificate of title by filing with the director of revenue an application
172 for a certificate of title to a manufactured home, containing or accompanied by:

173 (a) The name, residence, and mailing address of the owner;

174 (b) A description of the manufactured home including the name of the
175 manufacturer, the make, the model name, the model year, the dimensions, and the
176 manufacturer's serial number of the manufactured home and whether it is new or used
177 and any other information the director of revenue requires;

178 (c) A statement signed by the applicant, stating either:

179 a. Any facts or information known to the applicant that could affect the validity of
180 the title of the manufactured home or the existence or nonexistence of any security interest
181 in or lien on it; or

182 b. That no such facts or information are known to the applicant;

183 (d) A certified copy of the affidavit of severance provided in accordance with
184 section 442.015;

185 (e) A declaration by an attorney-at-law, duly admitted to practice in the courts of
186 the state of Missouri, or an agent of a title insurance company duly licensed to issue policies
187 of title insurance in the state of Missouri, that the manufactured home is free and clear of,
188 or has been released from, all recorded security interests, liens and encumbrances; and

189 a. Any facts or information known to him or her that could affect the validity of the
190 title of the manufactured home or the existence or nonexistence of any security interest in
191 or lien on it; or

192 b. That no such facts or information are known to him or her;

193 (f) The applicable fee for filing the application; and

194 (g) Any other information and documents the director of revenue reasonably
195 requires to identify the manufactured home and to enable the director to determine
196 whether the owner is entitled to a certificate of title and the existence or nonexistence of
197 security interests in or liens on the manufactured home.

198 (2) When satisfied of the genuineness and regularity of the application for a
199 certificate of title to a manufactured home and upon satisfaction of the requirements of
200 subdivision (1) of this subsection, the director shall issue a new certificate of title and
201 update the department's records in accordance with the provisions of section 700.320.

202 (3) Immediately upon satisfaction of the requirements of this subsection, a
203 manufactured home shall be conveyed and encumbered as personal property.

204 (4) Upon written request, the director of revenue shall provide written
205 acknowledgment of compliance with the provisions of this subsection.

206 5. The department of revenue shall promulgate rules to implement the provisions
207 of this section. The department of revenue shall also promulgate standard affidavit of
208 affixation forms, affidavit of severance forms, and confirmation of conversion forms that
209 comply with the provisions of this section. Any rule or portion of a rule, as that term is
210 defined in section 536.010, that is created under the authority delegated in this section shall
211 become effective only if it complies with and is subject to all of the provisions of chapter
212 536, and, if applicable, section 536.028. This section and chapter 536, are nonseverable and
213 if any of the powers vested with the general assembly under chapter 536, to review, to delay
214 the effective date, or to disapprove and annul a rule are subsequently held
215 unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted
216 after August 28, 2010, shall be invalid and void.

217 6. The provisions of this section shall become effective no later than March 1, 2011.

700.320. 1. **Except as provided in section 700.111**, the owner of any new or used
2 manufactured home, as defined in section 700.010, shall make application to the director of
3 revenue for an official certificate of title to such manufactured home in the manner prescribed
4 by law for the acquisition of certificates of title to motor vehicles, and the rules promulgated
5 pursuant thereto. All fees required by section 301.190, RSMo, for the titling of motor vehicles
6 and all penalties provided by law for the failure to title motor vehicles shall apply to persons
7 required to make application for an official certificate of title by this subsection. In case there
8 is any duplication in serial numbers assigned any manufactured homes, or no serial number has
9 been assigned by the manufacturer, the director shall assign the serial numbers for the
10 manufactured homes involved.

11 2. At the time the owner of any new manufactured home, as defined in section 700.010,
12 which was acquired in a transaction subject to sales tax under the Missouri sales tax law makes
13 application to the director of revenue for an official certificate of title for such manufactured
14 home, he shall present to the director of revenue evidence satisfactory to the director of revenue
15 showing the purchase price exclusive of any charge incident to the extension of credit paid by
16 or charged to the applicant in the acquisition of the manufactured home, or that no sales tax was
17 incurred in its acquisition, and if sales tax was incurred in its acquisition, the applicant shall pay
18 or cause to be paid to the director of revenue the sales tax provided by the Missouri sales tax law
19 in addition to the registration fees now or hereafter required according to law, and the director
20 of revenue shall not issue a certificate of title for any new manufactured home subject to sales
21 tax as provided in the Missouri sales tax law until the tax levied for the sale of the same under
22 sections 144.010 to 144.510, RSMo, has been paid as provided in this section, **but except as**
23 **provided in subsection 2 of section 700.111, the director of revenue shall not suspend or**
24 **revoke a certificate of title to a manufactured home by reason of the fact that at any time**
25 **it shall become affixed in any manner to real estate.** As used in this subsection, the term
26 "purchase price" shall mean the total amount of the contract price agreed upon between the seller
27 and the applicant in the acquisition of the new manufactured home regardless of the medium of
28 payment therefor. In the event that the purchase price is unknown or undisclosed, or that the
29 evidence thereof is not satisfactory to the director of revenue, the same shall be fixed by
30 appraisement by the director. The director of the department of revenue shall endorse upon the
31 official certificate of title issued by him upon such application an entry showing that such sales
32 tax has been paid or that the manufactured home represented by the certificate is exempt from
33 sales tax and state the ground for such exemption.

34 3. A certificate of title for a manufactured home issued in the names of two or more
35 persons that does not show on the face of the certificate that the persons hold their interest in the
36 manufactured home as tenants in common, on death of one of the named persons, may be

37 transferred to the surviving owner or owners. **Except as provided in subsection 5 of this**
38 **section**, on proof of death of one of the persons in whose names the certificate was issued,
39 surrender of the outstanding certificate of title, and on application and payment of the fee for an
40 original certificate of title, the director of revenue shall issue a new certificate of title for the
41 manufactured home to the surviving owner or owners; and the current valid certificate of number
42 shall be so transferred.

43 4. A certificate of title for a manufactured home issued in the names of two or more
44 persons that shows on its face that the persons hold their interest in the manufactured home as
45 tenants in common, on death of one of the named persons, may be transferred by the director of
46 revenue on application by the surviving owners and the personal representative or successors of
47 the deceased owner. **Except as provided in subsection 5 of this section**, upon being presented
48 proof of death of one of the persons in whose names the certificate of title was issued, surrender
49 of the outstanding certificate of title, and on application and payment of the fee for an original
50 certificate of title, the director of revenue shall issue a new certificate of title for the
51 manufactured home to the surviving owners and personal representative or successors of the
52 deceased owner; and the current valid certificate of number shall be so transferred.

53 5. **The director of revenue shall not issue a certificate of title to a manufactured**
54 **home with respect to which there has been recorded an affidavit of affixation under section**
55 **442.015 unless with respect to the same manufactured home there has been recorded an**
56 **affidavit of severance under section 442.015.**

57 6. **The director of revenue shall file, upon receipt, each affidavit of affixation and**
58 **affidavit of severance relating to a manufactured home that is delivered in accordance with**
59 **section 442.015, RSMo, when satisfied of its genuineness and regularity.**

60 7. **The director of revenue shall maintain a record of each affidavit of affixation**
61 **and each affidavit of severance filed in accordance with subsection 6 of this section. The**
62 **record shall state the name of each owner of the related manufactured home, the county**
63 **of recordation, the date of recordation, and the book and page number of each book of**
64 **records in which there has been recorded an affidavit of affixation or affidavit of severance**
65 **under section 442.015, and any other information the director of revenue prescribes.**

66 8. **The director of revenue shall file, upon receipt, each application for surrender**
67 **of the manufacturer's certificate of origin relating to a manufactured home that is**
68 **delivered in accordance with subsection 1 of section 700.111, when satisfied of its**
69 **genuineness and regularity.**

70 9. **The director of revenue shall file, upon receipt, each application for surrender**
71 **of the certificate of title relating to a manufactured home that is delivered in accordance**
72 **with subsection 2 of section 700.111, when satisfied of its genuineness and regularity.**

73 **10. The director of revenue shall file, upon receipt, each application for**
74 **confirmation of conversion relating to a manufactured home that is delivered in**
75 **accordance with subsection 3 of section 700.111, when satisfied of its genuineness and**
76 **regularity.**

77 **11. The director of revenue shall maintain a record of each manufacturer's**
78 **certificate of origin accepted for surrender as provided in subsection 1 of section 700.111.**
79 **The record shall state the name of each owner of the manufactured home, the date the**
80 **manufacturer's certificate of origin was accepted for surrender, the county of recordation,**
81 **the date of recordation, and the book and page number of each book of records in which**
82 **there has been recorded an affidavit of affixation under section 442.015, and any other**
83 **information the director of revenue prescribes.**

84 **12. The director of revenue shall maintain a record of each manufactured home**
85 **certificate of title accepted for surrender as provided in subsection 2 of section 700.111.**
86 **The record shall state the name of each owner of the manufactured home, the date the**
87 **certificate of title was accepted for surrender, the county of recordation, the date of**
88 **recordation, and the book and page number of each book of records in which there has**
89 **been recorded an affidavit of affixation under section 442.015, and any other information**
90 **the director of revenue prescribes.**

91 **13. The director of revenue shall maintain a record of each application for**
92 **confirmation of conversion accepted as provided in subsection 3 of section 700.111. The**
93 **record shall state the name of each owner of the manufactured home, the county of**
94 **recordation, the date of recordation, and the book and page number of each book of**
95 **records in which there has been recorded an affidavit of affixation under section 442.015,**
96 **and any other information the director of revenue prescribes.**

97 **14. The holder of a manufacturer's certificate of origin to a manufactured home**
98 **may deliver it to any person to facilitate conveying or encumbering the manufactured**
99 **home. Any person receiving any such manufacturer's certificate of origin so delivered**
100 **holds it in trust for the person delivering it.**

101 **15. Notwithstanding any other provision of law, a certificate of title issued by the**
102 **director of revenue to a manufactured home is prima facie evidence of the facts appearing**
103 **on it, notwithstanding the fact that such manufactured home, at any time, shall have**
104 **become affixed in any manner to real estate.**

105 **16. When an owner wants to add or delete a name or names on an application for**
106 **certificate of title to a manufactured home that would cause it to be inconsistent with the name**
107 **or names listed on the notice of lien, the owner shall provide the director with documentation**

108 evidencing the lienholder's authorization to add or delete a name or names on an application for
109 certificate of title.

2 700.350. 1. As used in sections 700.350 to 700.390, the term "manufactured home" shall
3 have the same [meanings] **meaning** given it in [section 700.010 or] section 400.9-102(a)(53),
4 RSMo.

5 2. Unless excepted by section 700.375, a lien or encumbrance, **including a security**
6 **interest under article 9 of chapter 400**, on a manufactured home shall not be valid against
7 subsequent transferees or lienholders of the manufactured home who took without knowledge
8 of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections
9 700.350 to 700.380.

10 3. A lien or encumbrance on a manufactured home is perfected by the delivery to the
11 director of revenue of a notice of lien in a format as prescribed by the director of revenue. Such
12 lien or encumbrance shall be perfected as of the time of its creation if the delivery of the notice
13 of lien required in this subsection to the director of revenue is completed within thirty days
14 thereafter, otherwise such lien or encumbrance shall be perfected as of the time of the delivery;
15 **provided, however, that a purchase money security interest in a manufactured home under**
16 **article 9 of chapter 400, is perfected against the rights of judicial lien creditors and**
17 **execution creditors on and after the date such purchase money security interest attaches;**
18 **and further provided that the holder of a security interest in or a lien on a manufactured**
19 **home may deliver lien release documents to any person to facilitate conveying or**
20 **encumbering the manufactured home. Any person receiving any such documents so**
21 **delivered holds the documents in trust for the security interest holder or the lienholder.**
22 A notice of lien shall contain the name and address of the owner of the manufactured home and
23 the secured party, a description of the manufactured home, including any identification number
24 and such other information as the department of revenue shall prescribe. A notice of lien
25 substantially complying with the requirements of this section is effective even though it contains
26 minor errors which are not seriously misleading. Liens may secure future advances. The future
27 advances may be evidenced by one or more notes or other documents evidencing indebtedness
28 and shall not be required to be executed or delivered prior to the date of the future advance lien
29 securing them. The fact that a lien may secure future advances shall be clearly stated on the
30 security agreement and noted as "subject to future advances" in the notice of lien and noted on
31 the certificate of ownership if the motor vehicle or trailer is subject to only one lien. To secure
32 future advances when an existing lien on a manufactured home does not secure future advances,
33 the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to
34 secure future advances is perfected in the same time and manner as any other lien, except as
follows: proof of the lien for future advances is maintained by the department of revenue;

35 however, there shall be additional proof of such lien when the notice of lien reflects such lien for
36 future advances, is received by the department of revenue, and returned to the lienholder.

37 4. Whether a manufactured home is subject to a lien or encumbrance shall be determined
38 by the laws of the jurisdiction where the manufactured home was when the lien or encumbrance
39 attached, subject to the following:

40 (1) If the parties understood at the time the lien or encumbrances attached that the
41 manufactured home would be kept in this state and it is brought into this state within thirty days
42 thereafter for purposes other than transportation through this state, the validity and effect of the
43 lien or encumbrance in this state shall be determined by the laws of this state;

44 (2) If the lien or encumbrance was perfected under the laws of the jurisdiction where the
45 manufactured home was when the lien or encumbrance attached, the following rules apply:

46 (a) If the name of the lienholder is shown on an existing certificate of title or ownership
47 issued by that jurisdiction, his lien or encumbrance continues perfected in this state;

48 (b) If the name of the lienholder is not shown on an existing certificate of title or
49 ownership issued by the jurisdiction, the lien or encumbrance continues perfected in this state
50 for three months after the first certificate of title of the manufactured home is issued in this state,
51 and also thereafter if, within the three-month period, it is perfected in this state. The lien or
52 encumbrance may also be perfected in this state after the expiration of the three-month period,
53 in which case perfection dates from the time of perfection in this state;

54 (3) If the lien or encumbrance was not perfected under the laws of the jurisdiction where
55 the manufactured home was when the lien or encumbrance attached, it may be perfected in this
56 state, in which case perfection dates from the time of perfection in this state;

57 (4) A lien or encumbrance may be perfected under paragraph (b) of subdivision (2) or
58 subdivision (3) of this subsection in the same manner as provided in subsection 3 of this section
59 or by the lienholder delivering to the director of revenue a notice of lien or encumbrance in the
60 form the director prescribes and the required fee.

61 5. By rules and regulations, the director of revenue shall establish a security procedure
62 for the purpose of verifying that an electronic notice of lien or notice of satisfaction of lien on
63 a manufactured home given as permitted in this chapter is that of the lienholder, verifying that
64 an electronic notice of confirmation of ownership and perfection of a lien given as required in
65 this chapter is that of the director of revenue, and detecting error in the transmission or the
66 content of such notice. A security procedure may require the use of algorithms or other codes,
67 identifying words or numbers, encryption, callback procedures or similar security devices.
68 Comparison of a signature on a communication with an authorized specimen signature shall not
69 by itself be a security procedure.

70 6. All transactions involving liens or encumbrances on manufactured homes perfected
71 pursuant to sections 700.350 to 700.390 after June 30, 2001, and before August 28, 2002, and
72 the rights, duties, and interests flowing from them are and shall remain valid thereafter and may
73 be terminated, completed, consummated, or enforced as required or permitted by section
74 400.9-303[, RSMo, or this section]. Section 400.9-303, RSMo, and this section are remedial in
75 nature and shall be given that construction.

76 7. [The repeal and reenactment of subsections 3 and 4 of this section shall become
77 effective July 1, 2003] **Except as otherwise provided in section 442.015, subsections 1 and**
78 **2 of section 700.111, subsection 2 of section 700.360, and subsection 2 of section 700.375,**
79 **after a certificate of title has been issued to a manufactured home and as long as the**
80 **manufactured home is subject to any security interest perfected under this section, the**
81 **department shall not file an affidavit of affixation, nor cancel the manufacturer's**
82 **certificate of origin, nor revoke the certificate of title, and, in any event, the validity and**
83 **priority of any security interest perfected under this section shall continue,**
84 **notwithstanding the provision of any other law.**

 700.360. **1. Except as provided in subsection 2 of this section,** if an owner creates a
2 lien or encumbrance on a manufactured home:

3 (1) The owner shall immediately execute the application, either in the space provided
4 therefor on the certificate of title or on a separate form the director of revenue prescribes, to
5 name the lienholder on the certificate of title, showing the name and address of the lienholder
6 and the date of his security agreement, and shall cause the certificate of title, the application and
7 the required fee to be mailed or delivered to the director of revenue. Failure of the owner to do
8 so, including naming the lienholder in such application, is a class A misdemeanor;

9 (2) The lienholder or an authorized agent licensed pursuant to sections 301.112 to
10 301.119, RSMo, shall deliver to the director of revenue a notice of lien as prescribed by the
11 director of revenue accompanied by all other necessary documentation to perfect a lien as
12 provided in this section;

13 (3) To perfect a lien for a subordinate lienholder when a transfer of ownership occurs,
14 the subordinate lienholder shall either mail or deliver, or cause to be mailed or delivered, a
15 completed notice of lien to the department of revenue, accompanied by authorization from the
16 first lienholder. The owner shall ensure the subordinate lienholder is recorded on the application
17 for title at the time the application is made to the department of revenue. To perfect a lien for
18 a subordinate lienholder when there is no transfer of ownership, the owner or lienholder in
19 possession of the certificate shall either mail or deliver, or cause to be mailed or delivered, the
20 owner's application for title, certificate, notice of lien, authorization from the first lienholder and
21 title fee to the department of revenue. The delivery of the certificate and executing a notice of

22 authorization to add a subordinate lien does not affect the rights of the first lienholder under the
23 security agreement;

24 (4) Upon receipt of the documents and fee required in subdivision (3) of this section, the
25 director of revenue shall issue a new certificate of ownership containing the name and address
26 of the new lienholder, and shall mail the certificate as prescribed in section 700.355, or if a
27 lienholder who has elected for the director of revenue to retain possession of an electronic
28 certificate of ownership, the lienholder shall either mail or deliver to the director a notice of
29 authorization for the director to add a subordinate lienholder to the existing certificate. Upon
30 receipt of such authorization, a notice of lien and required documents and title fee, if applicable,
31 from a subordinate lienholder, the director shall add the subordinate lienholder to the certificate
32 of ownership being electronically retained by the director and provide confirmation of the
33 addition to both lienholders.

34 **2. With respect to a manufactured home that is or will be permanently affixed to**
35 **real estate, upon recordation of an affidavit of affixation under section 442.015, and**
36 **satisfaction of the requirements of subsections 1 to 3 of section 700.111, as applicable, any**
37 **perfection or termination of a security interest with respect to such permanently affixed**
38 **property shall be governed by chapter 442.**

700.370. 1. Upon the satisfaction of a lien or encumbrance on a manufactured home,
2 the lienholder shall, within ten days after demand, release the lien or encumbrance on the
3 certificate or a separate document, and mail or deliver the certificate or separate document to the
4 owner or any person who delivers to the lienholder an authorization from the owner to receive
5 the certificate or separate document. Each perfected subordinate lienholder, if any, shall release
6 such lien or encumbrance as provided in this section for the first lienholder. The release on the
7 certificate or separate document shall be notarized. The owner may cause the certificate of title,
8 the release, and the required fee to be mailed or delivered to the director of revenue, who shall
9 release the lienholder's rights on the certificate and issue a new certificate of title.

10 **2. If the electronic certificate of ownership is in the possession of the director of**
11 **revenue, the lienholder shall notify the director within ten business days of any release of**
12 **a lien and provide the director with the most current address of the owner. The director**
13 **shall note such release on the electronic certificate and if no other lien exists the director**
14 **shall mail or deliver the certificate free of any lien to the owner.**

700.375. 1. Sections 700.350 to 700.380 shall not apply to or affect:

2 (1) A lien given by statute or rule of law to a supplier of services or materials for the
3 manufactured home;

4 (2) A lien given by statute to the United States, this state or any political subdivision of
5 this state;

6 (3) A lien or encumbrance on a manufactured home created by a manufacturer or dealer
7 who holds the manufactured home for sale.

8 2. **Except as otherwise provided in paragraph (e) of section 400.9-303, with respect**
9 **to security interests in manufactured homes perfected by filing under article 9 of chapter**
