

HB 1405 -- Dissolution of Marriage and Legal Separation Court
Records

Sponsor: Cox

This bill allows any pleading or filing, other than the interlocutory or final judgment, in a dissolution of marriage or legal separation filed before August 28, 2009, to be a public record if the court clerk has redacted the Social Security number from all the pleadings or filings. Upon a request, the clerk must redact the Social Security number from any filings, judgment, or pleading before releasing the information to the public.
