

HB 1612 -- Sewer District Trustees

Sponsor: Molendorp

This bill increases from eight to 10 members the sewer district boards of trustees in the counties of Cass and Jackson. Each board will consist of the county executive, mayors of the five largest-user cities, mayors of three other cities who are members of the sewer district advisory board, and one member of the county legislature. In the event the district extends its boundaries into a bordering county, the presiding commissioner or county executive of the bordering county will become the eleventh member of the board.
