Any person who commits the crime of endangerment of an emergency personnel or emergency responder will be fined up to \$1,000 and have four points assessed against his or her driver's license in addition to any other penalty authorized by law. If the offense results in the injury or death of an emergency responder or emergency personnel, the person will be guilty of aggravated endangerment of an emergency responder and subject to a fine of up to \$5,000 for an injury and up to \$10,000 for a death with 12 points assessed against the person's driver's license.

The bill also increases the amount of the fine assessed for certain traffic violations if the violation occurred in an active emergency zone.
