

HB 2243 -- Substitution of Anti-Epileptic Drugs

Sponsor: Brown (149)

This bill requires pharmacists, pharmacy technicians, and pharmacy interns to provide notification to the prescribing physician, patient, family member or relative, or any other person identified by the patient before substituting one manufacturer of an anti-epileptic drug with another manufacturer of an anti-epileptic drug.

Prescriptions dispensed for inpatients of a hospital, long-term care facility, or facility licensed, certified, or funded by the Department of Mental Health will be exempt from the provisions of the bill.
