

HB 2328 -- Foster Home Licensing Records

Sponsor: Franz

This bill specifies that in response to a request for the release of investigation records of the Children's Division within the Department of Social Services regarding a decision for the denial, suspension, or revocation of a license to operate or maintain a foster home, the division may only include information relating to the nature and disposition of the denial, suspension, or revocation of the license. The licensure records of a foster or adoptive home are to be considered closed and not subject to the provisions of the Open Meetings and Records Law, commonly known as the Sunshine Law.
