25         2. If any city, town or village receives more than thirty-five percent of its annual general  
26 operating revenue from fines and court costs for traffic violations occurring on state highways,  
27 all revenues from such violations in excess of thirty-five percent of the annual general operating  
28 revenue of the city, town or village shall be sent to the director of the department of revenue and  
29 shall be distributed annually to the schools of the county in the same manner that proceeds of all
