Except as otherwise provided herein, before the date the first payment of a person's allowance becomes due but not thereafter, a person about to become a retirant may elect to receive his or her allowance for life with or without a partial lump-sum distribution, as provided in this subsection. A person about to become a retirant may elect to receive a partial lump-sum distribution equal to twenty-four times the amount of his or her monthly allowance for life, not including any monthly temporary allowance which may be payable. The retirant's monthly life allowance shall be reduced to eighty-four percent if the retirant's age at the time of retirement is sixty, which percent shall be decreased by four-tenths of one percent for each year the retirant's age at the time of retirement is greater than sixty, or which percent shall be increased by four-tenths of one percent for each year the retirant's age at the time of retirement is less than sixty, **up to a maximum of ninety percent**. The reductions in monthly life allowance in this subsection shall be calculated and applied before any reductions under subsection 2 of this section are calculated and applied.

16 2. Before the date the first payment of a person's allowance becomes due but not
17 thereafter, a person about to become a retirant may elect to have his or her allowance for life
18 reduced but not any temporary allowance which may be payable, and nominate a beneficiary, as
19 provided by option A, B, C, or D set forth below:

20 (1) Option A. Under option A, a retirant's allowance payable to the retirant shall be
21 reduced to a certain percent of the allowance otherwise payable to the retirant. If such first
22 payment due date is on or after October 1, 1998, such percent shall be eighty-five percent if the
23 retirant's age and the retirant's beneficiary's age are the same on such first due date, which shall
24 be decreased by three-quarters of one percent for each year that the beneficiary's age is less than
25 the retirant's age, or which shall be increased by three-quarters of one percent, up to a maximum
26 of ninety percent, for each year that the beneficiary's age is more than the retirant's age. Upon
27 the retirant's death three-quarters of the retirant's reduced allowance to which the retirant would
28 have been entitled had the retirant lived shall be paid to his or her surviving beneficiary,
29 nominated before such first payment due date but not thereafter, who was the retirant's spouse
30 for not less than the two years immediately preceding such first payment due date, or another
31 person aged forty years or older receiving more than one-half support from the retirant for not
32 less than the two years immediately preceding such first payment due date.

33 (2) Option B. Under option B, a retirant's allowance payable to the retirant shall be
34 reduced to a certain percent of the allowance otherwise payable to the retirant. If such first
35 payment due date is on or after October 1, 1998, such percent shall be ninety percent if the
36 retirant's age and the retirant's beneficiary's age are the same on such first payment due date,
37 which shall be decreased by one-half of one percent for each year that the beneficiary's age is less
38 than the retirant's age, or which shall be increased by one-half of one percent, up to a maximum
39 of ninety-five percent for each year that the beneficiary's age is more than the retirant's age.
40 Upon the retirant's death one-half of his or her reduced allowance to which the retirant would
41 have been entitled had the retirant lived shall be paid to the retirant's surviving beneficiary,
42 nominated before such first payment due date but not thereafter, who was either the retirant's
43 spouse for not less than the two years immediately preceding such first payment due date, or
44 another person aged forty years or older receiving more than one-half support from the retirant
45 for not less than the two years immediately preceding such first payment due date.

46 (3) Option C. Under option C, a retirant's allowance payable to the retirant shall be
47 reduced to ninety-five percent of the allowance otherwise payable to the retirant if such first
48 payment due date is on or after October 1, 1998. If the retirant dies before having received one
49 hundred twenty monthly payments of his or her reduced allowance, his or her reduced allowance
50 to which the retirant would have been entitled had the retirant lived shall be paid for the
51 remainder of the one hundred twenty months' period to such person as the retirant shall have

52 nominated by written designation duly executed and filed with the board. If there is no such
53 beneficiary surviving the retirant, the reserve for such allowance for the remainder of such one
54 hundred twenty months' period shall be paid to the retirant's estate.

55 (4) Option D. Some other option approved by the board which shall be the actuarial
56 equivalent of the allowance to which the member is entitled under this system.

57 3. The death of the beneficiary designated under option A or B of subsection 2 of this
58 section before the death of the retirant after retirement shall, upon written notification to the
59 system of the death of the beneficiary, cancel any optional plan elected at retirement to provide
60 continuing lifetime benefits to the beneficiary and shall return the retirant to his or her single
61 lifetime benefit equivalent, to be effective the month following receipt of the written notification
62 of the death of the beneficiary by the system.

63 4. If a member fails to elect a benefit option under subsection 2 of this section, his or her
64 allowance for life shall be paid to the member as a single lifetime benefit.
