

JOURNAL OF THE HOUSE

First Regular Session, 96th GENERAL ASSEMBLY

SIXTY-NINTH DAY, TUESDAY, MAY 10, 2011

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

The eternal God is thy refuge, and underneath are the everlasting arms. (Deuteronomy 33:27)

O God, Who is the refuge and strength of all who put their trust in You, grant us a real measure of Your Holy Spirit as we lift our hearts to You in prayer this morning. You are the Father of all people, and we are Your children. Help us to love You as children ought to love their parents. Help us to love one another as we ought to love one another in all sincerity and truth. In this free land may we learn to live together in peace and good will.

Bless Missouri with Your continued presence, and may our state be Your servant for freedom, and breathe Your peace into our hearts. And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Baylee Watts, Hannah Danielle Klippenstein, Mikalah Ann Klippenstein, Addie Von Drehle, Catherine Brooks, Meg Thoma and Laini Reynolds.

The Journal of the sixty-eighth day was approved as printed.

House Amendment No. 2

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 202, Page 1, Section A, Line 2, by inserting after all of said line the following:

"105.935. 1. Any state employee who has accrued any overtime hours may choose to use those hours as compensatory leave time provided that the leave time is available and agreed upon by both the state employee and his or her supervisor.

2. A state employee who is a nonexempt employee pursuant to the provisions of the Fair Labor Standards Act shall be eligible for payment of overtime in accordance with subsection 4 of this section. A nonexempt state employee who works on a designated state holiday shall be granted equal compensatory time off duty or shall receive, at his or her choice, the employee's straight time hourly rate in cash payment. A nonexempt state employee shall be paid in cash for overtime unless the employee requests compensatory time off at the applicable overtime rate. As used in this section, the term "state employee" means any person who is employed by the state and earns a salary or wage in a position normally requiring the actual performance by him or her of duties on behalf of the state, but shall not include any employee who is exempt under the provisions of the Fair Labor Standards Act or any employee of the general assembly.

3. Beginning on January 1, 2006, and annually thereafter each department shall pay all nonexempt state employees in full for any overtime hours accrued during the previous calendar year which have not already been paid or used in the form of compensatory leave time. All nonexempt state employees shall have the option of retaining up to a total of eighty compensatory time hours **at any time during the year**.

4. The provisions of subsection 2 of this section shall only apply to nonexempt state employees who are otherwise eligible for compensatory time under the Fair Labor Standards Act, excluding employees of the general assembly. Any nonexempt state employee requesting cash payment for overtime worked shall notify such employee's department in writing of such decision and state the number of hours, no less than twenty, for which payment is desired. The department shall pay the employee within the calendar month following the month in which a valid request is made. Nothing in this section shall be construed as creating a new compensatory benefit for state employees.

5. Each department shall, by November first of each year, notify the commissioner of administration, the house budget committee chair, and the senate appropriations committee chair of the amount of overtime paid in the previous fiscal year and an estimate of overtime to be paid in the current fiscal year. The fiscal year estimate for overtime pay to be paid by each department shall be designated as a separate line item in the appropriations bill for that department. The provisions of this subsection shall become effective July 1, 2005.

6. Each state department shall report quarterly to the house of representatives budget committee chair, the senate appropriations committee chair, and the commissioner of administration the cumulative number of accrued overtime hours for department employees, the dollar equivalent of such overtime hours, the number of authorized full-time equivalent positions and vacant positions, the amount of funds for any vacant positions which will be used to pay overtime compensation for employees with full-time equivalent positions, and the current balance in the department's personal service fund.

7. This section is applicable to overtime earned under the Fair Labor Standards Act. This section is applicable to employees who are employed in nonexempt positions providing direct client care or custody in facilities operating on a twenty-four-hour seven-day-a-week basis in the department of corrections, the department of mental health, the division of youth services of the department of social services, and the veterans commission of the department of public safety."; and

Further amend said title, enacting clause and intersectional references accordingly.

House Amendment No. 3

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 202, Page 2, Section 130.028, Line 48, by inserting after all of said line the following:

"429.010. 1. Any person who shall do or perform any work or labor upon land, rent any machinery or equipment, or use any rental machinery or equipment, or furnish any material, fixtures, engine, boiler or machinery for any building, erection or improvements upon land, or for repairing, grading, excavating, or filling of the same, or furnish and plant trees, shrubs, bushes or other plants or provides any type of landscaping goods or services or who installs outdoor irrigation systems under or by virtue of any contract with the owner or proprietor thereof, or his or her agent, trustee, contractor or subcontractor, or without a contract if ordered by a city, town, village or county having a charter form of government to abate the conditions that caused a structure on that property to be deemed a dangerous building under local ordinances pursuant to section 67.410, upon complying with the provisions of sections 429.010 to 429.340, shall have for his or her work or labor done, machinery or equipment rented or materials, fixtures, engine, boiler, machinery, trees, shrubs, bushes or other plants furnished, or any type of landscaping goods or services provided, a lien upon such building, erection or improvements, and upon the land belonging to such owner or proprietor on which the same are situated, to the extent of three acres; or if such building, erection or improvements be upon any lot of land in any town, city or village, or if such building, erection or improvements be for manufacturing, industrial or commercial purposes and not within any city, town or village, then such lien shall be upon such building, erection or improvements, and the lot, tract or parcel of land upon which the same are situated, and not limited to the extent of three acres, to secure the payment of such work or labor done, machinery or equipment rented, or materials, fixtures, engine, boiler, machinery, trees, shrubs, bushes or other plants or any type of landscaping goods or services furnished, or outdoor irrigation systems installed; except that if such building, erection or improvements be not within the limits of any city, town or village, then such lien shall be also upon the land to the extent necessary to provide a roadway for ingress to and egress from the lot, tract or parcel of land upon which such building, erection or improvements are situated, not to exceed forty feet in width, to the nearest public road or highway. Such lien shall be enforceable only against the property of the original purchaser of such plants unless the lien is filed against the property prior to the conveyance of such property to a third person. For claims involving the rental of machinery or equipment to others who use the rental machinery or equipment, the lien shall be for the reasonable rental value of the machinery or equipment during the period of actual use and any periods of nonuse taken into account in the rental contract, while the machinery or equipment is on the property in question.

2. There shall be no lien involving the rental of machinery or equipment unless:

- (1) The improvements are made on commercial property;
- (2) The amount of the claim exceeds five thousand dollars; and

(3) The party claiming the lien provides written notice within five business days of the commencement of the use of the rental machinery or equipment to the property owner that rental machinery or equipment is being used upon their property. Such notice shall identify the name of the entity that rented the machinery or equipment, the machinery or equipment being rented, and the rental rate. Nothing contained in this subsection shall apply to persons who use rented machinery or equipment in performing the work or labor described in subsection 1 of this section.

3. (1) No lien shall be permitted on behalf of a collective bargaining unit fringe benefit fund with respect to all employee benefits, dues, and fringe costs arising out of the performance of work by a subcontractor or a lower tier subcontractor unless:

(a) a. The subcontractor or lower tier subcontractor is delinquent, which means being at least thirty days late, in making timely payments of employee benefits, dues, or fringe costs to the fund.

b. If the fund has actual knowledge that the delinquency relates to work performed on a particular project, the fund shall advise the original contractor for the project in question in writing of the fact of such delinquency, identifying the subcontractor or lower tier subcontractor at issue and an approximation of the amount of the obligation at issue within fifteen days after the subcontractor or lower tier subcontractor at issue becomes delinquent in payment.

c. If the fund does not have the actual knowledge described in subparagraph b. of this paragraph at a time that will permit it to comply with the timing requirements of subparagraph b. of this paragraph, the fund shall provide the written notice required by subparagraph b. of this paragraph within ten days after the fund acquires such actual knowledge.

d. An original contractor or subcontractor may make a request in writing for a written confirmation from the fund confirming that for a specific subcontractor or any of its specifically identified lower tier subcontractors with respect to a specifically identified project, all employee benefits, dues, and fringe costs arising out of the performance of the work on such project by the subcontractor and all of its lower tier subcontractors otherwise due to the fund have been paid. Such written requests shall be deemed effective if sent by certified mail, return receipt requested. The fund shall respond in writing by certified mail, return receipt requested, to such a request for confirmation within ten days of the fund's receipt of the request; and

(b) The fund has timely and accurately responded to any request for confirmation made under the terms of paragraph (a) of this subdivision.

(2) The obligations of this subsection shall apply with equal force and effect to like claims by a fund under a payment bond issued by an original contractor on a construction project, regardless of whether such construction project is a private project or a public works project."; and

Further amend said title, enacting clause and intersectional references accordingly.

Therefore, I will vote present if this bill comes to the floor.
