

HB 204 -- DRIVER'S LICENSE RENEWAL FOR MILITARY PERSONNEL

Currently, a resident who is a member of the national guard or the armed forces of the United States or any of its reserves who is serving on active duty and fails to renew his or her driver's license is not required to take a complete examination if he or she renews within 60 days after completing the military service. This bill specifies that the member will be given 90 days after completing the military service and re-establishing residence within the state to renew his or her license without being required to take the complete examination.

Any person discharged from the armed forces of the United States will have six months from the date of discharge or within 90 days after re-establishment of residence within the state, whichever is sooner, to renew an expired driver's license without examination. A Missouri resident on active military duty or any dependent, 21 years of age or older, residing outside Missouri or the United States may renew his or her driver's license by mail.
