

HB 402 -- Liens for Architects, Professional Engineers, Land Surveyors, Landscape Architects, and Well Diggers

Sponsor: Diehl

This bill increases, from one to three acres, the extent of acreage authorized for a lien on property to secure payment for work performed by an architect, engineer, land surveyor, landscape architect, or well digger.

The statute of limitations for an error or omission in a land survey is increased from five years after the error or omission is discovered to 10 years from the completion of the survey.
