

HCS HB 412 -- WHOLESALE DRUG DISTRIBUTORS (Smith, 150)

COMMITTEE OF ORIGIN: Committee on Health Care Policy

This substitute defines "legend drug" as it relates to regulating wholesale drug distributors as any drug or biological product that is subject to certain federal laws and required to be dispensed by prescription only or used by practitioners only excluding any drug being used for conducting a clinical trial or investigation.

FISCAL NOTE: No impact on state funds in FY 2012, FY 2013, and FY 2014.
