---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Sections 173.606, 173.608, 173.612, 173.614, and 173.618, RSMo, are  
2 repealed and five new sections enacted in lieu thereof, to be known as sections 173.606, 173.608,  
3 173.612, 173.614, and 173.618, to read as follows:

173.606. 1. Annually, each proprietary school desiring to operate in this state shall make  
2 written application to the board on forms furnished by the board. Such application shall include  
3 the identification of all locations operated by a proprietary school and shall identify a single  
4 location as a principal facility for the purpose of record keeping and administration. Any  
5 location at which education is offered by a franchisee of a franchisor approved to operate as a  
6 proprietary school shall be deemed a location within the scope of such franchisor's approval if  
7 such franchisor establishes the course curriculum and guidelines for teaching at such location.

8 2. The department of higher education shall review the application and may conduct an  
9 investigation of the applicant to ensure compliance with the rules and regulations. **A**  
10 **proprietary school in continuous operation for a period of no less than five years shall be**  
11 **eligible to apply for certification that is valid for two years.**

12 3. A certificate of approval is nontransferable. A change in the sole proprietor of a  
13 school, a change in the majority interest of general partners of a partnership owning a school, or  
14 a change in majority of stock ownership of a school shall for the purpose of sections 173.600 to  
15 173.618 be deemed a transfer of ownership. Within thirty days of a transfer of ownership the  
16 new owner shall make written application to the board for a new certificate of approval. This

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

17 application shall be processed like an initial application, except that the board may issue a  
18 temporary certificate of approval if the chief administrator of the school furnishes a written  
19 statement asserting that all of the conditions set forth in the rules and regulations are being met  
20 or will be met before offering training or education. A temporary certificate shall be effective  
21 for a maximum of sixty days.

22 4. Any school denied exemption or a certificate of approval and any approved school  
23 whose certificate is revoked or suspended may appeal to the administrative hearing commission.

173.608. 1. The **base** annual fee for a proprietary school certificate of approval shall be  
2 ~~[\$.001]~~ **\$.0013** per one dollar of net tuition and fees income (excluding refunds, books, tools and  
3 supplies), with a maximum of [two thousand five hundred] **five thousand** dollars and a  
4 minimum of [two hundred fifty] **five hundred** dollars per school. For a school having a  
5 certificate of approval for the sole purpose of recruiting students in Missouri, the net tuition used  
6 for this computation shall be only that paid to the school by students recruited from Missouri and  
7 the fee shall be [two hundred fifty] **five hundred** dollars plus the amount produced by the  
8 foundation calculation. **Every five years, beginning with fiscal year 2013, the coordinating**  
9 **board may increase the base annual fee as well as the related minimum and maximum**  
10 **amounts by administrative rule no more than the Consumer Price Index for All Urban**  
11 **Consumers (CPI-U), 1982-1984=100, not seasonally adjusted, as defined and officially**  
12 **recorded by the United States Department of Labor, or its successor agency, for the period**  
13 **since the last fee increase.**

14 **2. In addition to the annual fee for a certificate of approval, the coordinating board**  
15 **may establish by administrative rule additional appropriate fees if necessary to generate**  
16 **funding sufficient to cover the entirety of costs associated with the operation of the**  
17 **proprietary school certification program, with advice of the proprietary school advisory**  
18 **committee.**

19 [2.] **3.** Any school which operates at two or more locations, or has franchised schools as  
20 provided in section 173.606, may combine tuition and fees for all locations for the purpose of  
21 determining the annual fee payable under sections 173.600 to 173.618. [All fees received shall  
22 be deposited in the state treasury to the credit of general revenue.]

23 **4. All revenue received by the coordinating board from the fees authorized in this**  
24 **section shall be deposited in the state treasury to the credit of the "Proprietary School**  
25 **Certification Fund" which is hereby created for the sole purpose of funding the costs**  
26 **associated with the operation of the proprietary school program. Notwithstanding the**  
27 **provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end**  
28 **of the biennium shall not revert to the credit of the general revenue fund.**

173.612. 1. The board shall, through the department of higher education, administer, supervise, and enforce the provisions and policies of sections 173.600 to 173.618 and shall assign the personnel that are necessary to exercise its powers and duties.

2. The rules and regulations adopted by the board under sections 173.600 to 173.618, together with any amendments thereto, shall be filed with the office of the secretary of state. The board may:

(1) Issue proprietary school certificates of approval or temporary certificates of approval to applicants meeting the requirements of sections 173.600 to 173.618;

(2) Suspend or revoke certificates or temporary certificates of approval, or place certified schools on probation;

(3) Require each proprietary school to file a security bond covering the school and its agents to indemnify any student, enrollee or parent, guardian, or sponsor of a student or enrollee who suffers loss or damage because of a violation of sections 173.600 to 173.618 by the school, or because a student is unable to complete the course due to the school's ceasing operation or because a student does not receive a refund to which he is entitled. The bond or other security shall cover all the facilities and locations of a proprietary school and shall not be less than five thousand dollars or ten percent of the preceding year's gross tuition, whichever is greater, but in no case shall it exceed [twenty-five] **one hundred** thousand dollars. The bond shall clearly state that the school and the agents of the school are covered by it. The board may authorize the use of certificates of deposit, letters of credit, or other assets to be posted as security in lieu of this surety bond requirement;

(4) Collect **only that** data from certified proprietary schools [appropriate to establish records and statistics necessary to provide evaluation and planning by the department of higher education] **necessary to administer, supervise, and enforce the provisions of section 173.604. The department shall, subject to appropriations, provide a system to electronically submit all data;**

(5) **Review proposals for new programs within ninety days from the date that a certified school submits a new program for review, and review proposals for revised programs within sixty days from the date that a certified school submits a revised program for review. If the department fails to review a proposal for a new or revised program within ninety days, the school shall be permitted to offer the program until and unless the department completes its review and identifies a substantive issue or issues that need correction. In such case the school would then have ninety days from the date it is informed that a program offering has a deficiency to correct the deficiency without having to cease offering the program;**

(6) Administer sections 173.600 to 173.618 and initiate action to enforce it.

37           3. Any school which closes or whose certificate of approval is suspended, revoked, or  
38 not renewed shall, on the approval of the coordinating board, make partial or full refund of  
39 tuition and fees to the students enrolled, continue operation under a temporary certificate until  
40 students enrolled have completed the program for which they were enrolled, make arrangements  
41 for another school or schools to complete the instruction for which the students are enrolled,  
42 employ a combination of these methods in order to fulfill its obligations to the students, or  
43 implement other plans approved by the coordinating board.

44           4. Any rule or portion of a rule promulgated pursuant to sections 173.600 to 173.618  
45 may be suspended by the joint house-senate committee on administrative rules until such time  
46 as the general assembly may by concurrent resolution signed by the governor reinstate such rule.

173.614. 1. The "Proprietary School Advisory Committee" is hereby created consisting  
2 of seven members. All members shall be appointed by the [board] **commissioner of higher**

12 **at least three members of the committee shall represent schools that confer a degree and**  
13 **at least one of the three shall represent a school that confers a degree at the baccalaureate**
