

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TWENTY-THIRD DAY, TUESDAY, FEBRUARY 14, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Look unto Me, and be ye saved, all the ends of the earth: for I am God, and there is no other. (Isaiah 45:22)

Spirit of God, arise within our hearts and make us ready for the tasks of this day. Help us to turn our thoughts to You and to open our hearts to Your spirit that we may always be honest in our dealings, understanding in our endeavors, and loving in our relationships.

From this moment of prayer on St. Valentine's Day, may there come a power which will carry us through every experience with courage, love and faith.

Bless our people with Your favor, that being mindful of Your spirit we may live together in peace and good will, and all of us work for the good of all. May those who walk through the valley of the shadow of death find comfort and strength in You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-second day was approved as printed by the following vote:

“537.850. 1. Sections 537.850 to 537.862 shall be known and may be cited as the "Agritourism Promotion Act".

2. As used in sections 537.850 to 537.862, the following terms shall mean:

(1) "Agritourism activity", any activity which allows members of the general public for recreational, entertainment, or educational purposes to view or enjoy rural activities, including but not limited to farming activities, ranching activities, or historic, cultural, or natural attractions. An activity may be an agritourism activity whether or not the participant pays to participate in the activity. An activity is not an agritourism activity if the participant is paid to participate in the activity;

(2) "Department", the state department of agriculture;

(3) "Director", the director of the department of agriculture;

(4) "Inherent risks of a registered agritourism activity", those dangers or conditions which are an integral part of such agritourism activity, including but not limited to certain hazards such as surface and subsurface conditions; natural conditions of land, vegetation, and waters; the behavior of wild or domestic animals; and ordinary dangers of structures or equipment ordinarily used in farming or ranching operations. Inherent risks of a registered agritourism activity also includes the potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, such as failing to follow instructions given by the registered agritourism operator or failing to exercise reasonable caution while engaging in the registered agritourism activity;

(5) "Participant", any person who engages in a registered agritourism activity;

(6) "Registered agritourism activity", any agritourism activity that is registered with the director of the department of agriculture under section 537.853, and any rules promulgated thereunder;

(7) "Registered agritourism location", a specific parcel of land which is registered with the director of the department of agriculture under section 537.853, and any rules promulgated thereunder, and where a registered agritourism operator engages in registered agritourism activities;

(8) "Registered agritourism operator", any person who is engaged in the business of providing one or more agritourism activities and is registered with the director of the department of agriculture under section 537.853, and any rules promulgated thereunder.

537.853. 1. Any person who is engaged in the business of providing one or more agritourism activities may register with the director of the department of agriculture. The registration shall contain all of the following:

(1) Information describing the agritourism activity which the person conducts or intends to conduct;

(2) Information describing the location where the person conducts or intends to conduct such agritourism activity.

2. The department shall maintain a list of all registered agritourism operators, the registered agritourism activities conducted by each operator, and the registered agritourism location where the operator conducts such activities. Such list shall be made available to the public. The department shall promote and publicize registered agritourism operators, activities, and locations to advance the purpose of sections 537.850 to 537.862 by promoting and encouraging tourism.

3. Registration under this section shall be for a period of two years.

4. A registration fee not to exceed one hundred dollars may be imposed on an applicant to cover the actual administrative costs associated with such registration under this section.

537.856. 1. At every registered agritourism location, the registered agritourism operator shall post and maintain signage which contains the warning notice specified in subsection 3 of this section. The requirements of this section shall be deemed satisfied if such signage is placed in a clearly visible location at or near the registered agritourism location. The warning notice shall appear on the sign in black letters, with each letter to be at least one inch in height.

2. Every written contract entered into by a registered agritourism operator for the providing of a registered agritourism activity shall contain in clearly readable print the warning notice and language specified in subsection 3 of this section.

3. The required signage under this section shall contain the following warning notice:

"WARNING: Under Missouri law, there is no liability for an injury or death of a participant in a registered agritourism activity conducted at this registered agritourism location if such injury or death results from the inherent risks of such agritourism activity. Inherent risks of agritourism activities include, but are not limited to, the potential of you as a participant to act in a negligent manner that may contribute to your injury or death and the potential of another participant to act in a negligent manner that may contribute to your injury or death. You are assuming the risk of participating in this registered agritourism activity."

4. Upon request, the registered agritourism operator shall provide to any participant a written description of the registered agritourism activity, as set forth in the registration under section 537.853 for which sections 537.850 to 537.862 limits the registered agritourism operator's liability at the registered agritourism location.

537.859. 1. Any participant is assuming the inherent risks of a registered agritourism activity when such participant engages in such agritourism activity. Except as provided in subsection 2 of this section, a registered agritourism operator is not liable for injury to or death of a participant resulting from the inherent risks of agritourism activities so long as the warning contained in section 537.856 is posted as required and, except as provided in subsection 2 of this section, no participant or participant's representative shall maintain an action against or recover from a registered agritourism operator for injury, loss, damage, or death of the participant resulting exclusively from any of the inherent risks of agritourism activities.

2. Nothing in sections 537.850 to 537.862 shall prevent or limit the liability of a registered agritourism operator if the registered agritourism operator:

- (1) Injures the participant by willful or wanton conduct;**
- (2) Has actual knowledge or should have known of a dangerous condition in the facilities or equipment used in the registered agritourism activity and does not make such dangerous condition known to a participant and such dangerous condition causes the participant to sustain injuries; or**
- (3) Fails to use that degree of care that an ordinarily careful and prudent person would use under the same or similar circumstances.**

3. In any action for damages for personal injury, death, or property damage arising from the operation of a registered tourism activity in which an owner or operator is named as a defendant, it shall be an affirmative defense to that liability that:

- (1) The injured person assumed the risk;**
- (2) The injured person deliberately disregarded conspicuously posted signs, verbal instructions, or other warnings regarding safety measures during the activity; or**
- (3) Any equipment, animals, or appliance used by the injured person during the activity were used in a manner or for a purpose other than that for which a reasonable person should have known they were intended.**

537.862. 1. There is hereby created in the state treasury the "Agritourism Fee Fund", which shall consist of any moneys appropriated to the fund and registration fees collected under section 537.853. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. Upon appropriation, money in the fund shall be used solely for the administration of sections 537.850 to 537.862.

2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund."; and

HOUSE CONCURRENT RESOLUTION NO. 22

WHEREAS, women have served honorably and with courage in all of America's wars and conflicts since the American Revolution; and

WHEREAS, the United States military has evolved from a predominantly male force to a force of over 14% women who are currently serving on active duty, and nearly 17% serving in the Reserves and National Guard; and

WHEREAS, the population of women veterans is increasing exponentially from 1.1 million in 1980 to a projection of nearly 2 million by 2020, and will comprise more than 10% of the veteran population; and

WHEREAS, the projected population of male veterans is expected to continue to decline; and

WHEREAS, given that an unprecedented number of women are serving in the military and participating in Operation Enduring Freedom and Operation Iraqi Freedom, the United States Department of Veterans Affairs (VA) is working to provide consistent, comprehensive, and quality health care and benefits to women veterans of all eras; and

WHEREAS, the number of women veterans has increased over the last decade because there is an increasing number and proportion of women who are entering and leaving the military, and women are living longer than men and have a younger age distribution compared to male veterans; and

WHEREAS, even though the VA has been at the forefront of health care and lifestyle solutions affecting an aging male population, there is now a growing need to improve health care services for women veterans, ensure clinicians are properly trained to provide primary care and gender specific care to women of all ages, and identify innovative courses of treatment and solutions to obstacles that are unique to women veterans; and

WHEREAS, with a rapidly increasing number of women serving in the military today and returning from deployments as seasoned veterans, and some with exposure to combat, VA facilities and veterans service organizations are working to ensure that the post-deployment mental and physical health needs unique to women veterans are also met; and

WHEREAS, even though the roles of women in the military have changed over time and will continue to change, they deserve to be acknowledge for their military service and treated with equal respect:

NOW THEREFORE BE IT RESOLVED that we, the members of the Missouri House of Representatives, Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby encourages the Missouri Veterans Commission and its women veterans state coordinator to work in conjunction with the National Foundation for Women Legislators and the Center for Women Veterans at the United States Department of Veterans Affairs to reach out to all women veterans within the State of Missouri to encourage them to bring their specific needs and concerns to the attention of agency officials so that state legislators and agency officials may work together to identify unique issues impacting women veterans and consider policy solutions that will improve the quality of life for women veterans within this state; and

BE IT FURTHER RESOLVED that the Missouri General Assembly formally honors all of the women in this state who have heroically answered their call to duty and recognizes the important role women have played in shaping this great nation; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Missouri Veterans Commission.

Mr. Speaker: Your Committee on Veterans, to which was referred **HB 1098** and **HB 1084**, begs leave to report it has examined the same and recommends that it **Do Pass by Consent with House Committee Substitute**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.
