

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SEVENTY-THIRD DAY, TUESDAY, MAY 15, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

My presence shall go with thee, and I will give thee rest. (Exodus 33:14)

O God, beyond Whose enduring love we cannot drift, in the glory of a new day we lift our hearts to You. We devote ourselves to the duties that demand our attention. We would be still in Your presence and rest in the assurance of Your sustaining strength.

Bless these representatives of our people as they think together, plan together, and work together for the good of our state. Help them to take the tensions and the trials of their tasks, the stress and strain of modern life in their stride, and to overcome them by learning to relax by taking time to keep Your spirit alive in their hearts.

May we discover the secret of the power of prayer; may we be led in right paths, and may our days be filled with faith, hope and love.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Madeline Klippenstein, Mikalah Klippenstein, Hannah Klippenstein, Savannah Wall, Zoe Heinz, Elizabeth Mulligan, Carter Philipp, Luke Smith and Brittany Fouquet.

The Journal of the seventy-second day was approved as printed.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HB 1141**.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS SCS HCS HB 1150**, entitled:

An act to repeal sections 301.190, 301.193, and 301.227, RSMo, and to enact in lieu thereof three new sections relating to the issuance of certificate of titles for motor vehicles.

With Senate Amendment No. 1 and Senate Amendment No. 2.

Senate Amendment No. 1

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1150, Page 18, Section 301.227, Line 23, by inserting after all of said line the following:

"301.600. 1. Unless excepted by section 301.650, a lien or encumbrance on a motor vehicle or trailer, as defined by section 301.010, is not valid against subsequent transferees or lienholders of the motor vehicle or trailer who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 301.600 to 301.660.

2. Subject to the provisions of section 301.620, a lien or encumbrance on a motor vehicle or trailer is perfected by the delivery to the director of revenue of a notice of a lien in a format as prescribed by the director of revenue. The notice of lien is perfected as of the time of its creation if the delivery of such notice to the director of revenue is completed within thirty days thereafter, otherwise as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the motor vehicle or trailer and the secured party, a description of the motor vehicle or trailer, including the vehicle identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of such notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

3. Notwithstanding the provisions of section 301.620, on a refinance **by a different lender** of a **prior** loan secured by a motor vehicle or trailer a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

4. To perfect a subordinate lien, the notice of lien must be accompanied by the documents required to be delivered to the director pursuant to subdivision (3) of section 301.620.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" on the notice of lien and noted on the certificate of ownership if the motor vehicle or trailer is subject to only one notice of lien. To secure future advances when an existing lien on a motor vehicle or trailer does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows: proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. If a motor vehicle or trailer is subject to a lien or encumbrance when brought into this state, the validity and effect of the lien or encumbrance is determined by the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrance attached that the motor vehicle or trailer would be kept in this state and it was brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state is determined by the law of this state;

(2) If the lien or encumbrance was perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state three months after a first certificate of ownership of the motor vehicle or trailer is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period; in that case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, it may be perfected in this state; in that case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection either as provided in subsection 2 or 4 of this section or by the lienholder delivering to the director of revenue a notice of lien or encumbrance in the form the director of revenue prescribes and the required fee.

7. By rules and regulations, the director of revenue shall establish a security procedure for the purpose of verifying that an electronic notice of lien or notice of satisfaction of a lien on a motor vehicle or trailer given as permitted in sections 301.600 to 301.640 is that of the lienholder, verifying that an electronic notice of confirmation of ownership and perfection of a lien given as required in section 301.610 is that of the director of revenue, and detecting error in the transmission or the content of any such notice. A security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself be a security procedure.

306.400. 1. As used in sections 306.400 to 306.440, the terms motorboat, vessel, and watercraft shall have the same meanings given them in section 306.010, and the term outboard motor shall include outboard motors governed by section 306.530.

2. Unless excepted by section 306.425, a lien or encumbrance on an outboard motor, motorboat, vessel, or watercraft shall not be valid against subsequent transferees or lienholders of the outboard motor, motorboat, vessel or watercraft, who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 306.400 to 306.430.

3. A lien or encumbrance on an outboard motor, motorboat, vessel or watercraft is perfected by the delivery to the director of revenue of a notice of lien in a format as prescribed by the director. Such lien or encumbrance shall be perfected as of the time of its creation if the delivery of the items required in this subsection to the director of revenue is completed within thirty days thereafter, otherwise such lien or encumbrance shall be perfected as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the outboard motor, motorboat, vessel or

watercraft and the secured party, a description of the outboard motor, motorboat, vessel or watercraft motor, including any identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of each notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

4. Notwithstanding the provisions of section 306.410, on a refinance **by a different lender** of a **prior** loan secured by an outboard motor, motorboat, vessel or watercraft, a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" in the second lienholder's portion of the notice of lien. To secure future advances when an existing lien on an outboard motor, motorboat, vessel or watercraft does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows. Proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. Whether an outboard motor, motorboat, vessel, or watercraft is subject to a lien or encumbrance shall be determined by the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrances attached that the outboard motor, motorboat, vessel, or watercraft would be kept in this state and it is brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state shall be determined by the laws of this state;

(2) If the lien or encumbrance was perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, his or her lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by the jurisdiction, the lien or encumbrance continues perfected in this state for three months after the first certificate of title of the outboard motor, motorboat, vessel, or watercraft is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period, in which case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, it may be perfected in this state, in which case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection in the same manner as provided in subsection 3 of this section.

7. The director of revenue shall by rules and regulations establish a security procedure to verify that an electronic notice or lien or notice of satisfaction of a lien on an outboard motor, motorboat, vessel or watercraft given pursuant to sections 306.400 to 306.440 is that of the lienholder, to verify that an electronic notice of confirmation of ownership and perfection of a lien given pursuant to section 306.410 is that of the director of revenue and to detect error in the transmission or the content of any such notice. Such a security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself constitute a security procedure."; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 2

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1150, Page 18, Section 301.227, Line 23, by inserting immediately after said line the following:

"430.020. Every person who shall keep or store any vehicle[,] or part or equipment thereof, shall, for the amount due therefor, have a lien; and every person who furnishes labor or material on any vehicle [or aircraft,] or part or equipment thereof, who shall obtain a written memorandum of the work or material furnished, or to be furnished, signed by the owner of the vehicle [or aircraft], or part or equipment thereof, **and every person who furnishes labor or material on any aircraft or part or equipment thereof, who shall obtain a written memorandum of the work or material furnished, or to be furnished, signed by the owner, authorized agent of the owner, or person in lawful possession of the aircraft or part or equipment thereof,** shall have a lien for the amount of such work or material as is ordered or stated in such written memorandum. Such liens shall be on the vehicle or aircraft, or part or equipment thereof, as shall be kept or stored, or be placed in the possession of the person furnishing the labor or material; provided, however, the person furnishing the labor or material **on the aircraft or part or equipment thereof,** may retain the lien after surrendering possession of the aircraft or part or equipment thereof by filing a statement in the office of the county recorder of the county where the owner of the aircraft or part or equipment thereof resides, if known to the claimant, and in the office of the county recorder of the county where the labor or material was furnished. Such statement shall be filed within [thirty] **one hundred eighty** days after surrendering possession of the aircraft or part or equipment thereof and shall state the claimant's name and address, the items on account, the name of the owner and a description of the property, and shall not bind a bona fide purchaser unless said lien has also been filed with the Federal Aviation Administration Aircraft Registry.

430.082. 1. Every person expending labor, services, skill or material upon any motor vehicle or trailer, as defined in chapter 301, vessel, as defined in chapter 306, outboard motor [or], **or aircraft, or part or equipment of an aircraft,** at a written request of its owner, authorized agent of the owner, or person in lawful possession thereof, or who provides storage for a motor vehicle, trailer, outboard motor or vessel, at the written request of its owner, authorized agent of the owner, or person in lawful possession thereof, or at the written request of a peace officer in lieu of the owner or owner's agent, where such owner or agent is not available to request storage thereof, shall, where the maximum amount to be charged for labor, services, skill or material has been stated as part of the written request or the daily charge for storage has been stated as part of the written request, have a lien upon the chattel beginning upon the date of commencement of the expenditure of labor, services, skill, materials or storage for the actual value of all the expenditure of labor, services, skill, materials or storage until the possession of that chattel is voluntarily relinquished to the owner, authorized agent, or one entitled to possession thereof. The person furnishing labor, services, skill or material **upon an aircraft or part or equipment thereof,** may retain the lien after surrendering possession of the aircraft or part or equipment thereof, by filing a statement in the office of the county recorder of the county where the owner of the aircraft or part or equipment thereof, resides, if known to the claimant, and in the office of the county recorder of the county where the claimant performed the services. Such statement shall be filed within [thirty] **one hundred eighty** days after surrendering possession of the aircraft or part or equipment thereof and shall state the claimant's name and address, the items on account, the name of the owner and a description of the property, and shall not bind a bona fide purchaser unless the lien has also been filed with the Federal Aviation Administration Aircraft Registry.

2. If the chattel is not redeemed within forty-five days of the completion of the requested labor, services, skill or material, the lienholder may apply to the director of revenue for a certificate of ownership or certificate of title.

3. If the charges are for storage or the service of towing the motor vehicle, trailer, outboard motor or vessel, and the chattel has not been redeemed within forty-five days after the charges for storage commenced, the lienholder shall notify by certified mail, postage prepaid, the owner and any lienholders of record other than the person making the notification, at the person's last known address that application for a lien title will be made unless the owner or lienholder within thirty days makes satisfactory arrangements with the person holding the chattel for payment of storage or service towing charges, if any, or makes satisfactory arrangements with the lienholder for paying such charges or for continued storage of the chattel if desired. Thirty days after the notification has been mailed and the chattel is unredeemed, or the notice has been returned marked "not forwardable" or "addressee unknown", and no satisfactory arrangement has been made with the lienholder for payment or continued storage, the lienholder may apply to the director of revenue for a certificate of ownership or certificate of title as provided in this section.

4. The application shall be accompanied by:

(1) The original or a conformed or photostatic copy of the written request of the owner or the owner's agent or of a peace officer with the maximum amount to be charged stated therein;

(2) An affidavit from the lienholder that written notice was provided to all owners and lienholders of the applicants' intent to apply for a certificate of ownership and the owner has defaulted on payment of labor, services, skill or material and that payment is forty-five days past due, or that owner has defaulted on payment or has failed to make satisfactory arrangements for continued storage of the chattel for thirty days since notification of intent to make application for a certificate of ownership or certificate of title. The affidavit shall be accompanied by a copy of the

(3) A statement of the actual value of the expenditure of labor, services, skill or material, or the amount of storage due on the date of application for a certificate of ownership or certificate of title, and the amount which is unpaid; and

(4) A fee of ten dollars.

5. If the director is satisfied with the genuineness of the application, proof of lienholder notification in the form of a certified mail receipt, and supporting documents, and if no lienholder or the owner has redeemed the chattel or no satisfactory arrangement has been made concerning payment or continuation of storage, and if no owner or lienholder has informed the director that the owner or lienholder demands a hearing as provided in this section, the director shall issue, in the same manner as a repossessed title is issued, a certificate of ownership or certificate of title to the applicant which shall clearly be captioned "Lien Title".

6. Upon receipt of a lien title, the holder shall within ten days begin proceedings to sell the chattel as prescribed in section 430.100.

Representative Wells offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 485, Page 1, Section A, Line 3, by inserting after all of said line the following:

“301.600. 1. Unless excepted by section 301.650, a lien or encumbrance on a motor vehicle or trailer, as defined by section 301.010, is not valid against subsequent transferees or lienholders of the motor vehicle or trailer who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 301.600 to 301.660.

2. Subject to the provisions of section 301.620, a lien or encumbrance on a motor vehicle or trailer is perfected by the delivery to the director of revenue of a notice of a lien in a format as prescribed by the director of revenue. The notice of lien is perfected as of the time of its creation if the delivery of such notice to the director of revenue is completed within thirty days thereafter, otherwise as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the motor vehicle or trailer and the secured party, a description of the motor vehicle or trailer, including the vehicle identification number, and such other information as the department of revenue may

prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of such notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

3. Notwithstanding the provisions of section 301.620, on a refinance **by a different lender** of a **prior** loan secured by a motor vehicle or trailer a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

4. To perfect a subordinate lien, the notice of lien must be accompanied by the documents required to be delivered to the director pursuant to subdivision (3) of section 301.620.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" on the notice of lien and noted on the certificate of ownership if the motor vehicle or trailer is subject to only one notice of lien. To secure future advances when an existing lien on a motor vehicle or trailer does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows: proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is receipted for by the department of revenue, and returned to the lienholder.

6. If a motor vehicle or trailer is subject to a lien or encumbrance when brought into this state, the validity and effect of the lien or encumbrance is determined by the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrance attached that the motor vehicle or trailer would be kept in this state and it was brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state is determined by the law of this state;

(2) If the lien or encumbrance was perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state three months after a first certificate of ownership of the motor vehicle or trailer is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period; in that case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, it may be perfected in this state; in that case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection either as provided in subsection 2 or 4 of this section or by the lienholder delivering to the director of revenue a notice of lien or encumbrance in the form the director of revenue prescribes and the required fee.

7. By rules and regulations, the director of revenue shall establish a security procedure for the purpose of verifying that an electronic notice of lien or notice of satisfaction of a lien on a motor vehicle or trailer given as permitted in sections 301.600 to 301.640 is that of the lienholder, verifying that an electronic notice of confirmation of ownership and perfection of a lien given as required in section 301.610 is that of the director of revenue, and detecting error in the transmission or the content of any such notice. A security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself be a security procedure.

306.400. 1. As used in sections 306.400 to 306.440, the terms motorboat, vessel, and watercraft shall have the same meanings given them in section 306.010, and the term outboard motor shall include outboard motors governed by section 306.530.

2. Unless excepted by section 306.425, a lien or encumbrance on an outboard motor, motorboat, vessel, or watercraft shall not be valid against subsequent transferees or lienholders of the outboard motor, motorboat, vessel or watercraft, who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 306.400 to 306.430.

3. A lien or encumbrance on an outboard motor, motorboat, vessel or watercraft is perfected by the delivery to the director of revenue of a notice of lien in a format as prescribed by the director. Such lien or encumbrance shall be perfected as of the time of its creation if the delivery of the items required in this subsection to the director of revenue is completed within thirty days thereafter, otherwise such lien or encumbrance shall be perfected as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the outboard motor, motorboat, vessel or watercraft and the secured party, a description of the outboard motor, motorboat, vessel or watercraft motor, including any identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of each notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

4. Notwithstanding the provisions of section 306.410, on a refinance **by a different lender** of a **prior** loan secured by an outboard motor, motorboat, vessel or watercraft, a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" in the second lienholder's portion of the notice of lien. To secure future advances when an existing lien on an outboard motor, motorboat, vessel or watercraft does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows. Proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is received for by the department of revenue, and returned to the lienholder.

6. Whether an outboard motor, motorboat, vessel, or watercraft is subject to a lien or encumbrance shall be determined by the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrances attached that the outboard motor, motorboat, vessel, or watercraft would be kept in this state and it is brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state shall be determined by the laws of this state;

(2) If the lien or encumbrance was perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, his or her lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by the jurisdiction, the lien or encumbrance continues perfected in this state for three months after the first certificate of title of the outboard motor, motorboat, vessel, or watercraft is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period, in which case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, it may be perfected in this state, in which case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection in the same manner as provided in subsection 3 of this section.

7. The director of revenue shall by rules and regulations establish a security procedure to verify that an electronic notice or lien or notice of satisfaction of a lien on an outboard motor, motorboat, vessel or watercraft given pursuant to sections 306.400 to 306.440 is that of the lienholder, to verify that an electronic notice of confirmation of ownership and perfection of a lien given pursuant to section 306.410 is that of the director of revenue and to detect error in the transmission or the content of any such notice. Such a security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself constitute a security procedure.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

“173.480. 1. There is hereby created in the state treasury the "Higher Education Capital Fund", which shall consist of money collected under this section. The general assembly may appropriate moneys to the fund for the purpose of providing matching funds to public colleges or universities, as provided in this section.

2. Moneys in the fund may be distributed to public colleges or universities in the form of matching funds for the funding of capital projects. The state shall not issue bonds to provide funding under this section. No moneys shall be distributed through the fund without a line item appropriation for a specific project. A public college or university may use the matching funds for new construction, rehabilitation, maintenance, renovation, or reconstruction. A public college or university shall not use any matching funds received pursuant to this section for any athletic facilities, parking structures, or student housing.

3. Any matching funds distributed under this section shall be limited to the amount of fifty percent of the project's cost. To qualify for matching funds, a public college or university shall complete an application to the commissioner of higher education and demonstrate that it has obtained fifty percent of the project's cost through private donations or grants. No funds from the higher education capital fund shall be made available to match funds that a public college or university has obtained from its operating budget, tuition, fees, the issuance of revenue bonds or general obligation bonds, or from any state appropriation.

4. The commissioner of higher education shall create an application and establish procedures for public colleges or universities to follow to receive matching funds under this section. The commissioner of higher education may promulgate rules and regulations to implement this section. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

5. The commissioner of higher education shall administer the higher education capital fund. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180 the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, money in the fund shall be used solely for the administration of this section.

6. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

7. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

8. For purposes of this section, "public colleges or universities" shall mean any public community college, public college, or public university located in the state of Missouri.”; and

House Amendment No. 6

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 563, Page 11, Section 174.450, Line 66, by inserting after all of said section and line the following:

“301.449. [Any] **Only a community college or four-year public or private institution of higher education, or a foundation or organization representing the college or institution**, located in the state of Missouri may **itself authorize or may by the director of revenue be authorized to use the school's** [the use of its] official emblem to be affixed on multiyear personalized license plates as provided in this section. Any contribution to such institution derived from this section, except reasonable administrative costs, shall be used for scholarship endowment or other academically related purposes. Any vehicle owner may annually apply to the institution for the use of the emblem. Upon annual

application and payment of an emblem use contribution to the institution, which shall be set by the governing body of the institution at an amount of at least twenty-five dollars, the institution shall issue to the vehicle owner, without further charge, an "emblem use authorization statement", which shall be presented by the vehicle owner to the department of revenue at the time of registration. Upon presentation of the annual statement and payment of the fee required for personalized license plates in section 301.144, and other fees and documents which may be required by law, the department of revenue shall issue a personalized license plate, which shall bear the seal, emblem or logo of the institution, to the vehicle owner.

The license plate authorized by this section shall use the school colors of the institution, and those colors shall be constructed upon the license plate using a process to ensure that the school emblem shall be displayed upon the license plate in the clearest and most attractive manner possible. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. The license plate authorized by this section shall be issued with a design approved by both the institution of higher education and the advisory committee established in section 301.129. A vehicle owner, who was previously issued a plate with an institutional emblem authorized by this section and does not provide an emblem use authorization statement at a subsequent time of registration, shall be issued a new plate which does not bear the institutional emblem, as otherwise provided by law. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms including establishing a minimum number of license plates which can be issued with the authorized emblem of a participating institution.

301.3150. 1. An organization, other than an organization seeking a special military license plate **or a collegiate or university plate**, that seeks authorization to establish a new specialty license plate shall initially petition the department of revenue by submitting the following:

(1) An application in a form prescribed by the director for the particular specialty license plate being sought, describing the proposed specialty license plate in general terms and have a sponsor of at least one current member of the general assembly **in the same legislative session in which the application is reviewed pursuant to subsection 5 of section 21.795, RSMo**. The application may contain written testimony for support of this specialty plate;

(2) Each application submitted pursuant to this section shall be accompanied by a list of at least two hundred potential applicants who plan to purchase the specialty plate if the specialty plate is approved pursuant to this section;

(3) An application fee, not to exceed five thousand dollars, to defray the department's cost for issuing, developing and programming the implementation of the specialty plate, if authorized; and

(4) All moneys received by the department of revenue, for the reviewing and development of specialty plates shall be deposited in the state treasury to the credit of the "Department of Revenue Specialty Plate Fund" which is hereby created. The state treasurer shall be custodian of the fund and shall make disbursements from the fund requested by the Missouri director of revenue for personal services, expenses, and equipment required to prepare, review, develop, and disseminate a new specialty plate and process the two hundred applications to be submitted once the plate is approved and to refund deposits for the application of such specialty plate, if the application is not approved by the joint committee on transportation oversight and for no other purpose.

2. At the end of each state fiscal year, the director of revenue shall:

(1) Determine the amount of all moneys deposited into the department of revenue specialty plate fund;

(2) Determine the amount of disbursements from the department of revenue specialty plate fund which were made to produce the specialty plate and process the two hundred applications; and

(3) Subtract the amount of disbursements from the income figure referred to in subdivision (1) of this subsection and deliver this figure to the state treasurer.

3. The state treasurer shall transfer an amount of money equal to the figure provided by the director of revenue from the department of revenue specialty plate fund to the state highway department fund. An unexpended balance in the department of revenue specialty plate fund at the end of the biennium not exceeding twenty-five thousand dollars shall be exempt from the provisions of section 33.080 relating to transfer of unexpended balances to the general revenue fund.

4. The documents and fees required pursuant to this section shall be submitted to the department of revenue by July first prior to the next regular session of the general assembly to be approved or denied by the joint committee on transportation oversight during that legislative session.

5. The department of revenue shall give notice of any proposed specialty plate in a manner reasonably calculated to advise the public of such proposal. Reasonable notice shall include posting the proposal for the specialty plate on the department's official public website, and making available copies of the specialty plate application to any representative of the news media or public upon request and posting the application on a bulletin board or other

prominent public place which is easily accessible to the public and clearly designated for that purpose at the principal office.

6. Adequate notice conforming with all the requirements of subsection 5 of this section shall be given not less than four weeks, exclusive of weekends and holidays when the facility is closed, after the submission of the application by the organization to the department of revenue. Written or electronic testimony in support or opposition of the proposed specialty plate shall be submitted to the department of revenue by November thirtieth of the year of filing of the original proposal. All written testimony shall contain the printed name, signature, address, phone number, and email address, if applicable, of the individual giving the testimony.

7. The department of revenue shall submit for approval all applications for the development of specialty plates to the joint committee on transportation oversight during a regular session of the general assembly for approval.

8. If the specialty license plate requested by an organization is approved by the joint committee on transportation oversight, the organization shall submit the proposed art design for the specialty license plate to the department as soon as practicable, but no later than sixty days after the approval of the specialty license plate. If the specialty license plate requested by the organization is not approved by the joint committee on transportation oversight, ninety-seven percent of the application fee shall be refunded to the requesting organization.

9. An emblem-use authorization fee may be charged by the organization prior to the issuance of an approved specialty plate. The organization's specialty plate proposal approved by the joint committee on transportation oversight shall state what fee is required to obtain such statement and if such fee is required annually or biennially, if the applicant has a two-year registration. An organization applying for specialty plates shall authorize the use of its official emblem to be affixed on multiyear personalized license plates within the plate area prescribed by the director of revenue and as provided in this section. Any contribution to the organization derived from the emblem-use contribution, except reasonable administrative costs, shall be used solely for the purposes of the organization. Any member of the organization or nonmember, if applicable, may annually apply for the use of the emblem, if applicable.

10. The department shall begin production and distribution of each new specialty license plate within one year after approval of the specialty license plate by the joint committee on transportation oversight.

11. The department shall issue a specialty license plate to the owner who meets the requirements for issuance of the specialty plate for any motor vehicle such owner owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight.

12. Each new or renewed application for an approved specialty license plate shall be made to the department of revenue, accompanied by an additional fee of fifteen dollars and the appropriate emblem-use authorization statement.

13. The appropriate registration fees, fifteen dollar specialty plate fee, processing fees and documents otherwise required for the issuance of registration of the motor vehicle as set forth by law must be submitted at the time the specialty plates are actually issued and renewed or as otherwise provided by law. However, no additional fee for the personalization of this plate shall be charged.

14. Once a specialty plate design is approved, a request for such plate may be made any time during a registration period. If a request is made for a specialty license plate to replace a current valid license plate, all documentation, credits, and fees provided for in this chapter when replacing a current license plate shall apply.

15. A vehicle owner who was previously issued a plate with an organization emblem authorized by this section, but who does not provide an emblem-use authorization statement at a subsequent time of registration if required, shall be issued a new plate which does not bear the organization's emblem, as otherwise provided by law.

16. Specialty license plates shall bear a design approved by the organization submitting the original application for approval by the joint committee on transportation oversight. The design shall be within the plate area prescribed by the director of revenue, and the designated organization's name or slogan shall be in place of the words "SHOW-ME STATE". Such license plates shall be made with fully reflective material with a common color scheme, shall be clearly visible at night, shall have a reflective white background in the area of the plate configuration, and shall be aesthetically attractive, as prescribed by section 301.130 and as provided in this section.

In addition to a design, the specialty license plates shall be in accordance with criteria and plate design set forth in this chapter.

17. The department is authorized to discontinue the issuance and renewal of a specialty license plate if the organization has stopped providing services and emblem-use authorization statements are no longer being issued by the organization. Such organizations shall notify the department immediately to discontinue the issuance of a specialty plate.

1956 *Journal of the House*

18. The organization that requested the specialty license plate shall not redesign the specialty personalized license plate unless such organization pays the director in advance all redesigned plate fees. All plate holders of such plates must pay the replacement fees prescribed in section 301.300 for the replacement of the existing specialty plate. All other applicable license plate fees in accordance with this chapter shall be required.”; and

House Amendment No. 5

AMEND Senate Bill No. 599, Page 1, Section A, Line 2, by inserting after all of said section and line, the following:

“160.261. 1. The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to all teachers at the attendance center and, in addition, to other school district employees with a need to know. For the purposes of this chapter or chapter 167, "need to know" is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase "act of school violence" or "violent behavior" means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002 to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following crimes, or any act which if committed by an adult would be one of the following crimes:

- (1) First degree murder under section 565.020;
- (2) Second degree murder under section 565.021;
- (3) Kidnapping under section 565.110;
- (4) First degree assault under section 565.050;
- (5) Forcible rape under section 566.030;
- (6) Forcible sodomy under section 566.060;
- (7) Burglary in the first degree under section 569.160;
- (8) Burglary in the second degree under section 569.170;
- (9) Robbery in the first degree under section 569.020;

- (10) Distribution of drugs under section 195.211;
- (11) Distribution of drugs to a minor under section 195.212;
- (12) Arson in the first degree under section 569.040;
- (13) Voluntary manslaughter under section 565.023;
- (14) Involuntary manslaughter under section 565.024;
- (15) Second degree assault under section 565.060;
- (16) Sexual assault under section 566.040;
- (17) Felonious restraint under section 565.120;
- (18) Property damage in the first degree under section 569.100;
- (19) The possession of a weapon under chapter 571;
- (20) Child molestation in the first degree pursuant to section 566.067;
- (21) Deviate sexual assault pursuant to section 566.070;
- (22) Sexual misconduct involving a child pursuant to section 566.083;
- (23) Sexual abuse pursuant to section 566.100;
- (24) Harassment under section 565.090; or
- (25) Stalking under section 565.225; committed on school property, including but not limited to actions on any

school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

- (1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or
- (4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

- (1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;
- (2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

- (1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall forward the allegation to the children's division within twenty-four hours of receiving the information. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's

division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the [juvenile officer of] **law enforcement** in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the [juvenile officer or a] law enforcement officer [designated by the juvenile officer] and the superintendent of schools or, if the subject of the report is the superintendent of schools, by [the juvenile officer or] a law enforcement officer [designated by the juvenile officer] and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The [juvenile officer or a] law enforcement officer [designated by the juvenile officer] and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The [juvenile officer or a] law enforcement officer [designated by the juvenile officer] and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The [juvenile officer or a] law enforcement officer [designated by the juvenile officer] and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The [juvenile officer or a] law enforcement officer [designated by the juvenile officer] and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or [juvenile] **law enforcement** officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

9. Following the conclusion of the public hearing required under subsection 8 of this section, the governing authority of the municipality may adopt an ordinance designating an urban agricultural zone.

10. The real property of the UAZ shall not be subject to assessment or payment of ad valorem taxes on real property imposed by the cities affected by this section, or by the state or any political subdivision thereof, for a period of up to twenty-five years as specified by ordinance under subsection 9 of this section, except to such extent and in such amount as may be imposed upon such real property during such period, as was determined by the assessor of the county in which such real property is located, or, if not located within a county, then by the assessor of such city, in an amount not greater than the amount of taxes due and payable thereon during the calendar year preceding the calendar year during which the urban agricultural zone was designated. The amounts of such tax assessments shall not be increased during such period so long as the real property is used in furtherance of the activities provided under the provisions of subdivision (13) of subsection 1 of this section. At the conclusion of the period of abatement provided by the ordinance, the property shall then be reassessed. If only a portion of real property is used as an UAZ, then only that portion of real property shall be exempt from assessment or payment of ad valorem taxes on such property, as provided by this section.

11. If the water services for the UAZ are provided by the municipality, the municipality may authorize a grower UAZ to pay wholesale water rates, if available, for the cost of water consumed on the UAZ and pay fifty percent of the standard cost to hook onto the water source.

12. (1) Any local sales tax revenues received from the sale of agricultural products sold in the UAZ shall be deposited in the urban agricultural zone fund established in subdivision (2) of this subsection. An amount equal to one percent shall be retained by the director of revenue for deposit in the general revenue fund to offset the costs of collection.

(2) There is hereby created in the state treasury the "Urban Agricultural Zone Fund", which shall consist of money collected under subdivision (1) of this subsection. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, shall be used for the purposes authorized by this section. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund. School districts may apply to the department for money in the fund to be used for the development of curriculum on or the implementation of urban farming practices under the guidance of the University of Missouri extension service and a certified vocational agricultural instructor. The funds are to be distributed on a competitive basis within the school district or districts in which the UAZ is located under rules to be promulgated by the department, with special consideration given to the relative number of students eligible for free and reduced-price lunches attending the schools within such district or districts.

13. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated under this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028."; and

Further amend said bill, Page 3, Section 454.475, Line 69, by inserting after said line the following:

“483.015. 1. At the general election in the year 1982, and every four years thereafter, except as herein provided and except as otherwise provided by law, circuit clerks shall be elected by the qualified voters of each county [and of the city of St. Louis], who shall be commissioned by the governor, and shall enter upon the discharge of their duties on the first day in January next ensuing their election, and shall hold their offices for the term of four years, and until their successors shall be duly elected and qualified, unless sooner removed from office.

2. The court administrator for Jackson County provided by the charter of Jackson County shall be selected as provided in the county charter and shall exercise all of the powers and duties of the circuit clerk of Jackson County. The director of judicial administration and the circuit clerk of St. Louis County shall be selected as provided in the charter of St. Louis County.

3. When provision is made in a county charter for the appointment of a court administrator to perform the duties of a circuit clerk or for the appointment of a circuit clerk, such provisions shall prevail over the provisions of this chapter providing for a circuit clerk to be elected. The persons appointed to fill any such appointive positions shall be paid by the counties as provided by the county charter or ordinance; provided, however, that if provision is now or hereafter made by law for the salaries of circuit clerks to be paid by the state, the state shall pay over to the county a sum which is equivalent to the salary that would be payable by law by the state to an elected circuit clerk in such county if such charter provision was not in effect. The sum shall be paid in semimonthly or monthly installments, as designated by the commissioner of administration.

4. The circuit clerk in the sixth judicial circuit and in the seventh judicial circuit shall be appointed by a majority of the circuit judges and associate circuit judges of the circuit court, en banc. The circuit clerk in those circuits shall be removable for cause by a majority of the circuit judges and associate circuit judges of such circuit, en banc, in accordance with supreme court administrative rules governing court personnel. This subsection shall become effective on January 1, 2004, and the elected circuit clerks in those circuits in office at that time shall continue to hold such office for the remainder of their elected terms as if they had been appointed pursuant to the terms of this subsection.

5. The circuit clerk in the twenty-second judicial circuit shall be appointed by a majority of the circuit judges and associate circuit judges of the circuit court, en banc. The circuit clerk in such circuit shall be removable for cause by a majority of the circuit judges and associate circuit judges of such circuit, en banc, in accordance with supreme court administrative rules governing court personnel. The elected circuit clerk in such circuit in office on the effective date of this section shall continue to hold such office for the remainder of his or her elected term.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Diehl, **House Amendment No. 3** was adopted.

Representative Davis offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for Senate Bill No. 739, Page 1, Section A, Line 2, by inserting after all of said line the following:

"452.413. 1. As used in this section, the following terms shall mean:

(1) "Deploying parent", a parent of a child less than eighteen years of age whose parental rights have not been terminated by a court of competent jurisdiction or a guardian of a child less than eighteen years of age who is deployed or who has received written orders to deploy with the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof;

(2) "Deployment", military service in compliance with military orders received by a member of the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof to report for combat operations, contingency operations, peacekeeping operations, temporary duty (TDY), a remote tour of duty, or other service for which the deploying parent is required to report unaccompanied by any family member. Military service includes a period during which a military parent remains subject to deployment orders and remains deployed on account of sickness, wounds, leave, or other lawful cause;

(3) "Military parent", the legal parent of a child less than eighteen years of age whose parental rights have not been terminated by a court of competent jurisdiction, and who is a service member of the United States Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, or any other reserve component thereof;

(4) "Nondeploying parent", a parent or guardian not subject to military deployment.

2. If a military parent is required to be separated from a child due to deployment, a court shall not enter a final order modifying the terms establishing custody or visitation contained in an existing order until ninety days after the deployment ends.

3. In accordance with section 452.412, deployment or the potential for future deployment shall not be the sole factor supporting a change in circumstances or grounds sufficient to support a permanent modification of the custody or visitation terms established in an existing order.

4. (1) An existing order establishing the terms of custody or visitation in place at the time a military parent is deployed may be temporarily modified to make reasonable accommodation for the parties due to the deployment.

(2) A temporary modification order issued under this section shall provide that the deploying parent shall have custody of the child or reasonable visitation, whichever is applicable under the original order, during a period of leave granted to the deploying parent.

(3) Any court order modifying a previously ordered custody or visitation due to deployment shall specify that the deployment is the basis for the order and shall be entered by the court as a temporary order.

(4) Any such custody or visitation order shall further require the nondeploying parent to provide the court and the deploying parent with a thirty day advance written notice of any change of address and any change of telephone number. However, if a valid domestic violence court order from this or another jurisdiction is in effect that requires that the address or contact information of the parent who is not deployed be kept confidential, the notification shall be made to the court only, and a copy of the order shall be included in the notification.

(5) Upon motion of a deploying parent, upon reasonable advance notice and for good cause shown, the court shall hold an expedited hearing in any custody or visitation matters instituted under this section when the military duties of the deploying parent have a material effect on his or her ability or anticipated ability to appear in person at a regularly scheduled hearing.

5. (1) A temporary modification of such an order automatically ends no later than thirty days after the return of the deploying parent and the original terms of the custody or visitation order in place at the time of deployment are automatically reinstated.

(2) Nothing in this section shall limit the power of the court to conduct an expedited or emergency hearing regarding custody or visitation upon return of the deploying parent, and the court shall do so within ten days of the filing of a motion alleging an immediate danger or irreparable harm to the child.

(3) The nondeploying parent shall bear the burden of showing that reentry of the custody or visitation order in effect before the deployment is no longer in the child's best interests. The court shall set any nonemergency motion by the nondeploying parent for hearing within thirty days of the filing of the motion and this shall take precedence on the court's docket.

6. (1) Upon motion of the deploying parent or upon motion of a family member of the deploying parent with his or her consent, the court may delegate his or her visitation rights, or a portion of such rights, to a family member with a close and substantial relationship to the minor child or children for the duration of the deployment if it is in the best interest of the child.

(2) Such delegated visitation time or access does not create an entitlement or standing to assert separate rights to parent time or access for any person other than a parent, and shall terminate by operation of law upon the end of the deployment, as set forth in this section.

(3) Such delegated visitation time shall not exceed the visitation time granted to the deploying parent under the existing order; except that, the court may take into consideration the travel time necessary to transport the child for such delegated visitation time.

(4) In addition, there is a rebuttable presumption that a deployed parent's visitation rights shall not be delegated to a family member who has a history of perpetrating domestic violence against a spouse, child, or a domestic living partner, or to a family member with an individual in the family member's household who has a history of perpetrating domestic violence against a spouse, child, or a domestic living partner.

(5) The person or persons to whom delegated visitation time has been granted shall have full legal standing to enforce such rights.

7. Upon motion of a deploying parent and upon reasonable advance notice and for good cause shown, the court shall permit such parent to present testimony and evidence by affidavit or electronic means in support, custody, and visitation matters instituted under this section when the military duties of such parent have a material effect on his or her ability to appear in person at a regularly scheduled hearing. Electronic means includes communication by telephone, video conference, or the internet.

8. Any order entered under this section shall require that the nondeploying parent shall:

(1) Make the child or children reasonably available to the deploying parent when the deploying parent has leave;

(2) Facilitate opportunities for telephonic and electronic mail contact between the deploying parent and the child or children during deployment; and

(3) Provide timely information regarding the deploying parent's leave schedule to the nondeploying parent.

9. (1) If there is no existing order establishing the terms of custody and visitation and it appears that deployment is imminent, upon the filing of initial pleadings and motion by either parent, the court shall expedite a temporary hearing to establish temporary custody or visitation to ensure the deploying parent has access to the child, to ensure disclosure of information, to grant other rights and duties set forth in this section, and to provide other appropriate relief.

(2) Any initial pleading filed to establish custody or visitation for a child of a deploying parent shall be so identified at the time of filing by stating in the text of the pleading the specific facts related to deployment.

10. (1) Since military necessity may preclude court adjudication before deployment, the parties shall cooperate with each other in an effort to reach a mutually agreeable resolution of custody, visitation, and child support. Each party shall provide information to each other in an effort to facilitate agreement on custody and visitation.

(2) A deploying parent shall provide a copy of his or her orders to the nondeploying parent promptly and without delay prior to deployment. Notification shall be made within ten days' of receipt of deployment orders. If less than ten days notice is received by the deploying parent, notice shall be given immediately upon receipt of military orders. If all or part of the orders are classified or restricted as to release, the deploying parent shall provide, under the terms of this subdivision, all such nonclassified or nonrestricted information to the nondeploying parent.

11. In an action brought under this chapter, whenever the court declines to grant or extend a stay of proceedings under the Servicemembers Civil Relief Act, 50 U.S.C. Appendix Sections 521-522, and decides to proceed in the absence of the deployed parent, the court shall appoint at the request of the deployed parent or on its own motion a guardian ad litem to represent the minor child's interests.

12. Service of process on a nondeploying parent whose whereabouts are unknown may be accomplished by certified mail, return receipt requested, to the nondeploying parent's last known address based on an affidavit of the deploying parent.

13. In determining whether a parent has failed to exercise visitation rights, the court shall not count any time periods during which the parent did not exercise visitation due to the material effect of such parent's military duties on visitation time.

14. Once an order for custody has been entered in Missouri, any absence of a child from this state during deployment shall be denominated a temporary absence for the purposes of application of the Uniform Child Custody Jurisdiction and Enforcement Act (UCCJEA). For the duration of the deployment, Missouri shall retain exclusive jurisdiction under the UCCJEA and deployment shall not be used as a basis to assert inconvenience of the forum under the UCCJEA.

15. In making determinations under this section, the court may award attorney's fees and costs based on the court's consideration of:

(1) The failure of either party to reasonably accommodate the other party in custody or visitation matters related to a military parent's service;

(2) Unreasonable delay caused by either party in resolving custody or visitation related to a military parent's service;

(3) Failure of either party to timely provide military orders, income, earnings, or payment information, housing or education information, or physical location of the child to the other party; and

(4) Other factors as the court may consider appropriate and as may be required by law."; and

Further amend said title, enacting clause and intersectional references accordingly.

Representative Fisher offered **House Amendment No. 5**.

"285.304. The content of the withholding form shall be determined by the director of the department of revenue, in consultation with the department of social services, but, at a minimum, the form shall include the name, address and Social Security number of the employee, **the date services for remuneration were first performed by the employee**, and the name and address of, and identifying number assigned to the employer under section 6109 of the Internal Revenue Code of 1986, as amended. The county may adopt orders with penal provisions consistent with state law, but only in the areas of traffic violations, solid waste management, county building codes, on-site sewer treatment, zoning orders, and animal control. Any county municipal court established pursuant to the provisions of this section shall have jurisdiction over violations of that county's orders and the ordinances of municipalities with which the county has a contract to prosecute and punish violations of municipal ordinances of the municipality.

2. **Except as provided in subsection 5 of this section** in any county which has elected to establish a county municipal court pursuant to this section, the judges for such court shall be appointed by the county commission of such county, subject to confirmation by the legislative body of such county in the same manner as confirmation for other county appointed officers. An act to repeal section 287.120, RSMo, and to enact in lieu thereof one new section relating to workers' compensation.

With Senate Amendment No. 1.

Senate Amendment No. 1

AMEND House Bill No. 1540, Page 3, Section 287.120, Line 67, by inserting immediately after said line the following:

"287.450. If the employer and employee or his dependents do not agree in regard to compensation payable under this chapter, either party may make application **in a manner determined by the division** for a hearing in regard to the matters at issue and for a ruling thereon, except that no application for a hearing shall be considered until fourteen days after the receipt by the division of the report of accident required under section 287.380. The fourteen-day waiting period is not applicable to applications for hardship hearings. After the application has been received, the division shall set a date for a hearing, which shall be held as soon as practicable, and shall notify the interested parties of the time and place of the hearing.

287.460. 1. The division, through an administrative law judge, shall hear in a summary proceeding the parties at issue and their representatives and witnesses and shall determine the dispute by issuing the written award within ninety days of the last day of the hearing. The hearing shall be concluded within thirty days of the date of commencement of the hearing, except in extraordinary circumstances where a lengthy trial or complex issues necessitate a longer time than ninety days. All evidence introduced at any such hearings shall be reported by a competent reporter appointed by the division or be recorded by electronic means. The award, together with a statement of the findings of fact, rulings of law and any other matters pertinent to the question at issue, shall be filed with the record of proceedings, and a copy of the award shall immediately be sent by **electronic means or in the case of an unrepresented employee, by** United States mail, to the parties in dispute and the employer's insurer.

2. The division of workers' compensation shall develop by rule procedures whereby mediation services are provided to the parties in a claim for workers' compensation benefits whereby claims may be mediated by the parties at a prehearing conference when the division determines that a claim may be settled or upon application for a mediation settlement conference filed by either party.

3. The division may require the parties to produce at the mediation conference all available medical records and reports. Such mediation conference shall be informal to ascertain the issues and attempt to resolve the claim or other pending issues. Such mediation conference may be set at any time prior to the commencement of the evidentiary hearing

and nothing in this section shall be interpreted to delay the setting of the matter for hearing. Upon the request of any party, a person providing mediation settlement services shall be disqualified from conducting any evidentiary hearing relating to the claim without limiting the rights conferred by section 287.810.

287.520. 1. Any notice required under this chapter shall be deemed to have been properly given and served when sent by registered or certified mail properly stamped and addressed to the person or entity to whom given, at the last known address in time to reach the person or entity in due time to act thereon, or to counsel for that person or entity in like manner. Notice may also be given and served in like manner as summons in civil actions.

2. Notwithstanding the provisions of subsection 1 of this section, the division may serve or send any notices required under this chapter by electronic means, except that any notices required to be sent to an employee not represented by counsel shall be sent by registered or certified mail to the last known address of the employee unless the employee consents to receive notices by electronic means. In the event the employee is represented by counsel and counsel is sent proper notice under this chapter, notice to the employee may be sent by regular mail.

287.650. 1. The division of workers' compensation shall have such powers as may be necessary to carry out all the provisions of this chapter **including the use of electronic processes**, and it may make such rules and regulations as may be necessary for any such purpose, subject to the approval of the labor and industrial relations commission of Missouri. The division shall have power to strike pleadings and enter awards against any party or parties who fail or refuse to comply with its lawful orders.

2. (1) The division shall have the power upon the expiration of five years after their receipt to destroy reports of injuries on which no compensation (exclusive of medical costs) was due or paid, together with the papers attendant to the filing of such reports, and also to destroy records in compensable cases after the expiration of ten years from the date of the termination of compensation.

(2) Records in cases that are submitted for hearing in the division shall include all documentary exhibits admitted as evidence at the hearing. Records in all other cases shall include all documents required to be filed with the division by this chapter or by rule of the division, medical reports or records which are relied upon by the administrative law judge or legal advisor in approving the compromise lump sum settlement, and copies of the compromise lump sum settlement. These records shall be kept and stored by the division for a minimum of ten years and shall include the originals or duplicate originals stored by electronic or other means approved by the division.

3. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

287.655. Any claim before the division may be dismissed for failure to prosecute in accordance with rules and regulations promulgated by the commission. **Such notice shall be made in a manner determined by the division, except that for the employee such notice [need not] shall be by certified or registered mail [if] unless the [person or entity] employee to whom notice is directed is represented by counsel and counsel is also given such notice [at counsel's last known address]. To dismiss a claim the administrative law judge shall enter an order of dismissal which shall be deemed an award and subject to review and appeal in the same manner as provided for other awards in this chapter.**"; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

2. [If the county commission reduces a special road and bridge tax levy pursuant to this section which results in a reduction of revenue available to a city, town or village or to a special road district organized pursuant to chapter 233, the commission shall in that year in which the reduction of revenue occurs set aside and place to the credit of each such entity sales tax revenues in an amount at least equal to that which each such entity would have otherwise been entitled from the special road and bridge tax levy, had it not been for such reduction. In subsequent years, each such entity shall receive from the county an amount of sales tax revenue equal to the amount of special road and bridge tax revenue that each such entity would have received in that year, but for the reduction in the special road and bridge tax. The county shall transfer such sales tax revenue to each such entity in twelve equal monthly installments during each year in which such entity is entitled to receive such sales tax revenue] **In any county in which the voters have approved a sales tax as provided by section 67.547, each city, town, village, and special road district organized under chapter 233 shall continue to receive its share of the county's special road and bridge levy, if any, that is annually considered by the county commission. In the event that the annual special road and bridge levy is not set at a level of at least fourteen cents on each one hundred dollars assessed valuation, the county commission shall allocate additional funds from any available county source to the cities, towns, villages, and special road districts located within the county in an amount that will, when combined with the revenues received from the special road and bridge levy, distribute funds to such entities in an amount that is at least equal to the funding level of fourteen cents on each one hundred dollars assessed valuation. Additionally, any city, town, or village which contains at least fifty percent of a special road district organized under chapter 233 shall be entitled to receive the road district's portion of any funds not paid through the special road and bridge levy. 2. If the member executes a beneficiary designation form and lists more than one beneficiary but fails to list the percentage of benefit that each beneficiary should receive, then the benefit shall be divided equally among the named beneficiaries.

50.1140. 1. Upon termination of employment, any member with less than eight years of creditable service shall forfeit all rights in the fund, including the member's accrued creditable service as of the date of the member's termination of employment, but may receive any refund of contributions to which the member is entitled pursuant to subsection 3 of this section **or subsection 1 of section 50.1130**.

2. A member who terminates employment with at least eight years of creditable service shall be entitled to an annuity from the fund, determined in accordance with the formula described in section 50.1060. The member may elect to defer the receipt of his or her annuity, until the member's attainment of age sixty-two, or the member may elect to begin receiving his or her annuity on the first day of any month following the later of the date of termination of employment or age fifty-five. If the member begins receiving an annuity before age sixty-two and termination of employment occurs on or after age fifty-five, the annuity shall be reduced by four-tenths of one percent for each month the commencement date of the annuity precedes age sixty-two, and an additional three-tenths of one percent for each month the commencement date of the annuity precedes age sixty.

3. In the event a member ceases to be a member other than by death before the date the member becomes vested in the system, the member shall be paid, upon his or her written application filed with the board, the member's accumulated contributions standing to his or her credit in the members' deposit fund.

4. A former member who has forfeited creditable service may have the creditable service restored by again becoming an employee, completing a total of eight years of uninterrupted creditable service, and purchasing the forfeited service by paying into the fund the forfeited amount previously refunded to the participant or credited to the participant's county plus interest equal to the current prime rate plus two percent.”; and

Further amend said page, Section 67.085, Line 22, by inserting after all of said line the following:

“104.603. 1. Effective with transfers of service between the Missouri department of transportation and highway patrol employees' retirement system and the Missouri state employees' retirement system that occur on or after September 1, 2011, upon a reciprocal transfer of creditable or credited service pursuant to section 104.602 or subsection 8 of section 104.1021, the sending system from which the service is transferred shall pay the receiving system to which the service is transferred the present value of the accrued benefit as determined pursuant to subsection 2 of this section.

2. For purposes of this section, the present value of the accrued benefit shall be determined using the actuarial assumptions of the sending system used in that system's last regular valuation assuming active member status and using

the unit credit actuarial cost method. However, in no event shall the payment amount be less than the sum of the member's accumulated contributions and interest plus any purchased service payments from the member held on deposit by the sending system. If the member had received a refund of accumulated contributions from the sending system and forfeited service credit with that system, the member would need to reestablish that service with the sending system by again becoming an active member of a system covered by this chapter and satisfying requirements otherwise stipulated for reestablishing service credit. **However, in the event the member had previously transferred service from the receiving system to the sending system which was not subject to an asset transfer under this section, then that service will be excluded from the computation of the accrued benefit. In the event any prior payments by a sending system under this section included an amount for previously transferred service that was not subject to this section, the receiving system shall return to the sending system the present value amount attributable to such service, including interest as determined and agreed to by both systems.**

3. The service transfer shall not be deemed completed until the sending system makes payment to the receiving system as prescribed in this section. Payments shall be made within ninety days of the date that a completed transfer request is submitted by a member.

4. When the transfer payment includes an amount identified as corresponding to a member's accumulated contributions, the accumulated contributions portion shall be identified, and further, the accumulated contributions balance as of the preceding July first shall be identified and the receiving system shall be responsible for crediting interest according to the terms of the receiving plan.

5. The systems shall coordinate their plan administration for reciprocal transfers to give full effect to the transfer including the transfer and acceptance of corresponding division of benefit orders.

6. The member or survivor obtaining a reciprocal transfer of service covered by this section shall satisfy all requirements under section 104.602 or subsection 8 of section 104.1021 to obtain a transfer of credited or creditable service and shall satisfy the requirements under section 104.1091 with the receiving system to reestablish forfeited service previously accrued at either system.”; and

House Amendment No. 5

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 726, Page 7, Section 67.085, Line 22, by inserting after all of said section and line, the following:

“67.1521. 1. A district may levy by resolution one or more special assessments against real property within its boundaries, upon receipt of and in accordance with a petition signed by:

(1) Owners of real property collectively owning more than fifty percent by assessed value of real property within the boundaries of the district; and

(2) More than fifty percent per capita of the owners of all real property within the boundaries of the district.

2. The special assessment petition shall be in substantially the following form:

The (insert name of district) Community Improvement District ("District") shall be authorized to levy special assessments against real property benefitted within the District for the purpose of providing revenue for (insert general description of specific service and/or projects) in the district, such special assessments to be levied against each tract, lot or parcel of real property listed below within the district which receives special benefit as a result of such service and/or projects, the cost of which shall be allocated among this property by (insert method of allocation, e.g., per square foot of property, per square foot on each square foot of improvement, or by abutting foot of property abutting streets, roads, highways, parks or other improvements, or any other reasonable method) in an amount not to exceed dollars per (insert unit of measure). Such authorization to levy the special assessment shall expire on (insert date). The tracts of land located in the district which will receive special benefit from this service and/or projects are: (list of properties by common addresses and legal descriptions).

3. The method for allocating such special assessments set forth in the petition may be any reasonable method which results in imposing assessments upon real property benefitted in relation to the benefit conferred upon each respective tract, lot or parcel of real property and the cost to provide such benefit.

4. By resolution of the board, the district may levy a special assessment rate lower than the rate ceiling set forth in the petition authorizing the special assessment and may increase such lowered special assessment rate to a level not exceeding the special assessment rate ceiling set forth in the petition without further approval of the real property owners; provided that a district imposing a special assessment pursuant to this section may not repeal or amend such special assessment or lower the rate of such special assessment if such repeal, amendment or lower rate will impair the district's ability to pay any liabilities that it has incurred, money that it has borrowed or obligations that it has issued.

5. Each special assessment which is due and owing shall constitute a perpetual lien against each tract, lot or parcel of property from which it is derived. Such lien may be foreclosed in the same manner as any other special

assessment lien as provided in section 88.861. Notwithstanding the provisions of this subsection and section 67.1541 to the contrary, [in any county of the first classification with more than one hundred thirty-five thousand four hundred but fewer than one hundred thirty-five thousand five hundred inhabitants,] the county collector may, upon certification by the district for collection, add each special assessment to the annual real estate tax bill for the property and collect the assessment in the same manner the collector uses for real estate taxes. [In said counties, each] **Any** special assessment remaining unpaid on the first day of January annually is delinquent and enforcement of collection of the delinquent bill by the county collector shall be governed by the laws concerning delinquent and back taxes. The lien may be foreclosed in the same manner as a tax upon real property by land tax sale under chapter 140 or, if applicable to that county, chapter 141.

6. A separate fund or account shall be created by the district for each special assessment levied and each fund or account shall be identifiable by a suitable title. The proceeds of such assessments shall be credited to such fund or account. Such fund or account shall be used solely to pay the costs incurred in undertaking the specified service or project.

7. Upon completion of the specified service or project or both, the balance remaining in the fund or account established for such specified service or project or both shall be returned or credited against the amount of the original assessment of each parcel of property pro rata based on the method of assessment of such special assessment.

8. Any funds in a fund or account created pursuant to this section which are not needed for current expenditures may be invested by the board in accordance with applicable laws relating to the investment of funds of the city in which the district is located.

9. The authority of the district to levy special assessments shall be independent of the limitations and authorities of the municipality in which it is located; specifically, the provisions of section 88.812 shall not apply to any district.”; and

[(19)] (20) "Supplier", a person who sells or leases gambling equipment and gambling supplies to any licensee.

2. In addition to the games of skill [referred to in subdivision (14) of] **defined in** subsection 1 of this section, the commission may approve other games of skill upon receiving a petition requesting approval of a gambling game from any applicant or licensee. The commission may set the matter for hearing by serving the applicant or licensee with written notice of the time and place of the hearing not less than five days prior to the date of the hearing and posting a public notice at each commission office. The commission shall require the applicant or licensee to pay the cost of placing a notice in a newspaper of general circulation in the applicant's or licensee's home dock city or county. The burden of proof that the gambling game is a game of skill is at all times on the petitioner. The petitioner shall have the affirmative responsibility of establishing his or her case by a preponderance of evidence including:

(1) Is it in the best interest of gaming to allow the game; and

(2) Is the gambling game a game of chance or a game of skill? All testimony shall be given under oath or affirmation. Any citizen of this state shall have the opportunity to testify on the merits of the petition. The commission may subpoena witnesses to offer expert testimony. Upon conclusion of the hearing, the commission shall evaluate the record of the hearing and issue written findings of fact that shall be based exclusively on the evidence and on matters officially noticed. The commission shall then render a written decision on the merits which shall contain findings of fact, conclusions of law and a final commission order. The final commission order shall be within thirty days of the hearing. Copies of the final commission order shall be served on the petitioner by certified or overnight express mail, postage prepaid, or by personal delivery.

313.812. 1. The commission may issue licenses pursuant to subsection 1 of section 313.807 when it is satisfied that the applicant has complied with all rules and regulations, including an update of all information provided to the commission in the licensee's initial application. The commission shall decide the number, location and type of excursion gambling boat in a city or county under subsection 10 of this section. The license shall set forth the name of the licensee, the type of license granted, the place where the excursion gambling boat will operate and dock, including the docking of an excursion gambling boat which is continuously docked, and other information the commission deems appropriate. The commission shall have the ultimate responsibility of deciding the number, location, and type of excursion gambling boats licensed in a city or county; however, any city or county which has complied with the provisions of subsection 10 of this section shall submit to the commission a plan outlining the following:

(1) The recommended number of licensed excursion gambling boats operating in such city or county;

- (2) The recommended licensee or licensees operating in such city or county;
- (3) The community's economic development or impact and affirmative action plan concerning minorities' and women's ownership, contracting and employment for the waterfront development;
- (4) The city or county proposed sharing of revenue with any other municipality;
- (5) Any other information such city or county deems necessary; and
- (6) Any other information the commission may determine is necessary. The commission shall provide for due dates for receiving such plan from the city or county.

2. A license to operate an excursion gambling boat shall only be granted to an applicant upon the express conditions that:

(1) The applicant shall not, by a lease, contract, understanding, or arrangement of any kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed under this section or of the system of wagering described in section 313.817. This section does not prohibit a management contract with a person licensed by the commission; and

(2) The applicant shall not in any manner permit a person other than the licensee and the management licensee to have a share, percentage, or proportion of the money received for admissions to the excursion gambling boat.

3. The commission shall require, as a condition of granting a license, that an applicant operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of Missouri's or the home dock city's or county's riverboat history.

4. The commission shall encourage through its rules and regulations the use of Missouri resources, goods and services in the operation of any excursion gambling boat.

5. The excursion gambling boat shall provide for nongaming areas, food service and a Missouri theme gift shop. The amount of space used for gaming shall be determined in accordance with all rules and regulations of the commission and the United States Coast Guard safety regulations.

6. A license to operate gambling games or to operate an excursion gambling boat shall not be granted unless the applicant has, through clear and convincing evidence, demonstrated financial responsibility sufficient to meet adequately the requirements of the proposed enterprise.

7. Each applicant shall establish by clear and convincing evidence its fitness to be licensed. Without limitation, the commission may deny a license based solely on the fact that there is evidence that any of the following apply:

(1) The applicant has been suspended from operating an excursion gambling boat or a game of chance or gambling operation in another jurisdiction by a board or commission of that jurisdiction;

(2) The applicant is not the true owner of the enterprise proposed;

(3) The applicant is not the sole owner, and other persons have ownership in the enterprise, which fact has not been disclosed;

(4) The applicant is a corporation that is not publicly traded and ten percent or more of the stock of the corporation is subject to a contract or option to purchase at any time during the period for which the license is to be issued unless the contract or option was disclosed to the commission and the commission approved the sale or transfer during the period of the license;

(5) The applicant has knowingly made a false statement of a material fact to the commission; or

(6) The applicant has failed to meet a valid, bona fide monetary obligation in connection with an excursion gambling boat.

8. A license shall not be granted if the applicant has not established [his] **the applicant's** good repute and moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No licensee shall employ or contract with any person who has pled guilty to, or has been convicted of, a felony to perform any duties directly connected with the licensee's privileges under a license granted pursuant to this section, except that employees performing nongaming related occupations as determined by the commission shall be exempt from the requirements of this subsection.

9. **Except as provided in section 313.817**, a licensee shall not lend to any person money or any other thing of value for the purpose of permitting that person to wager on any gambling game authorized by law. This does not prohibit credit card or debit card transactions or cashing of checks. Any check cashed, **other than a credit instrument**, must be deposited within twenty-four hours. The commission may require licensees to verify a sufficient account balance exists before cashing any check. Any licensee who violates the provisions of this subsection shall be subject to an administrative penalty of five thousand dollars for each violation. Such administrative penalties shall be assessed and collected by the commission.

10. Gambling excursions including the operation of gambling games on an excursion gambling boat which is not continuously docked shall be allowed only on the Mississippi River and the Missouri River. No license to conduct gambling games on an excursion gambling boat in a city or county shall be issued unless and until the qualified voters of the city or county approve such activities pursuant to this subsection. The question shall be submitted to the qualified

voters of the city or county at a general, primary or special election upon the motion of the governing body of the city or county or upon the petition of fifteen percent of the qualified voters of the city or county determined on the basis of the number of votes cast for governor in the city or county at the last election held prior to the filing of the petition. The question shall be submitted in substantially the following form:

Shall the City (County) of allow the licensing of excursion gambling boats or floating facilities as now or hereafter provided by Missouri gaming law in the city (county)?

YES NO .

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the commission may license excursion gambling boats in that city or county and such boats may operate on the Mississippi River and the Missouri River. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the commission shall not license such excursion gambling boats in such city or county unless and until the question is again submitted to and approved by a majority of the qualified voters of the city or county at a later election. Excursion gambling boats may only dock in a city or unincorporated area of a county which approves licensing of such excursion gambling boats pursuant to this subsection, but gambling operations may be conducted at any point on the Mississippi River or the Missouri River during an excursion. Those cities and counties which have approved by election pursuant to this subsection, except those cities or counties which have subsequently rejected by election, the licensing of any type of excursion gambling boats in the city or county prior to April 6, 1994, are exempt from any local election requirement of this section as such previous election shall have the same effect as if held after May 20, 1994.

11. If a docking fee is charged by a city or a county, a licensee operating an excursion gambling boat shall pay the docking fee prior to the start of the excursion season.

12. Any licensee shall not be delinquent in the payment of property taxes or other taxes or fees or in the payment of any other contractual obligation or debt due or owed to the state or a political subdivision of the state.

13. An excursion gambling boat licensed by the state shall meet all of the requirements of chapter 306 and is subject to an inspection of its sanitary facilities to protect the environment and water quality by the commission or its designee before a license to operate an excursion gambling boat is issued by the commission. Licensed excursion gambling boats shall also be subject to such inspections during the period of the license as may be deemed necessary by the commission. The cost of such inspections shall be paid by the licensee.

14. A holder of any license shall be subject to imposition of penalties, suspension or revocation of such license, or if the person is an applicant for licensure, the denial of the application, for any act or failure to act by himself or his agents or employees, that is injurious to the public health, safety, morals, good order and general welfare of the people of the state of Missouri, or that would discredit or tend to discredit the Missouri gaming industry or the state of Missouri unless the licensee proves by clear and convincing evidence that it is not guilty of such action. The commission shall take appropriate action against any licensee who violates the law or the rules and regulations of the commission. Without limiting other provisions of this subsection, the following acts or omissions may be grounds for such discipline:

(1) Failing to comply with or make provision for compliance with sections 313.800 to 313.850, the rules and regulations of the commission or any federal, state or local law or regulation;

(2) Failing to comply with any rule, order or ruling of the commission or its agents pertaining to gaming;

(3) Receiving goods or services from a person or business entity who does not hold a supplier's license but who is required to hold such license by the provisions of sections 313.800 to 313.850 or the rules and regulations of the commission;

(4) Being suspended or ruled ineligible or having a license revoked or suspended in any state of gaming jurisdiction;

(5) Associating with, either socially or in business affairs, or employing persons of notorious or unsavory reputation or who have extensive police records, or who have failed to cooperate with any officially constituted investigatory or administrative body and would adversely affect public confidence and trust in gaming;

(6) Employing in any gambling games' operation or any excursion gambling boat operation, any person known to have been found guilty of cheating or using any improper device in connection with any gambling game;

(7) Use of fraud, deception, misrepresentation or bribery in securing any permit or license issued pursuant to sections 313.800 to 313.850;

(8) Obtaining or attempting to obtain any fee, charge, or other compensation by fraud, deception, or misrepresentation;

(9) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties regulated by sections 313.800 to 313.850.

313.817. 1. Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money or **credit instrument** of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check, **obtain a credit instrument** or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. Credit instruments executed on or after August 28, 2012, are valid contracts creating debt that are enforceable by legal process. A licensee may accept credit instruments from a qualified person in exchange for physical tokens or chips that can be wagered on gambling games at the licensee's excursion gambling boat, or money that can be exchanged for electronic or physical tokens, chips or other forms of credit to be wagered on gambling games at the licensee's excursion gambling boat. "Qualified person" means a person who has completed a credit application provided by the licensee and who is determined by the licensee, after performing a credit check and applying usual standards to establish creditworthiness, to qualify for a line of credit of at least five thousand dollars. Approval to accept a credit instrument from a qualified person shall be made by the holder of an occupational license, except that such approval shall not be made less than twenty-four hours after the determination that a person is a qualified person. A licensee may accept multiple credit instruments from the same person to consolidate or redeem a previous credit instrument. A lost or destroyed credit instrument shall remain valid and enforceable if the party seeking enforcement can prove its existence and terms. Any person who violates this subsection is subject only to the penalties provided in section 313.812. The commission shall have no authority to determine the validity or enforceability of a credit instrument or the enforceability of the debt that the credit instrument represents. Failure to comply with any regulation promulgated by the commission shall not impact the validity or enforceability of the credit instrument or the debt that the credit instrument represents.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
