

HB 1791 -- Waste Management Services for State Agencies

Sponsor: Sater

This bill allows the Director of the Division of Facilities Management, Design, and Construction within the Office of Administration to provide waste management services for any state agency except where the Missouri Constitution provides otherwise. The division director must appoint a staff member to serve as the coordinator of waste management services who will oversee any contracts, agreements, or interagency arrangements for the services. The division director must submit a timely report of the provision of these services upon a request of the Governor, Speaker of the House of Representatives, or President Pro Tem of the Senate.
