

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By

1 AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 282, Page 9, Section  
2 304.894, Line 40, by inserting after all of said line and section the following:

3  
4 "307.075. 1. Every motor vehicle and every motor-drawn vehicle shall be equipped with at  
5 least two rear lamps, not less than fifteen inches or more than seventy-two inches above the ground  
6 upon which the vehicle stands, which when lighted will exhibit a red light plainly visible from a  
7 distance of five hundred feet to the rear. Either such rear lamp or a separate lamp shall be so  
8 constructed and placed as to illuminate with a white light the rear registration marker and render it  
9 clearly legible from a distance of fifty feet to the rear. When the rear registration marker is  
10 illuminated by an electric lamp other than the required rear lamps, all such lamps shall be turned on  
11 or off only by the same control switch at all times.

12 2. Every motorcycle registered in this state, when operated on a highway, shall also carry at  
13 the rear, either as part of the rear lamp or separately, at least one approved red reflector, which shall  
14 be of such size and characteristics and so maintained as to be visible during the times when lighted  
15 lamps are required from all distances within three hundred feet to fifty feet from such vehicle when  
16 directly in front of a motor vehicle displaying lawful undimmed headlamps. A motorcycle may be  
17 equipped with a means of varying the brightness of the vehicle's brake light for a duration of not  
18 more than five seconds upon application of the vehicle's brakes.

19 3. Every new passenger car, new commercial motor vehicle, motor-drawn vehicle and  
20 omnibus with a capacity of more than six passengers registered in this state after January 1, 1966,  
21 when operated on a highway, shall also carry at the rear at least two approved red reflectors, at least  
22 one at each side, so designed, mounted on the vehicle and maintained as to be visible during the  
23 times when lighted lamps are required from all distances within five hundred to fifty feet from such  
24 vehicle when directly in front of a motor vehicle displaying lawful undimmed headlamps. Every  
25 such reflector shall meet the requirements of this chapter and shall be mounted upon the vehicle at a  
26 height not to exceed sixty inches nor less than fifteen inches above the surface upon which the  
27 vehicle stands.

28 4. Any person who knowingly operates a motor vehicle without the lamps required in this  
29 section in operable condition is guilty of an infraction."; and

30  
31 Further amend said bill by amending the title, enacting clause, and intersectional references  
32 accordingly.
